**RE: Baldwin County Commission Water Extension & Rehab Project
PY 2018 CDBG County Funds Application**

Dear Mr. Boswell:

Enclosed you will find one original and two copies of the Baldwin County Commission's grant application to ADECA requesting \$350,000 in PY 2018 CDBG County Funds. The County is requesting these funds in order to rehabilitate and extend public water services to a community near Lillian. This community is located in rural southern Baldwin County and consists of mostly low to moderate income residents. The Perdido Bay Water Sewer and Fire (PDWSF) Protection District will provide \$378,300 in matching funds towards this project. The PDWSF will provide long-term operation and maintenance costs of the new facilities.

On behalf of these citizens, and the Baldwin County Commission, I hope that you will give this application your sincere consideration. If you require any further information, please feel free to contact Mr. Mark Bohlin, PDWSF General Manager, at (251) 987-5816.

Sincerely,

FRANK BURT, JR., Chairman
Baldwin County Commission
