**Re: Construction of Magnolia Sanitary Landfill
Gas Collection System Expansion
Phase 3 Expansion**

We have reviewed the bids that were received May 22, 2018 for the referenced project and have determined that the apparent lowest bidder, Advance One Development, LLC does not currently hold the appropriate license classifications to perform the work. Therefore, we recommend that the contact be awarded to the second lowest bidder as follows:

**Stearns, Conrad and Schmidt, Consulting Engineers, Inc.
DBA SCS Field Services ----- \$497,500.00**

If you should have any questions or need any additional information, please feel free to give us call.

Sincerely,

CDG Engineers & Associates, Inc.
