Message: Good morning! My name is Justin Cooley and I am inquiring about the blacksmith shop that is at the Bicentennial Park. I am the Forgemaster elect for the South West Alabama Forge Group which is a part of the Alabama Forge Council. I was inquiring as to if the County would be willing to let us use the shop. We would be having meetings there for the public and members once a month as well as “forge nights” once every other week. I think it would be a fantastic opportunity for everyone as our group is very progressive with public demonstrations and would jump at the opportunity to assist your park with that at any time. If I could get someone to return my inquiry I would GREATLY appreciate it. code525gw@yahoo.com is my email and 207-239-8688 is my phone. Thank you so much!
