### Food Permit Exclusion

This letter is to confirm that Tardeada Baile located at 14338 Magnolia Creek Drive does not currently require a food service permit from the Alabama Department of Public Health because they are operating under 24 hours and are having food catered to the event from permitted food establishments.

The items below are suggested food safety practices that you should use:

- Refrigeration units shall be maintained at 41°F or below.
- Practice frequent handwashing and maintain a high level of personal hygiene.
- Garbage shall be disposed of appropriately and in a sanitary manner.
- Keep toxic items and all medications away from food preparation areas.
- Use only commercially processed and store-bought foods for service.
- Overhead protection, such as umbrella or tent to protect food from overhead contamination.

If you should need further assistance or have questions pertaining to food service establishment permits and health regulations, please feel free to call the Baldwin County Health Department at (251) 947-3618.

Sincerely,

Ashleigh Hall
