To Whom it May Concern:

The race will begin at 8:00 a.m. conclude around 10:00 a.m.

Included along with this request:

1. Proof of insurance
2. Map of the route
3. Letter from Sheriff's office

This race is to benefit a non-profit organization known as Rudy's Hands. Rudy's Hands was begun in 2018. Rudy was a young Guatemalan boy who had struggled with no real place to call home until an American Missionary living in Guatemala took him in. Mike and Sally Megginson, of Fairhope, got involved with his care as well, and loved him as their own son. When he was just 13 years old, he was murdered in Guatemala City, Guatemala. Rudy's Hands now raises funds to help kids just like Rudy in underprivileged Central American countries.

Thank you for the privilege of having this run to benefit this organization.

Sincerely,

Rudy's Hands
