Subject: Request for Use of the Auditorium for a Forum

Crystal,

The Board of the LWVBC would like to change the date and time of our request to Thursday, September 27, from 5:30 pm to 7:30 pm. We realize that this is still after usual hours for the building.

Please notify me as soon as possible if this date is not available.

Thanks for your help.

Subject: Request for Use of Auditorium on 9/22/18

Dear Crystal,

The League of Women Voters of Baldwin County is a not-for-profit organization that disseminates information on voter registration and voting rights. We are nonpartisan and never endorse political parties or candidates.

We would like to use the auditorium of the Government building in Robertsedale on September 22 from 1:00 pm to 5:00 pm for an opportunity to Meet the Candidates and a Forum.

The event will be open to the public. We will invite all candidates on the ballot in November to attend to meet the voters. We will also ask candidates for selected offices to participate in a moderated forum and answer preselected questions. We are waiting for results of the primary to determine which candidates will be invited to speak.

We would like to serve coffee, iced tea and cookies. Naturally, we would be responsible for clean up.

If you need further information, please contact me via email, lswitzky@hotmail.com or call me at 251-644-5882 (home) or 815-761-3481 (cell).

Thanks for your consideration of our request.
