

**BID #WG23-21A SPECIFICATIONS**  
**BITUMINOUS ADHESIVE**

Test reports shall be furnished when requested.

All pavement markers shall comply with the latest edition of the Alabama Highway Department Standard Specifications sections 705 and 882.

Adhesives shall comply with the latest edition of the Alabama Highway Department Standard Specifications section 882. Bituminous adhesive used to affix permanent pavement markers to the pavement shall be one of those listed in List V-2 of the Department's manual "Materials, Sources, and Devices with Special Acceptance Requirements."

The adhesive used to affix the temporary markers to the pavement shall be any suitable type of adhesive for the intended purpose, except that in those locations where the markers will be required to be removed, the adhesive shall be a type that will allow for the complete removal of the marker without scarring or disfiguring the pavement.

Separate response pages are provided for: 1. Delivery of the products to Baldwin County at **22220 West Blvd, Silverhill, AL, 36576**, and 2. For Baldwin County to pick up the products from the supplier's warehouse. The amount bid shall be all-inclusive. No additional charges, including, but not limited to, labor, delivery, shipping, etc. may be added to the bid amounts.

Bid will be effective the date of award and end April 19, 2026.
