I did, I apologize. It's graduation week!

The event will be held on November 21st at Live Oak Landing. This will be our Inaugural Jambalaya Cookoff to serve as a fundraiser for Baldwin County High School. The funds will be used to support the general operation of the school to include mainly student rewards, teacher appreciation, and some campus improvements. The event time will be gates open at 11 am and should end around 3. The request is coming on behalf of myself as the principal. There is the potential for up to 120 competitors and then the general public arriving to support. Rough estimate, maybe 300 people. This depends on the success of the event. I am also attaching a flyer for the event.

Please let me know if you need anything else.
