Re: Paving Project at Bay Minette Transfer Station

Dear Mr. King:

We are in receipt of your correspondence related to the paving project at the Bay Minette Transfer Station. We are very appreciative that the Baldwin County Highway Department can perform this project for SWDA. It is understood that SWDA will be responsible for purchasing materials and reimbursement of the County's actual labor cost. It is also understood that County's equipment cost will be donated. We would like to thank you for your time and effort on this. Please contact me at your convenience to schedule to the work.

Sincerely,
