Baldwin County Commissioners,

I am making preparations for the Annual Memorial Day Tribute at the Alabama State Veterans Memorial Cemetery. A day of remembrance and celebration of our Veterans and their families' sacrifices. The many sacrifices endured while serving our Great Nation. I invite each of you to attend one, or both of these great events Memorial Day weekend. The formal program on Memorial Day, Monday May 26, 2025, at 11 am. And ahead of the Memorial Day program, we have a short ceremony and the placement of an American flags at each gravesite in the Cemetery, at 10 am on Saturday May 24, 2025. We always welcome our local scouts, volunteers, and surviving relatives in this poignant act of remembrance. Your presence would be a very welcome addition.

I sincerely thank and commend the Baldwin County Commission, and Commissioners for supporting these events every year this solemn community remembrance has taken place. Each year the Commission has generously offered a tent, 200 chairs, a stage, podium, and PA system. Along with a BRATT bus transportation from the neighboring Church Parking lot, to the Cemetery for the physically disabled participants at the Monday, May 26th formal event.

With my personal gratitude and appreciation of the Commissions history of generous support, I respectfully request your consideration to continue said support of this significant public celebration for our community.

Thank You all for your consideration and dedication to our community.

Best regards,

Joseph S. Buschell
Cemetery Director
