		Totals:	$ -	$ 1,050.00	$ 12,600.00

1. NRC - Non-Recurring Costs - should total these costs for the row indicated.
2. MRC - Monthly Recurring Costs - should total these costs for the row indicated.
3. ARC - Annual Recurring Costs - should total these costs for the row indicated.
4. If there is no value for a field, please indicated with either a '0' or a '-'.
5. If there are costs that do not fit into the categories shown in the first column of the table, please include these in a separate table, but please also include the Trunking Cost Analysis Table filled out as completely as possible.

Exceptions: Long Distance charges TBD. (24,000 minutes per month included at no charge)
Note: Currently BCC has a total of 174 SIP Trunk/Call Paths and over 1200 DIDs that we have ported over to the existing service. If BCC chooses to maintain the current quantities of call paths and DIDs, Uniti Fiber will honor the pricing above for those quantities.
