The Honorable Tucker Dorsey
Chair, Baldwin County Commission

RE: BR-0217(250)
BCP 02-45-17
Baldwin County

Dear Chairman Dorsey

We are attaching a copy of tabulations of the bids that were received by the State of Alabama Department of Transportation for the above project at the letting of **July 26, 2019**.

Upon examination, the unit prices of the low bidder seem to be in line with bid prices for comparable work, and the total bid prices for comparable work and the total bid for all the items of work seem reasonable. Consequently, this is to advise you that the Alabama Department of Transportation will make the award of the Contract to **Newell & Bush, Inc., Montgomery, AL**, the low bidder, if it is the wish of the County to do so. **Please send this office an original letter to that effect (copy attached).**

We are sending you an invoice setting out the amount of money that the County will have to send to this office before the award can be made. **Make the warrant payable to the Alabama Department of Transportation.**

The State of Alabama Department of Transportation Standard Specifications require that award of project be made within thirty (30) calendar days after opening of proposals. **Therefore, the County's warrant will have to be furnished to this office not later than, Wednesday, August 21, 2019.**

Sincerely,

D.E. Phillips, P.E.
