COMMUNITY RATING SYSTEM ANNUAL RECERTIFICATION

Your community has been verified as receiving CRS credit for the following Activities.

- If your community is still implementing these activities the CRS coordinator is required to put his or her initials in the blank (do not use a checkmark or an "X") and **attach** the appropriate items. A blank with no initials indicates you are not implementing that Activity anymore and will result in loss of points (and possible CRS Class).
- If the word "**attached**" is used, you must provide the requested documentation for that Activity. If no documentation has been acquired for that Activity, please explain why there is no documentation from the past year.

DGH 310 EC: We are maintaining Elevation Certificates, Floodproofing Certificates, Basement Floodproofing Certificates, V Zone design certificates and engineered opening certificates on all new construction and substantially improved buildings in our Special Flood Hazard Area (SFHA) and make copies of all Certificates available at our present office location. [] *Initial here is you have had no new construction or substantial improvement in the SFHA in the last year.*

DGH 310 EC: **Attached is the permit list for only new or substantially improved structures in the SFHA that have been completed in the last year.** We have permitted ___ new building and substantial improvements in the SFHA during this reporting period.

DGH 310 EC: **Attached are all the Certificates for new or substantially improved structures that have been completed during this reporting period that are included on the above permit list.** (Note: The total number of Elevation and Floodproofing certificates should match the number of permits issued and completed within the reporting period defined above. All permits issued for new construction or substantial improvement within the V zone should have both an Elevation Certificate and a V Zone Certificate, and all buildings with basements within the basement exemption communities should have both an Elevation Certificate and a Basement Floodproofing Certificate).

DGH 320 MI 1: We are providing basic flood information to inquirers. We also continue to provide the following to inquirers:

DGH 320 MI: **Attached is a copy of the publicity for the credited elements of this service this year.**

DGH 320 MI: **Attached is a copy of one page of the log, or 3 letters if using letters or other like records to document the service.**

DGH 320 MI: We are continuing to keep our FIRM updated and maintain old copies of our FIRM.
