Re: Baldwin County Resurfacing Project FY 2026: Group 2
BCR-2026-2
BALDWIN COUNTY
AREA 100, 200, and 300

Dear Commissioners:

My office has thoroughly reviewed the bids taken on March 18th, 2026, for the above referenced project.

Ammons & Blackmon Construction LLC. was the low bidder under Alternative 2 (All Labor and Material Except County provided Asphalt) with a bid of \$ 565,982.76. The estimated cost of the asphalt is 1,673,214.65. The total cost for BCR-2026-2 was estimated to be around \$3,416,063.

Each bid package has been reviewed for the inclusion of the appropriate bid bond and errors. The following errors are noted:

1. Arrington had an error in their total bid calculation resulting in the decrease of their proposal by \$8.19.
2. Ammons & Blackmon had an error in their total bid calculation resulting in the decrease of their proposal by \$0.54 cents.

None of the errors changed the overall outcome of the lowest bidder.

Based on this information, it is my recommendation that the Baldwin County Commission award this contract to which Ammons & Blackmon Construction LLC.

If you have any questions or comments, please give me a call at 251-937-0371.

Sincerely,

Mark Acreman, P.E.
Assistant County Engineer
