To Whom It May Concern:

In reference to building a covered batting cage at the sports complex on Breman Road in Elberta, Alabama, for Elberta High School, we ask that you waive the permit fees on the construction of the covered batting cage. The permit number is BPC24-000343. This project is needed for us to provide a safe environment for our baseball and softball teams.

Thank you for your consideration.

Sincerely,

Branton Bailey, Principal
