Project Skyfall Project Amend- ment -Amendment 750/772 Legal Notice

Notice is hereby given that the Baldwin County Commission (the "County Commission") of Baldwin County, Alabama (the "County") will meet in public session at 10:00 a.m. on Tuesday, September 16, 2025 at the Baldwin County Fairhope Satellite Courthouse in the County Commission Chambers on the 2nd Floor located at 1100 Fairhope Avenue, Fairhope, Alabama, 36532, for the purpose of consideration of the transaction of any business that may properly come before the County Commission; such business to include the authorization by the County Commission pursuant to Amendment No. 750 and/or 772 of the Constitution of Alabama of 1901, as amended, of a resolution (the "Resolution") authorizing the execution and delivery of a First Amendment to Project Agreement by and among Novellis Corporation (the "Company") and the County, the City of Bay Minette, The Utilities Board of the City of Bay Minette d/b/a North Baldwin Utilities, and Baldwin County Economic Development Alliance, Inc., as more particularly described hereinbelow (the "Amended Agreement"), for the purpose of promoting the economic and industrial development of Baldwin County. The Amended Agreement will be executed and delivered by the Company to the County.

The Company and the County wish to amend that certain Project Agreement dated as of July 28, 2022 (the "Project Agreement"), as the Company constructs, equips, and will eventually operate a fully integrated, greenfield advanced flat-rolled aluminum products plant (the "Facility") on an approximately 2,000 +/- acre parcel of land located near Highway 287 and I-65 in Baldwin County (the "Site"), wherein the Company will construct improvements and purchase equipment to enable the Company to conduct aluminum recycling, processing, rolling, finishing, and related operations, and wherein the Company is expected to employ as many as one-thousand (1,000) full-time employees, earning an average hourly wage of at least thirty-one dollars and twenty-five cents (\$31.25), exclusive of fringe benefits, with a total capital investment in constructing and equipping the Facility estimated to be between three billion eight hundred million dollars

(\$3,800,000,000.00) and four billion one hundred million dollars (\$4,100,000,000.00) (the "Project") within the timelines and subject to certain payment and performance obligations of the Company as provided in the Amended Agreement. The Company will continue to be a direct beneficiary of the Amended Agreement.

Pursuant to Amendment No. 750 and/or 772 of the Constitution of Alabama of 1901, as amended, and the Project Agreement and Amended Agreement, for the purpose of economic development of the County, the County will expend certain funds of the County benefitting the Company in consideration of certain capital expenditures incurred directly by the Company in constructing, equipping, and operating the Project to be located in the County.

As described in the Amended Agreement, the Project Agreement will be amended to reflect: (1) an increase of the Company's total capital investment to three billion eight hundred million dollars (\$3,800,000,000.00) or more; (2) a change of the Commencement of Operations date to the fifty-first (51st) calendar month following the Commencement of Construction; (3) one-year extensions to each respective Jobs Target Date; (4) updates to the terms and parameters regarding the Company's collaboration with BCE-DA and the Industrial Development Board of the City of Daphne in the creation and development of Prospect Park (formerly the Daphne Innovation + Science Center Complex); (5) a change in the delivery date of the Rail Improvements to March 31, 2026; (6) the retention by the County of 1 Mill of the County-levied ad valorem tax; (7) a change of the Reporting Years of the Jobs Maintenance Period to three years; and (8) updates to defined terms pursuant to the Amended Agreement.

The Amended Agreement will be issued and delivered by the County pursuant to Amendment No. 750 and/or 772 to the Constitution of Alabama of 1901, as amended. The Amended Agreement will be effective as of the date stated in the preamble of the Amended Agreement.

The County seeks to achieve, by undertaking its obligations pursuant to the Amended Agreement and Project Agreement, to continue to advance the economic development of the County, to increase employment in the County, and to promote and develop for the public good and welfare trade, commerce, industry, and employment opportunities in the County; and to promote the convenience, order, prosperity, and welfare of its citizens. The increased property values, increased tax revenues, additional economic activity, creation of new jobs, and the other benefits described herein will directly benefit the County and serve a valid and sufficient public purpose. The County proposes to grant public funds to the Company for the benefit of the County.

Cont. to Back

The County Commission expects to determine at its public meeting, or any continuance or holdover thereof, that the grant of funds in connection with the transaction described above will serve a valid and sufficient public purpose, notwithstanding any incidental benefit accruing to the Company or any other private entity or entities.
