SARPC asks host agencies to contribute \$1,150.00 per Senior Aide per contract year to be used as a

ADSS SCSEP Host Agency Agreement

To comply with the requirements of the Alabama Department of Senior Services (ADSS), Senior Community Service Employment Program (SCSEP), operated under Title V of the Older Americans Act, this Agreement is voluntarily entered into by: **Baldwin County Commission** hereinafter referred to as the Host Agency, and **SOUTH ALABAMA REGIONAL PLANNING COMMISSION**, hereinafter referred to as the Sponsor Agency.

1. The Sponsor Agency agrees to recruit, enroll, and assign a participant to the Host Agency for the purpose of engaging in productive community service employment. The Sponsor Agency will provide to the Host Agency a detailed written training plan in the participant's Individual Employment Plan (IEP) and Community Service Assignment Description, which will include skills to be attained and timelines for achieving the goal. The Community Service Assignment Description must specify the nature of the assignment, the hours each participant will train, specific duties and tasks to be performed.

2. The Host Agency agrees to provide a safe work site for each participant, to provide adequate orientation and training necessary to perform assigned duties in accordance with a written community service assignment description from the Sponsor Agency, and, to the extent possible, to provide additional training as opportunities occur and to treat each participant as though they are a regular member of the Host Agency staff.

3. The Host Agency agrees to consider each participant for regular employment, either full-time or part-time, when vacancies occur in the Host Agency staff or when new positions are created but makes no assurance or guaranty of employment. The Host Agency will also recommend suitable training for unsubsidized placement of the participant.

4. The Host Agency understands that the length of time that a participant may remain in the same assignment will be determined in their IEP. The Host Agency understands that the Sponsor Agency may reassign any participant at any time that reassignment will increase the participant's opportunities for training or unsubsidized employment, or will otherwise serve the best interests of the participant.

5. The Host Agency agrees that no other national Title V project sponsor will be provided a community service assignment while this Agreement is in effect.

6. The Host Agency agrees to abide by the hours and work schedules mutually agreed to for each participant and to provide time sheets, periodic performance evaluations, and other documents which may reasonably be required. In addition, the Host Agency agrees and understands that each participant will be required to attend periodic SCSEP meetings during regular working hours.

7. The Host Agency agrees that the community service assignments for any participant are to be similar to "in demand" or "growth industries" private sector jobs, such as health care; child day care; education; or green jobs. However, these assignments not result in the displacement of currently employed workers; or in a reduction in non-overtime hours of work, wages, or benefits; will not impair any existing contract for service or result in the substitution of the wages of the participant for other funds in connection with work which otherwise would be performed; will not be a substitution for any existing federally assisted job; and will not be a position which is the same as or substantially the same as that occupied by any other person who is on lay-off or absent due to labor disputes. Further, the Host Agency agrees that it will not discriminate against a participant on the grounds of race, color, age, religion, sex, national origin, age, or disability.

8. Host Agency supervisor's meetings will be held annually to acquaint all concerned with the SCSEP goals and objectives. The Host Agency agrees to send a representative to a host agency supervisor's meeting. The Host Agency agrees to participate in the DOL Customer Satisfaction Survey if solicited.

9. The Host Agency agrees to provide documentation of any in-kind contributions. Further, it is understood by the Host Agency and the Sponsor Agency that any contribution, whether cash or in-kind, by the Host Agency is purely voluntary and is not a condition for the assignment of any participant.

10. The Host Agency certifies by this Agreement that it is a governmental agency or is a non-profit agency which is currently certified as a Section 501(c)(3) organization under the Internal Revenue Code. In addition, the Host Agency will provide its Federal Employer Identification Number (FEIN). Further, if the Host Agency is certified as a Section 501(c)(3) agency, a copy of that certification is attached or is on file with the Sponsor Agency and is still in effect. The Host Agency agrees to inform the Sponsor Agency immediately if the Section 501(c)(3) certification is revoked.

