2. **Grant of Revocable, Non-Exclusive and Temporary License.** Subject to the terms and conditions set forth herein, Licensor hereby grants to Licensee, **Gigapower, LLC**, a revocable, non-exclusive and temporary license (the "License") to enter upon the Property as is reasonably required to **install 1374 feet of cable**. Any exhibits referenced and attached hereto shall be incorporated herein as if fully set forth.

4. Term of License (Installation and Maintenance). The term of the License for Installation and/or Maintenance shall commence on the date of full execution of this Agreement. The term for installation, unless sooner terminated, shall automatically terminate and expire at 11:59 p.m. on **February 28, 2026**. Maintenance shall be **indefinite** according to the terms of this Agreement, or until modified by written agreement with Licensor.

5. Condition of License Area: Assumption of Risk. Licensee accepts the Property in its "WHERE IS", "AS IS", condition and acknowledges that Licensor has made no representation or warranty to Licensee as to, and has no obligation for, the condition of the Property. Licensee assumes the risk of any latent or patent defects or problems that are or may be on the Property or the improvements thereon. Licensee agrees that Licensor shall not be liable for any personal or property damage, injury or loss on account of any such defects or problems. Licensee for itself and the Licensee Representatives waives and releases Licensor from any and all claims for injury to persons, including death, or damage to any property, whether real or personal, of Licensee or any Licensee Representatives in any way arising out of or related to the Property or Licensee's work contemplated by this Agreement.

6. Compliance. Licensee shall be responsible for obtaining any and all applicable permits. Licensee and the Licensee Representatives shall comply, at Licensee's expense, with all applicable laws, regulations, rules and orders, whether federal, state or local, and any regulation of any governmental body having jurisdiction over the Property with respect to Licensee's work and activities thereon, regardless of when they become effective. Licensee, at its cost, shall obtain any applicable licenses or permits required by applicable laws and regulations for the use of the Property. Licensee shall not use, nor permit the use, of the Property for any purpose in violation of such laws, regulations, rules or orders. Licensee agrees not to use the Property in any fashion which may in any way damage or restrict the same for future use by the public in general as a public right-of-way. Furthermore, said usage as described herein, or the placement of said usage, shall not in any way alter the present or future rights of the Licensor to move, relocate, amend, or otherwise change said travel way to any other location whatsoever. Licensee shall comply with Licensor's safety and security policies deemed to be necessary by Licensor and with such reasonable rules and regulations as Licensor, or its agents, may impose from time to time by notice to Licensee.

7. Public Property. Licensee acknowledges and consents that the Property is public in nature and that the usage hereunder is permissive. Licensee shall not obstruct or otherwise interrupt any rights of the general public to the Property. Licensee makes no claim of private ownership or other possessory interest in the Property subject hereto, and any rights of the Licensee granted by this Agreement are limited to the same extent as that of the general public. Any work performed by Licensee, or any improvements made as a result of the Licensee's work, on the Property is considered to be a benefit to the general public, and the Licensee makes no claim that such work or improvements are privately owned and waives all rights to claims that such work or improvements are private in nature. Licensee further represents and warrants that Licensor, nor any persons using said public access in conjunction with this License, may claim any personal rights in the subject property or any rights of adverse possession.

8. Indemnification. Licensee shall indemnify, defend and hold Licensor and its Commissioners, affiliates, employees, agents, representatives, contractors, subcontractors, licensee and invitees (collectively, "Licensor Representatives") harmless from and against any and all claims, demands, liabilities, damages, losses, judgments, costs, and expenses including, without limitation, attorneys' fees and costs, for any and all personal injury (including death) and property damage of any kind or nature whatsoever, incurred by or imposed upon Licensor or any Licensor Representatives, as a result of any entry upon or activity conducted by Licensee or any Licensee Representative, or any act or omission by Licensee or any Licensee Representative, or in any way arising out of or related to the Property or work contemplated by this Agreement. Licensee shall also assume the responsibility for any claims for damage done to any property due to the exercise, usage and/or presence of the resulting work as a result of this License.

Should Licensee fail, within thirty (30) days after the date of the termination of this License, to make such removal, repair and restoration, Licensor may, at its option, remove said materials, equipment and improvements and complete said repair and restoration at the sole cost of Licensee. Licensee shall reimburse Licensor for such costs within thirty (30) days after request by Licensor.

11. Damage to Property. Licensee agrees to pay for any damage which may arise to buildings, fences, machinery, or other property of Licensor or any third party on or near the Property resulting from Licensee's operations or presence on the Property. Licensee shall reimburse any and all costs related to any and all corrections, changes or improvements deemed to be necessary by Licensor as a result of work performed pursuant to this Agreement or as a result thereof.

12. Standard of Operation: Expenses. Licensee shall conduct all of its operations in a safe and workmanlike manner. All work and activities which Licensee or Licensee Representatives perform at the Property shall be at Licensee's sole risk, cost and expense. All portions of the work performed or improvements installed by Licensee or its representatives pursuant to this Agreement shall be located and performed so as to cause minimum interference with the proper use of the rights of way and with the rights and reasonable convenience of property owners who own or occupy adjacent properties. If during the course of the Licensee's construction, operation or maintenance of the project or improvements, there occurs a disturbance of the Property by Licensee or its representatives, Licensee shall, at Licensee's expense, replace and restore the same to a condition comparable to the condition it was in immediately prior to the disturbance to the satisfaction of Licensor and within the dates specified in any permits authorizing the work.

16. Agency. It is neither the express nor the implied intent of Licensors or Licensee to create an agency relationship pursuant to this License; therefore, any actions of the parties shall not be considered or implied to create such agency.

17. No Waiver. The failure of Licensors or Licensee to insist upon a strict performance of any of the terms, conditions and covenants herein shall not be deemed a waiver of any subsequent breach or default in the terms, conditions and covenants herein contained.

Termination of the License and permission herein granted may be accomplished in writing, or orally. All representations, assurances and indemnity obligations set forth in this Agreement shall survive termination or expiration of this Agreement.
