Re: HW25106 County Rd 68 Pedestrian Safety Improvements 900 ft East of BBE  
BALDWIN COUNTY  
AREA 200

Dear Commissioners:

My office has thoroughly reviewed the bids taken on January 6<sup>th</sup>, 2026, for the above referenced project.

Two (2) bids were received, of which PL Russell LLC., was the lowest bidder with a bid of \$119,817.62.

Each bid package has been reviewed for the inclusion of the appropriate bid bond and errors.

No errors were found.

Based on this information, The Assistant County Engineer, Mark Acreman, is requesting that the Commission reject the bids received because the bid amounts exceed the budgeted amount approved by the Commission in the FY2025 budget. The Commission budgeted \$54,200.00 of Department funding for this project. The lowest bid amount received was \$119,817.62.

If you have any questions or comments, please give me a call at 251-937-0371.

Sincerely,

Mark Acreman, P.E.  
Assistant County Engineer