11. The Sponsor Agency hereby agrees to indemnify, defend and hold the Host Agency, its elected officials, officers, agents, and employees, harmless from and against any and all claims, costs, expenses, losses and liabilities, including reasonable attorneys' fees and expense suffered, paid or incurred by the Host Agency arising out of or by virtue of this Agreement, the participant's participation pursuant to this Agreement or the Host Agency's actions or omissions related to this Agreement, including any injury or damage to property or to person, including death; and those resulting from the Sponsor Agency's failure to pay any bills, invoices, costs, wages, taxes, or other charges owed by it to a participant or another. The foregoing indemnification

obligation shall not apply to any claims, liabilities or expenses arising from intentional acts or intentional misrepresentations of the Host Agency. These indemnification obligations shall survive the expiration of or termination of this Agreement.

12. The Sponsor Agency agrees to be responsible for all administrative and fiscal controls of the SCSEP and for paying wages and providing fringe benefits to each participant. The Host Agency does not provide Workers' Compensation insurance for participants.

13. Miscellaneous.

a. Amendment. This Agreement may not be amended except upon written agreement between the parties.

b. Law, Venue and Jurisdiction. All the provisions of this Agreement shall be governed, construed by and administered in accordance with the laws of the State of Alabama. The parties agree that any legal action brought to enforce the terms of this Agreement shall be instituted and maintained only in the Circuit Court of Baldwin County, Alabama.

c. Severability. All the terms, provisions, and conditions of this Agreement shall be deemed to be severable in nature. If for any reason the provisions hereof are held to be invalid or unenforceable by a court of competent jurisdiction, then to the extent that such provisions are valid and enforceable, such court shall construe and interpret this Agreement to provide for maximum validity and enforceability.

This Agreement is in effect from **July 1, 2021 - June 30, 2022**

STAFF RECOMMENDATION

Take the following actions:

- 1) Authorize staff to apply for a Gulf Coast Resource, Conservation & Development (RC&D) Council Grant in the amount of \$5,000.00 to expand the Baldwin County Historic Driving Tour and Walking App Phase III for Educational Outreach, Economic Development and Tourism purposes; and

Background: The Baldwin County Commission consented to accept Phase I and II Grants in the amount of \$5,000.00 each from the Gulf Coast Resource Conservation & Development Council (GCRC&D) to expand the Baldwin County Historic Driving Tour and Walking Tour App to encompass other areas of Baldwin County to include South and Central Baldwin County and authorized the Chairman to execute the Cooperative Agreement between the GCRC&D and the Baldwin County Commission and any other documents related to the grant.

Staff continues to work to develop the Historic Driving and Walking Tour App for historic sites in

ITEM TITLE

Submission of Fiscal Year 2022 Section 5311 Rural Public Transportation Grant and 5311 CARES Rural Public Transportation Grant Application

STAFF RECOMMENDATION

Take the following actions:

- 1) Adopt Resolution #2021-080 authorizing the execution and submittal of the Fiscal Year 2022 Section 5311 CARES Act Grant Application to the Alabama Department of Transportation relating to public transportation; and
- 2) Adopt Resolution #2021-081 authorizing the Baldwin County Commission to commit up to \$371,744.00 as local non-federal match for administration and capital expenditures under the Section 5311 Non-Urbanized Area Public Transportation Program during Fiscal Year 2022; and
- 3) Adopt Resolution #2021-082 authorizing the execution and submittal of the Fiscal Year 2022 Section 5311 Grant Application to the Alabama Department of Transportation relating to public transportation; and
- 4) Authorize the Chairman to sign the application and any related documents and any related reporting documents; and
- 5) Authorize Baldwin Regional Area Transit System (BRATS) staff to submit the Fiscal Year 2022 5311 CARES and 5311 Application/Agreement to the Alabama Department of Transportation (ALDOT).

