Good afternoon,

You are receiving this email because you are listed as either the Project Director or Financial Officer for your county's grant with ADECA through the Sheriff's Advancement in Education, Technology, and Training Fund program (formerly Pistol Permit Revenue Loss Fund). This year, we will be doing a one year extension to the current grant instead of new applications. You will not be required to do anything in our grant system to start the extension process. However, the listed Authorizing Official for your grant will need to accept the extension when they receive the email from Adobe Sign. If the listed Authorizing Official is not your current County Commission Chairman, you will need to email me a letter on letterhead stating who the Chairman is and their email address and I will include them in the Adobe Sign so they can accept the award. To check the listed Authorizing Official, follow the steps below:

- Log in to grants.alabama.gov.
- Click Searches at the top.
- Click Applications/Grants.
- Type your County Commission's name in the Organization box (_____ County Commission).
- Click Search on the bottom right of the Document Search box.
- This will bring up a list of grants you have access to. The Sheriff's Advancement in Education, Technology, and Training Fund grant will be 2024-PP-RF-_____. Click the Name of the grant, not the Organization.
- When the grant opens, click the Application Information page on the left of your screen. This page will have then name of the Authorizing Official listed.
