Commission and Infirmery Health System, Inc. dated April 1, 2006**

Dear _____:

This letter serves as formal notice that the Baldwin County Commission is terminating the Letter of Agreement between the Baldwin County Commission and Infirmery Health System, Inc. entered into on April 1, 2006. Pursuant to the termination provisions outlined in the agreement, the Baldwin County Commission is exercising its right to terminate the letter of agreement without cause and this correspondence provides the required written thirty (30) day notice. The agreement and all associated obligations will officially conclude on June 20, 2026.

The Baldwin County Commission has an agreement for medical services with SymboCor for detainees in the Baldwin County Corrections Center and the Juvenile Detention Center. The agreement covers arranging off-site and/or specialty services for required medical services, including hospital services. This provision includes the contractor's duty "to use reasonable efforts to further negotiate improved (reduced) rate for such services."

Please contact SymboCor in connection with the negotiation of appropriate rates for medical and hospital services, including without limitation services with SymboCor for detainees in the Baldwin County Corrections Center and the Juvenile Detention Center. Thank you for your partnership and cooperation over the years.

Sincerely,

James E. Ball, Chairman