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: Since 1985, BRATS has received an annual Section 5311 grant from the Federal Transit Administration, administered by the Alabama Department of Transportation. The funds are

used to provide public transportation to the visitors and citizens of Baldwin County. Because BRATS provides public transportation in both the urban and rural areas of Baldwin County, it receives funding from several different FTA grant programs. Historically, BRATS has annually submitted two grant applications to the Alabama Department of Transportation (ALDOT):

- 1) Urban (5307) grant application
- 2) Rural (5311) grant application

However, beginning with FY22, ALDOT will not be administering the 5307 grant funds. This change required BCC/BRATS to file an application with FTA in May 2021 to become a direct recipient of the 5307 grant funds. The request for 5307 funds will be submitted once the FTA has approved BCC's Direct Recipient application.

For the FY22 grant application process, ALDOT has combined the applications for the regular 5311 funds and 5311 CARES Act funds into one submittal which is included in this agenda item. These grant requests are intentionally conservative (on the high side) to ensure that sufficient funds are awarded to provide the Commission with maximum flexibility for operating BRATS. The dollar amounts in these grants do not represent the actual expenses approved in the county budget. The Commission will approve the BRATS Fiscal Year 2022 budget separately during the annual budget process. ALDOT will continue to provide grant oversight of the 5311 and 5311 CARES funds. These are reimbursable grants and BRATS will continue to issue invoices to ALDOT to draw down the funds.

The FY22 5311 Regular grant program will provide federal funding of 80% for capital (rolling stock) and for administrative expenses. The FY22 5311 CARES Act grant program will provide federal funding of 100% for capital (rolling stock) and operating expenses. To be eligible for capital (rolling stock) 100% funding under the 5311 CARES Act, the grantee must purchase the equivalent number of vehicles under the 5311 Regular Grant program. Funding will be used to purchase two transit vehicles with 5311 Regular grant funds at 80% federal reimbursement and two transit vehicles with 5311 CARES grant funds at 100% federal reimbursement.

The FY22 CARES Act 5311 request for federal assistance is \$2,070,288.00. The FY22 Regular 5311 request for federal assistance is \$1,486,977.00 and the local match requirement is estimated to be \$371,744.00, depending on the budget ultimately approved by the Commission. It is estimated that \$198,986.00 of the required local match will be collected in contract/advertising revenue. The balance of \$172,776.00 of the local match will be provided from the Transportation Contract Revenue Escrow Account. The escrow account balance as of 3/31/21 was \$187,602.00.

Also included in the 5311 Grant budget application are Baldwin County Commission indirect administrative costs of \$366,452.00 which are expected to be reimbursed at 80%. These indirect costs include BRATS' pro rata portion of the following BCC departments: Finance, Administration, Budget/Purchasing, Building Maintenance, CIS, Personnel, and Grounds. The amount of indirect cost anticipated to be reimbursed is \$293,162.00

A public hearing was advertised and held on June 4, 2021 at 9:00 AM at the Baldwin County

Commission BRATS office in Robertsedale, Alabama, to allow for comments on the proposed transportation service. The application deadline is June 25, 2021.

FINANCIAL IMPACT

Total cost of recommendation: Total 5311 Rural Transportation Program cost of \$3,929,009.00 for FY2022. \$3,557,265.00 of the total program cost to be funded with 5311 Federal Grant Reimbursement Funds. The remaining balance of \$371,744.00 will be funded with FY2022 Contract/Advertising Revenue estimated at \$198,968.00 and contract revenue earned in FY2021-FY2021 of \$172,776.00 held in an escrow account resulting in \$0.00 in Local Match for FY2022, depending on the budget ultimately approved by the Commission. The escrow account balance as of March 31, 2021, was \$187,602.00. Contract revenue collected in the remainder of FY2021 will continue to be held in escrow per direction by ALDOT and will be utilized for future year local match requirements.

The posting will appear in an area newspaper publication, aboard transit vehicles, and facilities for 30 days. This will enable public hearings to begin on the 31st day or thereafter. All input from the public at the hearings will go before the Commission at the next regularly scheduled BCC meeting and the commission will vote on fare increases and service modification proposals.

