Congratulations! Alabama State Representative Donna Givens has selected the Christmas at Bicentennial Park event as a recipient of one of her 2025 Tourism Legislative Event Grants.

This \$2,600 grant is an effort by the state to help promote and grow local events and introduce new attendees to the activities that happen each year around the state.

To process this grant for your organization, our office needs the following items:

1. Please fill out this application online from the Alabama Tourism Department (I have also attached the pdf if you cannot access the website) This application must be returned to me by March 11.

2. Please make sure your organization is registered in STAARS per the instructions on the pdf above.
3. Please send me a copy of your budget breakdown for this event by March 11.

I know the application says to send your packet back to the office in Montgomery. Please do not do that. My office is gathering all the applications for all of our Baldwin County legislators and sending them to the Tourism Department as a single packet.

Please send your application and your budget to me at this email by March 11. Our office will add the support letter from Rep. Fidler to your packet and submit it to the Tourism Department.

Any applications not received by March 11 will be forfeited and awarded to another local event. Please reach out to me if you have any questions!

Thank you and congratulations!  
Allison
