**RE: PROJECT NUMBER 100075820/100077387  
LOXLEY MUNICIPAL PARK TRANSIT PROJECT  
CONTRACT AWARD CONCURRENCE**

Dear Mr. Lindsey:

The Eastern Shore Metropolitan Planning Organization (MPO) has allocated \$1,278,490.00 in 5307 Urban Area Transit Funds to construct a public transit project at the City of Loxley Municipal Park. The Baldwin County Commission is the sub-recipient of the 5307 funds and Baldwin Regional Area Transit System (BRATS) is the designated public transit provider for the MPO.

The City of Loxley is managing the project in accordance with an Intergovernmental Service Agreement and advertised a bid opportunity for construction. The City received three (3) bids with Waverly Construction of Alabama, LLC being the low bidder. Therefore, the City desires to award the bid to Waverly Construction of Alabama, LLC.

It is my recommendation that the bid be awarded through the City of Loxley for Project 100075820/100077387 Loxley Municipal Park Transit Hub to Waverly Construction of Alabama, LLC.

If you have any questions or comments, please contact Ann Simpson, Director of Transportation, at (251) 972-6817.

Sincerely,

**BILLIE JO UNDERWOOD, Chairman**  
Baldwin County Commission
