Re: Project Nos. ERPR-9072(967), ERPR-9072(970), ERPR-9072(971), ERPR-9072(972),
ERPR-9072(973), ERPR-9072(974), and ERPR-9072(988) Various Permanent Repair
Sties due to Hurricane Sally
Baldwin County

The Baldwin County Highway Department is submitting a supplemental Utility Agreement due to a fee increase to East Central Baldwin Water Authority relocation at the various sites listed above. After the original agreement was executed, East Central Baldwin Water Authority accepted bids for the relocation project, the bids exceeded the 20% overrun threshold of the original agreement amount. Please see the attached certified bid tabulation, as well as the requested cost in the supplemental agreement for approval.

Thank you for your cooperation in this matter.

Sincerely,

MARK ACREMAN, P.E.
ASSISTANT COUNTY ENGINEER
