Adam and Susan,

In Brian's absence, can you read the email below and let me know if this is something you can assist with.

I am trying to get the Voice Transport moving for the Bay Minette Side of the equation.

Let me know if you have any questions.

Brian,

I have found out why the Robertsdale order went through Order Management faster than the Bay Minette order.

Order Management has pushed back on one line item. The NEW Voice Transport needed was placed on a Renewal Order the last time it went through.

So, I have two requests. Please have the \$0 dollar NEW Voice Transport Signed that goes to the Bay Minette Annex IV location, and then on the previously signed Service Order, please make a single line through the items shown below and initial.

On page 1 of the pdf., line out the line item below and initial.

Let me know if you have any questions. Once I have these back, I can get our Voice team the orders they need to create the new Voice Transport.

Thank you.

Quantity	Service	CPE Location A	CPE Location Z	Unit Monthly Charge	Unit One-Time Charge	Extended Monthly Charge
1	Voice Transport	Baldwin County Commission Annex IV	Uniti Fiber Voice	\$0.00	\$0.00	\$0.00
