Good Afternoon Tammy,

I was given your information by Britteny Lundy and I am in need of a letter from the Sherrif's Office as seen attached in order to fully submit our permit request for Baldwin County. I have linked our event website below. Riders follow all traffic laws, it is not a race, and we hire local PD in each jurisdiction we pass through. The event will take place on 9/28-9/29 of this year starting and finishing at Gulf State Park at Lake Shelby.