BRATS has formed a local Transportation Steering Committee made up of members of the public and human service organizations. BALDWIN REGIONAL AREA TRANSIT SYSTEM COMPLAINT POLICY AND PROCEDURES

It is the policy of the Baldwin Regional Area Transit System to operate the public transportation program in an open and fair manner for employees, passengers, other transit providers, and the public. No employee, passenger, other transit provider, or the public will be discriminated against or suffer any reprisals from making a complaint. Complaints must be in writing and specific. Vague or general charges of unfairness that are not substantiated by facts will not be processed. When an allegation is made that a specific violation, misinterpretation, or inappropriate act has occurred the following steps should be taken to resolve the issue. Baldwin Regional Area Transit System will make every effort to resolve the complaint within fifteen business days of the date of receipt of the written complaint.

Baldwin Regional Area Transit System's Employee Complaint Policy

If an employee has an issue with another employee, passenger, or other members of the public, he or she should bring the matter to the attention of the management team by filling out a e-comment form on the team member portal, within 3 days of the occurrence. Complaints must be clearly stated with details. If the complaint involves the Manager or similar authority, the employee should address the issue with the Transit System Director. The Manager or similar authority will listen to all parties involved in the situation, investigate with outside sources if necessary, and resolve the matter within fifteen business days of the receipt of the written complaint. If the Manager or similar authority cannot resolve the matter, it will be brought to the Transit System Director for resolution. If the matter is not satisfactorily resolved at this point, the next higher authority will be consulted. If the employee does not feel the matter has been resolved at this point, the Personnel Director or similar authority should be consulted, and the matter brought before the Personnel Board or similar authority if necessary.

Protests must be submitted in writing to:

Honorable Chairman
Baldwin County Commission
312 Courthouse Square, Suite 12
Bay Minette, AL 36507

Wanda Gautney, Purchasing Officer

1. Name, address, and telephone number of protestor.
2. Solicitation or contract name and/or number.
3. A detailed statement of the legal and factual grounds for the protest, including copies of all relevant documents or information.
4. A statement of relief requested.

Only written protests received within the timelines stated in these procedures will be considered. Upon receipt of a protest, BALDWIN COUNTY COMMISSION will notify the protestor that the protest has been received by mail within ten (10) working days. BALDWIN COUNTY COMMISSION may request additional information from the protesting party, which must be submitted in writing to BALDWIN COUNTY COMMISSION within ten (10) working days from the date of BALDWIN COUNTY COMMISSION'S request.

Within thirty (30) working days of receipt of a written protest, BALDWIN COUNTY COMMISSION shall either:

1. Issue a final written decision which responds in detail to each issue raised in the protest and includes a rationale for the decision rendered, or
2. Conduct, at BALDWIN COUNTY COMMISSION'S discretion, an informal hearing to allow the interested participating parties an opportunity to present their positions and supporting facts, documents, justification, and technical information. BALDWIN COUNTY COMMISSION will advise all interested parties of the final decision in writing no later than ten (10) working days from the date of the informal hearing.

Protests before Proposal Solicitation

Bid protests alleging restrictive specifications or improprieties, which are apparent prior to bid or proposal opening, must be submitted in writing to BALDWIN COUNTY COMMISSION and must be received at least five (5) working days prior to bid/proposal opening. Bids will not be opened until five (5) working days after resolution of the protest unless BALDWIN COUNTY COMMISSION determines that:

1. The items to be procured are urgently required;
2. Delivery or performance will be unduly delayed by failure to make award promptly; or
3. Failure to make award will otherwise cause undue harm to BALDWIN COUNTY COMMISSION.

If the written protest is not received by the time specified, bids or proposals may be received, opened and awarded in the normal manner unless BALDWIN COUNTY COMMISSION determines that it is in the best interest of all concerned to delay any step.

