Re: Request to Purchase County Truck

Dear Mark :

I am writing to request that the Town of Silverhill be allowed to purchase one of the County trucks which would normally be surplussed and/or sold at auction. It would greatly benefit the Town to be able purchase a truck from the County for use in our Town Utility Department.

Please let me know if the Court would consider this request, if any such trucks are available.

Thank you for your consideration! If you have any questions, or need any additional information, please feel free to contact me at any time.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jared N. Lyles', is written over the printed name.
