Ashley:

I am going to step down. I have too many irons in the fire and feel that I am not able to dedicate the time I should to the committee. I have spoken to Annelise and Evan about replacing me. They both had interest, so I will talk to them again on Monday and see which one I will recommend to take my place.

Paige,

First, I would like to thank you for the last three

years of service to the County. We truly appreciate all of the time and effort you have put towards environmental protection. It is hard to believe that the EAC has been re-established for 3-years and that your 3-year term is approaching its end. The Commission would like to know if you wish to continue your service for an additional 3 years. If so, I will recommend you for reappointment in April. If possible, please let me know if you would like to continue your service no later than March 15.

Thanks again for your service,

Ashley Campbell
