Mr. Peterson,

The Josephine VFD board of directors is requesting the Baldwin County Highway Department to pave the handicap parking space in the grass area near the handicap entrance, pave and stripe the parking lot at the Josephine VFD. We use these spaces during natural disasters for distribution of aid, weekly for training, and when the firehouse is used as a voting precinct.

This letter is to formally agree that we will cover the actual cost of labor and provide all materials for the project.

Thank you again for working with us on this much-needed project.

Sincerely,

A handwritten signature in black ink that reads 'Paul Mueller'.

Paul Mueller,
Chief JVFD
