Dear Commissioner McKenzie,

On behalf of the Barnwell Community Organization, I respectfully request your consideration and support in allowing us to host a 5K Fun Run as part of our upcoming Annual Community Day celebration. This year marks the fifth anniversary of this special event, and we are eager to continue building on the success and unity it has fostered within our community.

We are proposing the 5K route begin at the Barnwell Community Center and proceed to the four-way stop at County Road 13 and County Road 24, before returning to the Community Center. Our goal is to offer a healthy and enjoyable outdoor activity for participants of all ages while complementing the festivities, which include local vendors and a performance by the Newton School Choir.

We are committed to coordinating all necessary logistics and safety measures to ensure a smooth and secure event for both participants and the community at large. Your approval and support would mean a great deal to us and would help us further our mission of bringing neighbors together through shared experiences.

Thank you for your time and consideration. We would be happy to provide any additional information you may need.

Warm regards,

Veronica Bishop
