

30 Cubed Project #4
Intergovernmental Agreement
Between
Baldwin County Commission & City of Spanish Fort
for
Old Hwy 31 Roadway & Pedestrian Improvements

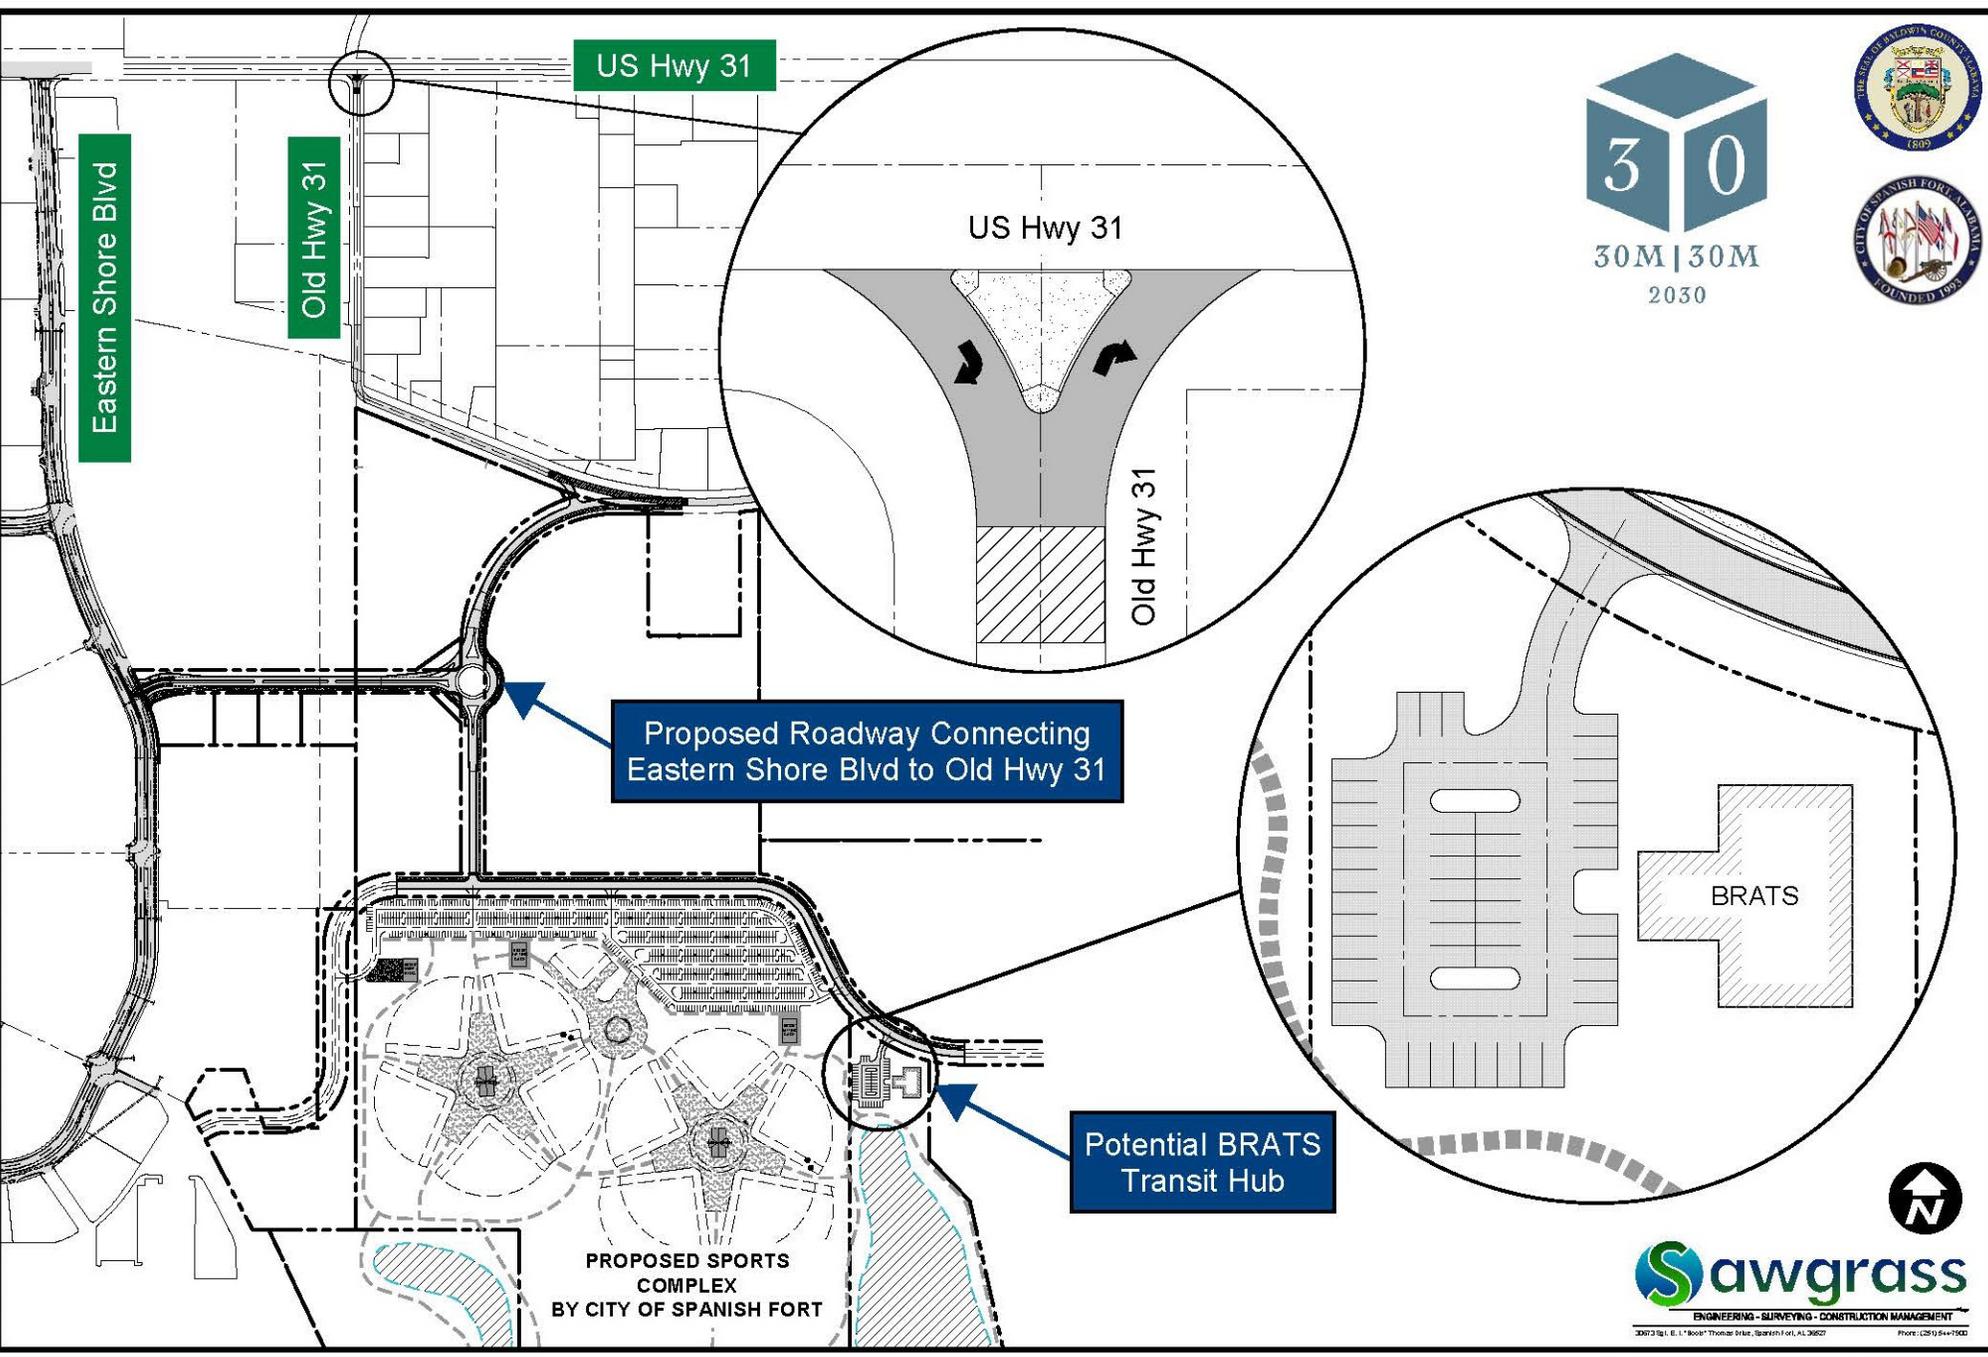

- ▶ The County and Spanish Fort have determined various transportation improvements are warranted between Eastern Shore Boulevard and Old Hwy 31 to improve roadway capacity and connectivity.
- ▶ The project will provide for the construction of approximately one mile of new roadways and pedestrian improvements, a roundabout, access management, and the reservation of land for a potential BRATS transit hub.
- ▶ The existing intersection of US Hwy 31 & Old Hwy 31 will be converted to a right-in and right-out only.
- ▶ The total estimated cost of the Old Hwy 31 Improvements project is \$7.1M with the City funding \$3.55M, and the County funding \$3.55M.

Project Scope

**Existing
US Hwy 31
&
Old Hwy 31**

**Proposed
US Hwy 31
&
Old Hwy 31**

- ▶ The County Commission is designating thirty million dollars (\$30M) to be matched with thirty million dollars (\$30M) in municipal funding.
- ▶ The goal is to have \$60 Million in transportation projects Constructed, under Construction, or under Contract by 2030.
- ▶ \$30M by County, \$30M by Municipalities, by 2030 is the 30 Cubed Program.
- ▶ The 30 Cubed Program is in addition to all the current County Highway Department roadway programs already in place.
- ▶ The 30 Cubed Program is locally funded and aimed at fostering partnerships with municipalities to enhance capacity and connectivity of the local roadway systems.
