(Grade, Drain, Base, Pave & Traffic Signals)
Special Projects
Bid Award Recommendation

Dear Commissioners:

My office has thoroughly reviewed the bids taken on June 27, 2024, for the above referenced project. Five (5) bids were received of which Newell Roadbuilders, Inc., was the lowest responsible bidder with a bid amount of \$5,055,731.63.

Each bid package has been reviewed for the inclusion of the appropriate bid bond and errors. The following errors are noted:

1. Harwell & Company made a mathematical error of (-\$117,611.00) which decreased their bid price.

These errors did not change the overall outcome of the lowest responsible bidder.

Based on this information, it is my recommendation that the Baldwin County Commission award this contract to Newell Roadbuilders, Inc.

If you have any questions or comments, please give me a call at 251-937-0371.

Sincerely,

MARK ACREMAN, P.E.
ASSISTANT COUNTY ENGINEER
