RE: Tour de Lower Alabama Doctors Bicycle Ride

Dear Commissioner McKenzie:

The Fairhope Police Department has been notified of the Tour de LADR bike ride on Saturday, April 11, 2026. It is my understanding that the bicycle ride starts and ends on Beckwith Lane and does come into our jurisdiction at the turn-around point. I would like to formally pass on our approval for the use of our roadways. We have spoken to the Baldwin County Sheriff's Department, and they will provide officers for traffic control.

Thank you for your attention in this matter. If you should have any questions, please contact Lt. Shane Nolte at 251-929-2418.

Respectfully,

Stephanie Hollinghead  
Chief of Police
