2. FUND

The terms Fund and Fund's shall mean the Association of County Commissions of Alabama Liability Self-Insurance Fund, Inc.

TO: 7/1/2025
TERM: 6 Months

4. COVERAGE TERRITORY

This Coverage Document covers COVERED PROPERTY in The United States of America and Canada.

5. COVERAGE PROVIDED

The coverage provided under this Coverage Document applies to property described on the Schedule of Values or covered under the terms and conditions of the AUTOMATIC COVERAGE (NEWLY ACQUIRED), ERRORS AND OMISSIONS, or MISCELLLANEOUS UNNAMED PROPERTY provisions, unless otherwise provided.

6. LIMITS OF LIABILITY

The Fund's maximum Limit of Liability in a single **Occurrence** regardless of the number of COVERED PROPERTY or coverages involved will not exceed the total value reported to us in the Schedule of Values.

In the event of a loss hereunder, the LIMITS OF LIABILITY shall be limited to the lesser of the following:

1. The actual adjusted amount of loss, less applicable deductible(s);
2. 100% of the value listed for COVERED PROPERTY listed on any Agreed Value Endorsement, less applicable deductible(s);
3. 125% of the real and personal property values combined, inclusive of property in the open, for each reported Location on any Property Schedule, less applicable deductible(s). Location shall mean each individual line item reported on the latest Property Schedule or other statement of values on file with the Fund. However, this limitation shall not apply to coverages provided within the Declarations and Property Coverage Document as respects to Property and Time Element coverage extensions where values for such are not reportable including, but not limited to, Demolition, Increased Cost of Construction, Debris Removal, Accounts Receivable, Valuable Papers and Records, Decontamination Costs, Extra Expense, et al., and as further described within the Coverage Document; or
4. The Limit of Liability shown in these Declarations or endorsed or scheduled onto this Coverage after inception.

The terms and conditions in this Document, including the Sublimits below, constitute the program as a whole for the Member. The Sublimits stated below are a part of, and do not increase, any LIMITS OF LIABILITY of the program.

The following Sublimits apply on a per **Occurrence** basis unless otherwise stated.

Each sublimit stated in these Declarations applies as part of, and not in addition to, the overall limit for an occurrence covered hereunder. Each sublimit is the maximum amount potentially recoverable for all covered loss, damage, expense, time element or other insured interest arising from or relating to that aspect of the occurrence, including but not limited to type of property, construction, geographic area, zone, location, or peril.

If covered under the Coverage Document, any sublimit for **Earthquake, Flood, or Named Storm** is the maximum amount potentially recoverable for all covered loss, damage, expense, time element or other insured interest arising from or relating to such an occurrence. All other Sublimits are a part of, and do not increase the **Earthquake, Flood, or Named Storm** Sublimit.

Further, if **Flood** occurs in conjunction with a **Named Storm** or **Earthquake**, the **Flood** sublimit applies within and erodes the sublimit for that windstorm, named storm, named windstorm, earthquake, or earth movement.

When a Sublimit is shown as applying as an annual aggregate, the Fund's maximum limit of liability will not exceed such limit during any COVERAGE DOCUMENT PERIOD regardless of the number of COVERED PROPERTY and coverages involved.

9. DEDUCTIBLES

In each case of loss covered by this Coverage Document, the Fund will be liable only if the Member sustains a loss in a single **Occurrence** greater than the underlying limit or the applicable deductible specified below, and only for its share of that greater amount.

A. Named Storm

Property consisting of **Vehicles** and **Mobile Equipment** shall not be subject to the deductible for **Named Storm** in **Tier One Counties**.

For COVERED PROPERTY wholly or partially situated in **Tier One Counties**, the deductible shall be 3% of the value, per the VALUATION clause of the LOSS ADJUSTMENT AND SETTLEMENT section of the Document, of the COVERED PROPERTY as of the date of the loss at the COVERED PROPERTY where physical damage occurred and for which the Member is making a claim for loss. If the claim as respects Losses from a **Named Storm** involves loss or damage at more than one COVERED PROPERTY, the deductible amount shall be calculated separately for each COVERED PROPERTY suffering loss or damage and applied separately to the adjusted loss at each COVERED PROPERTY, but in no event, shall the total deductible to be applied to a single **Occurrence** with respect to such losses be less than the minimum amount of \$100,000, for all such loss or damage at all COVERED PROPERTY, and coverages, combined.

As respects **Named Storm** losses in all other counties, a \$50,000 deductible per **Occurrence** for all COVERED PROPERTY and coverages, combined, shall apply.

