Alabama USA Semiquincentennial Commission
ATTN: Senator Arthur Orr, Chairman

RE: Letter of Support – I-10 Revolutionary War Sites Signage

Dear Members of the Alabama USA Semiquincentennial Commission:

On behalf of the Baldwin County Commission, I am pleased to express our support for the installation of signage recognizing Revolutionary War sites in Baldwin County as part of America's 250th Anniversary.

America's 250th anniversary is a monumental occasion that provides an important opportunity to honor the birth of our nation and to educate the public about the events that shaped American independence. Revolutionary War actions that occurred in present-day Baldwin County, including those at Spanish Fort, represent a meaningful part of Alabama's historical contribution to our country's founding.

The Baldwin County Commission strongly supports signage along Interstate 10 that would increase awareness of this history among the many residents and travelers who pass through Baldwin County each year. We appreciate the work of the Baldwin County America 250 Committee and are pleased to offer our support for this initiative.

Sincerely,

JAMES E. BALL, Chairman
Baldwin County Commission
