January 28, 2025

Baldwin County Commission
322 Courthouse Square
Bay Minette, AL 36507

Dear Chairman McKenzie,

Writing as the Chairman of the Baldwin County Legislative Delegation, it is the unanimous intention of the Baldwin County Legislative Delegation to request that the following actions be approved by the Baldwin County Commission:

1. Authorizing the extension of the current contract for Monica English as Legislative Clerk ending February 28, 2025 for two years to February 28, 2027 and increasing the compensation to \$39,000 annually per statutory requirement 36-27-8.2 in the Code of Alabama.
2. Authorizing the extension of the current contract for Violetta Smith as Legislative Clerk ending February 28, 2025 for two years to February 28, 2027 and increasing the compensation to \$39,000 annually per statutory requirement 36-27-8.2 in the Code of Alabama.

These contract extension agreements for these key members of our staff will continue to be a great help to our Legislative Delegation members as we enter the Legislative Session in 2025 and will further bolster our continued efforts to offer unparalleled constituent service to the citizens of Baldwin County. As both of these employees are former county commission employees as well, we thank the Commission for letting us continue to employ two women who are the epitome of true public servants that do an excellent job helping the people of Baldwin County.

We would appreciate your approval of these matters and remain thankful for the special relationship that exists between the Delegation and the Commission.

Sincerely,

A handwritten signature in dark ink, reading "Matt Simpson", with a long, sweeping horizontal line extending to the right.

Matt Simpson,
Baldwin County Legislative Delegation Chairman
Representative District 96
