IN RE: Planning and Zoning District 11 Election

Commissioners:

We have looked at the Zoning District 11 area and have run the voters list and determined that there are approximately 1,951 active voters. There were only 178 names on the petition that could be certified. The petition must be signed by at least 10% of the registered voters in the district.

Therefore the petition has failed to meet the necessary required signatures to have a referendum at this time.

Respectfully submitted,
