RE: Tour de Lower Alabama Doctors Bicycle Ride

Dear Commissioner Davis:

The Fairhope Police Department will provide police officers for the bike ride on Saturday, April 4, 2020, and would like to formally pass on our approval for the use of roadways within our jurisdiction. It is my understanding that the bicycle ride starts at the Grand Hotel at 7:30 a.m., and goes to Pelican Point (at the end of County Road 1) and then returns to the hotel.

Thank you for your attention in this matter. If you should have any questions, please contact Sheri Swartz at 929-1477.

Respectfully,

Stephanie Hollinghead
Chief of Police
