YFF DAY 2026 – Agenda Request  
Your Family First Community Mental Health Awareness Event

Dear Board of Commissioners,

I am respectfully requesting to be placed on the upcoming Board of Commissioners meeting agenda to present YFF Day 2026 (Your Family First), a community event centered on mental health awareness and family unity.

YFF Day 2026 will take place on Saturday, July 25, 2026, in Lillian, Alabama. The official community event will be held from 2:00 PM to 5:00 PM, followed by continued fellowship activities including music, food, and games until 9:00 PM.

This event is being organized by Tamika Wright, CEO of The Smarties Agency, LLC, in partnership with community supporters and volunteers. YFF (Your Family First) is designed to bring families and community members together in a safe, positive environment while also addressing important issues that impact our communities.

This year's event will specifically focus on mental health awareness. This mission is deeply personal, as it is held in honor of my brother, Henry Jerome Evans Sr., whose life was lost on July 25, 2025. Through this event, we aim to promote awareness, encourage open conversations, and connect families with resources and support related to mental health.

The event will include family-friendly activities, community engagement opportunities, and resource awareness initiatives designed to educate and uplift attendees of all ages.

We are also seeking community partnership and support, including:

- Collaboration with a local radio station to help promote the event
- The presence of at least one Sheriff's patrol unit during the hours of 2:00 PM – 5:00 PM
- Emergency support presence, including an ambulance and fire truck, to ensure the safety and well-being of attendees

Please note that we have secured general liability insurance.

Thank you for your time and consideration. I look forward to the opportunity to present this important community initiative.

Sincerely,  
Tamika Wright  
CEO, The Smarties Agency, LLC
