13. **Entire Agreement:** This Agreement represents the entire and integrated agreement between County and City and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by the parties.
14. **Both Parties Contributed Equally to the Agreement.** This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by counsel for one of the parties, it being recognized that both County and City have contributed substantially and materially to the preparation of this Agreement.
15. **Failure to Strictly Enforce Performance:** The failure of either party to insist upon the strict performance of any of the terms, covenants, agreements and conditions of this Agreement shall not constitute a default or be construed as a waiver or relinquishment of the right of a party to thereafter enforce any such term, covenant, agreement or condition, but the same shall continue in full force and effect.
