Re: Baldwin County Resurfacing Project FY 2025: Group 2  
BCR-2025-2  
BALDWIN COUNTY  
AREA 100, and 200

Dear Commissioners:

My office has thoroughly reviewed the bids taken on March 26<sup>th</sup>, 2025, for the above referenced project.

Five (5) bids were received, of which Ammons and Blackmon Construction, LLC., was the lowest bidder under Alternative 2 (All labor only) with a bid of \$ 556,976.50. The estimated cost of the asphalt is \$1,330,673.88, bringing the estimated total project cost to be \$1,887,650.38. The total cost for BCR-2025-2 was estimated to be around \$2,262,185.00

Each bid package has been reviewed for the inclusion of the appropriate bid bond and errors.

APAC Alabama Inc. did not provide the addendum that was issued to this project in their proposal; therefore, their bid could not be calculated. This resulted in APAC Alabama's bid to be rejected.

Ammons and Blackmon Construction LLC. had an error in their bid calculation resulting in the increase of their bid by \$4,546.50. This did not change the outcome of the lowest bidder.

Based on this information, it is my recommendation that the Baldwin County Commission award this contract to Ammons and Blackmon Construction, LLC.

If you have any questions or comments, please give me a call at 251-937-0371.

Sincerely,

Mark Acreman, P.E.  
Assistant County Engineer
