Subject: Baldwin Co EMA Recommendation: Disaster & Victim Services

Dear Chairman Ball,

Disaster & Victim Services is requesting recognition by the Baldwin County Commission to become eligible to draw surplus equipment from the Alabama Department of Economic and Community Affairs (ADECA) warehouse.

Disaster & Victim Services received IRS exemption under 501(c)(3) in 2011 and is an all-volunteer organization. Disaster & Victim Services has capability to provide a myriad of critical services to the residents of Baldwin County following a disaster.

I have reviewed the packet submitted to the commission and am fully satisfied with its completeness and adherence to the Commission's requirements, including membership in good standing with the Alabama Association of Rescue Squads. I concur with their request for Commission recognition.

If you have any questions, please feel free to contact me at (251) 525-6556 or via email at tom.tyler@baldwincountyal.gov.

Sincerely,

Tom Tyler
