The first Contract Extension for Transportation Services of Human Remains for the Baldwin County Coroner is set to expire July 18, 2024. The attached contract included an option to extend for an additional two (2) twelve (12) month contract periods, if the Vendor agrees, at the same prices and terms as the original contract award.

Baldwin County would like to extend the contract through July 18, 2025.

Please let me know if Coastal Body Removal & Transportation, LLC, agrees to the second contract extension at the same prices and terms of the original contract award dated June 21, 2022. If in agreement, the new expiration date will be July 18, 2025.
