Whereas, COUNTY, pursuant to Alabama law, is continuously involved in numerous projects relating to the survey, design, construction, improvement, maintenance, and/or repair of public roads and bridges throughout Baldwin County, Alabama; and

Whereas, PROVIDER is staffed with licensed professional surveyors who have specialized expertise and training in the provision of surveying services, including, without limitation, survey, design, right of way map and deed preparation, relating to public roads and bridges (“Services”); and

Whereas, by Baldwin County Policy #9.10, the Baldwin County Commission has delegated to the Baldwin County Engineer the authority to select and retain the services of qualified professional surveying firms to provide Services in relation to any COUNTY public road or bridge project, if the expense of PROVIDER’s Services is less than one-hundred thousand dollars (\$100,000.00), and if such Services are otherwise subject to a global contract between COUNTY and PROVIDER which sets out the terms and conditions of the parties’ relationship; and

Whereas, the parties now wish to enter into this Master On Call Contract for Professional Services, thereby authorizing the Baldwin County Engineer to retain the services of PROVIDER, from time to time, subject to the terms and conditions of this Contract.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the sufficiency of which is hereby acknowledged, PROVIDER and COUNTY agree as follows:

- I. Scope of Work Agreement: Unless otherwise agreed between PROVIDER and County Engineer and executed in writing, “scope of work agreement” shall mean and include the cumulative exchange of communications and acknowledgments between PROVIDER and County Engineer by which they set out and agree to the terms, conditions and details of Services for any discrete,

independent project, and shall for each such project include a scope of work prepared by County Engineer, PROVIDER's acceptance thereof together with a fee proposal, and County Engineer's acceptance thereof by way of a notice to proceed.

- II. Obligations Generally. The COUNTY hereby retains PROVIDER to provide, and the PROVIDER agrees to perform for the COUNTY, all Services as the Baldwin County Engineer may from time to time authorize and retain by separate, independent scope of work agreements issued pursuant and subject to this Contract. Each scope of work agreement shall be subject to this Contract and shall be governed in all respects by the terms and conditions herein. Each respective scope of work agreement, together with this document, shall serve as an independent, binding contract. PROVIDER shall immediately commence performance of the Services outlined herein upon full execution of this Contract and as directed in respective scope of work agreements. All work shall be commenced and completed in a timely manner as set out herein and as set out in each respective scope of work agreement. Nothing in this Contract shall be construed as granting PROVIDER any right or guarantee to be selected or retained to provide Services to the COUNTY.
- III. Recitals Included. The above recitals and statements are incorporated as part of this Contract and shall have the same effect and enforceability as all other provisions herein.
- IV. Professional Qualifications. For the purpose of this Contract, the PROVIDER represents to the COUNTY that it possesses the professional, technical and administrative personnel with the specific experience and training necessary to provide the Services described in this Contract and future scope of work agreements, if any.
- V. No Exclusive Agreement or Franchise. By executing this Contract, the COUNTY does not in any way grant PROVIDER an exclusive agreement for Services or an exclusive franchise. PROVIDER expressly acknowledges and agrees that the COUNTY may enter into agreements with other providers as deemed necessary by the COUNTY in its sole discretion.
- VI. Representation of Certifications, Etc. PROVIDER represents that PROVIDER is presently registered, certified, licensed and otherwise permitted under all necessary and applicable laws and regulations to perform the services herein and as may be authorized in any and all scope of work agreements. PROVIDER

further represents that it shall renew, maintain and otherwise ensure that all such registrations, certifications, licenses, and permits are current and valid, without interruption, for and through completion of all Services.

- VII. Legal Compliance. PROVIDER shall at all times comply with all applicable federal, state, and local laws, rules and regulations.
- VIII. Independent Contractor. PROVIDER acknowledges that it is an independent contractor, and PROVIDER shall at all times remain as such in performing Services under this Contract and respective scope of work agreements. PROVIDER is not an employee, servant, partner, or agent of the COUNTY and has no authority, express or implied, to contract for or bind the COUNTY in any manner. The parties agree that PROVIDER shall be solely responsible for, and shall have full and unqualified control over, developing and implementing its own means and methods as it deems necessary and appropriate in providing Services, and that the COUNTY's interests herein are expressly limited to the results of PROVIDER's Services. PROVIDER is not entitled to unemployment insurance benefits or any other benefits offered by the COUNTY, and PROVIDER is responsible for and obligated to pay any and all federal and state income tax on any monies paid pursuant to this Contract and respective scope of work agreements.
- IX. Unenforceable Provisions. If any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof. This Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
- X. Entire Agreement. This Contract, together with respective scope of work agreements, represents the entire and integrated agreement between COUNTY and PROVIDER and supersedes all prior negotiations, representations or agreements, either written or oral. This Contract, and respective scope of work agreements, may be amended only by written instrument signed by authorized parties.
- XI. Failure to Strictly Enforce Performance. The failure of the COUNTY to insist upon the strict performance of any of the terms, covenants, agreements and conditions of this Contract or any respective scope of work agreement shall not constitute, and shall

never be asserted by PROVIDER as constituting, a default or be construed as a waiver or relinquishment of the right of the COUNTY to thereafter enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.

XII. Assignment. Neither this Contract nor any respective scope of work agreement, nor any interest therein, shall be assigned, transferred or otherwise encumbered by PROVIDER without the prior written consent of the COUNTY, which may be withheld or granted in the sole discretion of the COUNTY. Without limitation, the parties acknowledge and agree that PROVIDER shall not assign, subcontract or otherwise delegate any part, discipline or aspect of PROVIDER’s obligations hereunder, or in any respective scope of work agreement, without obtaining COUNTY’s prior written approval, including COUNTY’s approval of the entity to which such assignment, subcontract or delegation would be made.

