**Subject:** Bike MS: Tour de Beach 2025 Rest Stop

Hello Missy,

Happy Wednesday! My name is Katie Hauritz and I am working on the Bike MS: Tour de Beach event scheduled to take place Sept. 27-28, 2025. The reason I am reaching out is to request that we can again use Mullet Point Park as our lunch rest stop for cyclists during the event. Cyclists are fundraising for the National MS Society, raising money for programs and services for those living with MS, and to fund research to find the cure. Thank you for your past support!!

As of now, we are planning on the same route and similar timing for the event:

**Sat. 9/27:**

8:00am: Set up

8:45am – 11:15am: Riders visit rest stop

11:15am – 11:45am: Clean up, volunteers depart

Are there any permit apps or other forms I need to fill out? I am happy to do so and provide any other documentation you may need. I've also attached a site map for the rest stop.

Thank you so much for your help!

All the best,

Katie
