## Pricing Proposal Notes:

\*Any overtime will be billed at the Hourly Rate times 1.5. Overtime is not to be included in the rates above.

\*\*These hours are not intended to represent the actual contract amount but are an estimated representation of a typical work week. The actual contract value will be negotiated with the successful proposing agency prior to issuance of the Notice to Proceed for each event.

1 Assumptions to Typical Work Week: Estimated 10-hour working day. Average of 10 debris contractor crews, Two (2) debris management sites, Rotation of 1:5 for field supervisors to field monitors

2 Duplicative management position not necessary to complete the scope of work requested by the County, therefore will not be charged to the County. Field supervisors will complete tasks associated with the Supervising Monitors position.

3 Position not necessary due to efficiencies of our Automated Debris Management System (ADMS), therefore position will not be charged to the County.
