Re: Request for Letter of Support for Service Area Competition

Dear Chairman Gruber:

I am writing to request a letter of support for our Service Area Competition Application for our Public Health Service Section 330 Grant.

Franklin Primary Health Center, Inc. is a not for profit community health center established in 1975 by a group of concerned citizens. Currently, we operate community-based health centers in Mobile, Baldwin, Escambia, Monroe, Conecuh and Choctaw Counties in Alabama and serve over 35,000 patients annually. Our mission is to be a compassionate and viable community health center. Franklin has a long history of providing comprehensive quality primary health care to patients regardless of their ability to pay.

Considering our history and commitment to the communities we serve, we hope we can count on you for a letter in support of our Service Area Competition Application. Please address the letter to my attention and return to me by **July 14, 2023** via the provided envelope or via email at [patricia.pearce@franklinprimary.org](mailto:patricia.pearce@franklinprimary.org) or fax to 251-434-8181. If you have any questions, please contact myself at 251-436-7611 or Judy Mitchell at 251-436-7631. For your convenience, I have enclosed a sample letter, which you may use, if you would like.

Your support for our application will allow us to continue to provide services to those most in need in our community. Thank you for your consideration.

Sincerely,

Charles White, CEO

Dear Mr. White

I am writing in support of Franklin Primary Health Center's Service Area Competition Application.

Franklin Primary Health Center has been serving all persons in Mobile County since 1975, as the safety net provider for those most in need of access to affordable healthcare services. From the beginning, Franklin's focus has been on the needs of the medically underserved populations. Today, Franklin Primary Health Center has expanded operating community based health centers in Mobile, Baldwin, Escambia, Monroe, Conecuh, and Choctaw Counties all in response to community needs.

Franklin Primary Health Center's mission is to be a compassionate and viable Community Health Center. They provide compassionate, accessible and affordable health services to everyone no matter who they are or what they have. Franklin, who's accredited by the Joint Commission and NCQA, has a long history of providing comprehensive quality health care to residents in the communities they serve regardless of their ability to pay.

**TELL ABOUT YOUR ORGANIZATION AND HOW YOU WORK OR WILL WORK WITH FRANKLIN.**

Considering Franklin's history and commitment in the communities they serve, I feel that Franklin Primary Health Center is the best applicant for this Service Area Competition Grant.

I recognize the value of the services provided by Franklin and completely support your efforts to continue the provision of these much needed services in this service area.

Sincerely,

(Name, Title)