As respects buildings or structures wholly or partially situated in a **Special Flood Hazard Area**, the following deductibles shall apply separately for loss from the perils of **Flood** or **Storm Surge** resulting from a **Named Storm**:

- 1) for all coverages covered against under this Coverage Document, if the Member purchases coverage from the National Flood Insurance Program, the deductible shall be the greater of the amount of recoverable from the National Flood Insurance Program or the **Actual Cash Value**, not to exceed \$500,000. This deductible shall apply for each building or each structure for real property, and contents at each building or each structure.
- 2) for all coverages covered against under this Coverage Document, if the Member does not purchase coverage from the National Flood Insurance Program, or the property is not eligible for coverage from the National Flood Insurance Program, or in the event the National Flood Insurance Program lapses or is discontinued, the deductible shall be \$500,000 at each building or each structure for real property, \$500,000 for contents at each building or each structure, and \$500,000 each for any other COVERED PROPERTY.
- 3) If the community is participating in the Emergency Program under the National Flood Insurance Program, \$500,000 as noted within this Section A. (1) is replaced with \$100,000. If the property is eligible for coverage in the Emergency Program, \$500,000 as noted within Section A. (2) is replaced with \$100,000.

However, these deductibles shall not apply to COVERED PROPERTY located outside of an area designated as a **Special Flood Hazard Area** nor to ensuing physical loss, or damage or destruction not otherwise excluded herein. Further, the deductibles described

under paragraphs (1), (2), and (3) above shall apply individually and supersede the "two or more deductible provision" under the Deductible Conditions of the Declarations.

B. Flood

Property consisting of **Vehicles** and **Mobile Equipment** shall not be subject to the **Special Flood Hazard Area** deductible detailed below.

As respects buildings or structures wholly or partially situated in a **Special Flood Hazard Area**, the following deductibles shall apply separately for loss from the peril of **Flood**, as covered and defined under the National Flood Insurance Program:

- 1) for all coverages covered against under this Coverage Document, if the Member purchases coverage from the National Flood Insurance Program, the deductible shall be the greater of the amount recoverable from the National Flood Insurance Program or the **Actual Cash Value**, not to exceed \$500,000. This deductible shall apply for each building or each structure for real property, and for contents at each building or each structure.
- 2) for all coverages covered against under this Coverage Document, if the Member does not purchase coverage from the National Flood Insurance Program, or the property is not eligible for coverage from the National Flood Insurance Program, or in the event the National Flood Insurance Program lapses or is discontinued, the deductible shall be \$500,000 at each building or each structure for real property, \$500,000 for contents at each building or each structure, and \$500,000 each for any other COVERED PROPERTY.
- 3) If the community is participating in the Emergency Program under the National Flood Insurance Program, \$500,000 as noted within this Section B. (1) is replaced with \$100,000. If the property is eligible for coverage in the Emergency Program, \$500,000 as noted within Section B. (2) is replaced with \$100,000.

However, these deductibles shall not apply to COVERED PROPERTY located outside of an area designated as a **Special Flood Hazard Area** nor to ensuing physical loss, or damage or destruction not otherwise excluded herein. Further, the deductibles described under paragraphs (1), (2), and (3) above shall apply individually and supersede the "two or more deductible provision" under the Deductible Conditions of the Declarations.

For all other Flood losses, the deductible shall be \$50,000.

C. Earthquakes

For all losses due to Earthquakes, the deductible shall be \$50,000.

D. All Other Perils

As respects losses from any other peril, the following deductibles per **Occurrence** for all COVERED PROPERTY and coverages combined shall apply unless a different deductible is stated on any Schedule of Values:

- | | |
|-----------------------------------|---------------------------------|
| 1. To Any Vehicle | <u>\$5,000/\$40,000</u> |
| 2. To Any Mobile Equipment | <u>\$10,000</u> |
| 3. To Any Watercraft | <u>N/A</u> |
| 4. To Any Fine Arts item | <u>\$1,000</u> |
| 5. To Any Other Covered Loss | <u>\$1,000/\$5,000/\$10,000</u> |

Two or More Deductibles

In the event of any **Occurrence** resulting in loss or damage covered against under this Coverage Document for which two or more deductibles apply, the total deductible shall not exceed the single largest deductible applicable to the **Occurrence**.

However, in any **Occurrence** where loss or damage is caused by more than one peril covered against under this Coverage Document, the Member shall have the right to separate the loss amount by peril for the purposes of application of the deductible(s) specified in this section, notwithstanding the above reference to two or more deductibles.
