Hi All,

I've attached a screenshot of the aerial photo of Live Oak Landing Park with a white dot placed approximately in the area of the mound. There is a dirt road through a metal gate that leads from the paved park road, past frisbee golf baskets, to the mound location. I'll be driving a green Toyota Prius, and can be waiting near that gate before 9 am.

Best regards,
Greg

Good afternoon Billy, Brandy, Felisha, Greg, Larry, Mike, and Rachel! It looks like we are all available at 9am on Monday October 23rd to assess the situation at Live Oak Landing. I will need to leave early for another meeting, but I look forward to seeing everyone there. I am not exactly sure where we are going on site, so I am hopeful Greg or Felisha will provide some details. I look forward to seeing everyone Monday morning! Best, Phil
