The McPherson Companies, Inc., (TMC) Variations

* Service fee includes installation of up to 1 new card reader at site specified in the bid invitation. Total expense not to exceed \$8,500. In the event that additional card readers are required, If additional sites are added TMC reserves the right to set an additional site fee to cover cost not anticipated at the time of the bid.

** Taxes quoted are based on current tax rates. In the event that there is an increase to a non-exempt tax or an additional tax is imposed, TMC reserves the right to adjust the total taxes charged to Baldwin County. Taxes quoted apply to transactions within Baldwin County. If fuel is purchased outside the county or outside the state of Alabama additional taxes may apply.

McPherson reserves the right to never bill Customer for any purchase at a price below McPherson's cost to settle with the Card-accepting Merchant and in the event the Customer's price calculates to be below McPherson's cost to settle with the merchant, McPherson's cost shall apply.

**Rack price used in bid tabulation was pulled from 5/8/2025 rack posting.