XIII. Ownership of Documents/Work. The COUNTY shall be the owner of all copyright or other intellectual property rights in reports, documents and deliverables produced and paid for under this Contract or respective scope of work agreements, and to the extent permitted by Alabama law, any such material may be reproduced and reused at the discretion of the COUNTY without payment of further consideration. PROVIDER shall not transfer, disclose or otherwise use such information for any purpose other than in performance of the services hereunder, without the COUNTY’s prior written consent, which may be withheld or granted in the sole discretion of the COUNTY. PROVIDER agrees to provide any releases or further assurances required by the COUNTY to evidence the rights granted by this section XIII. Any reuse or modification of such documents for purposes other than those intended by the PROVIDER in its Scope of Services shall be at the County’s sole risk and without liability to the PROVIDER.

The general scope of work for the Services shall include those set out in each scope of work agreement as the same may be made from time to time during the term of this Contract. Each scope of work agreement made hereunder shall be subject to this Contract. The parties acknowledge and agree that each scope of work agreement shall be deemed and treated as a separate and independent agreement between the parties, subject to the terms and conditions of this Contract.

PROVIDER will provide ongoing communications with COUNTY regarding Services, including updates, emails, calls and reports, as requested. Additionally, PROVIDER will meet with COUNTY as needed or requested.

PROVIDER is responsible for the professional quality, technical accuracy, timely completion and coordination of all Services furnished by or in relation to this Contract and respective scope of work agreements.

PROVIDER represents and warrants that its Services shall be performed within the limits, standards and requirements provided by the COUNTY, in a manner consistent with the level of care and skill ordinarily exercised by similar providers under similar circumstances at the time the services are performed.

forth in Exhibit A, subject to any additional requirements deemed necessary by the County Engineer.

XVII. Termination of Services. The COUNTY or PROVIDER may terminate this Contract, or any and all scope of work agreements executed hereunder, with or without cause or reason, by giving thirty (30) days written notice of such to the other party. Upon receipt of such notices, PROVIDER shall discontinue its respective work to the extent specified in the notice.

In the event of termination, the COUNTY shall pay PROVIDER for Services satisfactorily rendered, and the COUNTY shall pay for any expenses deemed by COUNTY to be a reimbursable expense incurred pursuant to this Contract and respective scope of work agreement prior to the date of termination.

XVIII. Compensation Limited. The compensation to be paid to the PROVIDER shall be as provided in this Contract and each respective scope of work agreement, and such compensation shall be the full compensation for all work performed by PROVIDER. Any and all additional expenditures or expenses of PROVIDER not listed in full within this Contract or respective scope of work agreement shall not be considered as a part of this Contract or scope of work agreement, and shall not be demanded by PROVIDER or paid by COUNTY. Provided, however, that penalties and/or incentives may be provided for in respective scope of work agreements at the discretion of the County Engineer, and provided further that any such incentive shall not cause total compensation to PROVIDER under any scope of work agreement to exceed the \$100,000.00 limitation imposed pursuant to Baldwin County Policy #9.10.

XIX. Direct Expenses. Said compensation shall be all inclusive, including without limitation, reimbursement of all cost, incidentals and operating expense associated with those directly engaged in performance of the requested services.

Payment shall be made by the COUNTY within sixty (60) days of the approval of the invoice submitted by the PROVIDER. The COUNTY agrees to review and approve invoices submitted for payment in a timely manner.

XXI. Start and Termination Dates. This Contract shall be effective immediately upon the same date as its full execution, but the parties' performance obligations under this Contract shall not commence until May 1, 2026 ("Start Date"). This Contract shall terminate upon the earlier of (i) the expiration of thirty-six (36) months from the Start Date or (ii) a written notification of termination as set forth above. Provided, however, that any scope of work agreement properly executed within the term of this Contract shall remain valid and effective pursuant to the terms of such scope of work agreement if the time for performance of such scope of work agreement does not exceed thirty-six (36) months and so long as such scope of work agreement is not otherwise terminated by either party as provided for herein.

XXII. Force Majeure. The Parties hereto shall incur no liability to the other if performance becomes impossible or impracticable by reason of an event or effect that the parties could neither have anticipated nor controlled. Any costs that would otherwise be incurred and/or necessitated by the provisions herein shall be alleviated for either party by such event or effect.

XXIII. Indemnification and Insurance. PROVIDER shall indemnify and hold the COUNTY and its commissioners, officers, directors, employees, representatives and agents (collectively herein, "COUNTY") harmless from and against any and all claims, demands, liabilities, damages, losses, judgments, costs and expenses including, without limitation, reasonable attorneys' fees and costs, for any and all personal injury (including death), property damage or any other damage or injury of any kind or nature whatsoever, incurred by, asserted against, or imposed upon COUNTY, to the extent caused by the negligent acts, errors or omissions, wanton conduct, recklessness or intentional wrongful acts of the PROVIDER arising from or related to this Contract, the respective scope of work agreements, or the services to be provided thereunder. This indemnification shall survive the termination or expiration of this Contract. Further, PROVIDER shall have and maintain throughout the term of this Contract, and all such scope of work agreements, adequate professional liability insurance and general liability insurance in such amounts as may be determined by the County Engineer. Except as otherwise required or modified in writing by the County Engineer or in a scope of work agreement, the minimum insurance requirements shall be as set forth in the attached Exhibit B.