Protests after Opening of Proposal Solicitation and Prior to Award

Protests against the making of an award may be made after bid opening and prior to award. Such protests must be submitted in writing to BALDWIN COUNTY COMMISSION and must be received by BALDWIN COUNTY

COMMISSION within five (5) working days of the bid opening. If BALDWIN COUNTY COMMISSION decides to withhold the award pending resolution of the protest, BALDWIN COUNTY COMMISSION will notify all bidders whose bids or proposals might become eligible for award, and offer them the option to extend or withdraw the bid or proposal beyond the 120-day validity period. Awards will not be made until at least five (5) working days after resolution of the protest unless BALDWIN COUNTY COMMISSION determines that:

1. The items to be procured are urgently required;
2. Delivery or performance will be unduly delayed by failure to make award promptly; or
3. Failure to make award will otherwise cause undue harm to BALDWIN COUNTY COMMISSION or the federal government.

Protests after Award

Protests received after announcement of an award or after a contract has been executed will only be considered if BALDWIN COUNTY COMMISSION determines that the matter is in the public interest or the protest presents clear and convincing evidence of fraud, misrepresentation, other illegality, or gross impropriety in the selection of a bid/proposal. If a protest is under consideration, BALDWIN COUNTY COMMISSION shall evaluate the bid/proposal at issue a second time in its entirety and use the same evaluation criteria and rating factors applied in the initial review of the bid/proposal. The bid/proposal will be evaluated by a panel designated by the BALDWIN COUNTY COMMISSION.

If a protest involving an executed contract is under consideration, BALDWIN COUNTY COMMISSION will notify the selected contractor of the protest and its basis and may, at its discretion, order the contractor to suspend all BALDWIN COUNTY COMMISSION work activities. If the awarded contractor has not executed the contract as of the date the protest is received by BALDWIN COUNTY COMMISSION, the contract will not be executed until five (5) working days after resolution of the protest unless BALDWIN COUNTY COMMISSION determines that:

1. The items to be procured are urgently required;
2. Delivery or performance will be unduly delayed by failure to make award promptly; or
3. Failure to make award will otherwise cause undue harm to BALDWIN COUNTY COMMISSION.

Protests Pertaining to the Funding of Unsolicited Proposals

The submission of unsolicited proposals is inconsistent with BALDWIN COUNTY COMMISSION'S policy to promote a full and open competition among interested parties for FTA contract funds. The filing of unsolicited proposals, therefore, will be deemed inappropriate by BALDWIN COUNTY COMMISSION and returned to the sender; complaints or appeals calling for reconsideration of such proposals will not be accepted.

ALL complaints unresolved at the local level will be submitted to the Alabama Department of Transportation for final resolution, to the attention of:

BRATS Indirect Cost Proposal

Overview

BRATS Transportation is a single department within the much larger Baldwin County Commission government. As such, many administrative and overhead tasks are performed by County Departments outside of BRATS. Historically, BRATS has not accounted for these costs in reporting the actual costs of its transit operations.

The National Transit Database requires transit providers to report the real costs of its operations. In its FY19 NTD report, BRATS reported the following costs associated with its operations in addition to its normal 5311 grant billings.

Baldwin County Finance Department:	6.20% ¹
Baldwin County Budget Department:	6.20% ¹
Baldwin County Personnel Department:	6.20% ¹
Baldwin County IT Department:	1.24% ²
Baldwin County Building Maintenance Department:	1.17% ³
Baldwin County Grounds Keeping:	1.17% ³
Baldwin County Highway Department (Managing Department):	11.11% ⁴

¹ Calculated by dividing the total FY19 BRATS hours into the total FY19 Baldwin County Commission hours. $71,524 / 1,152,962 = .0620$

² Calculated by dividing the total FY19 BRATS Microsoft Office licenses into the total FY19 Baldwin County Commission Microsoft Office licenses. $13 / 1050 = .0124$

³ Calculated by dividing the total FY19 square footage of BRATS buildings into the total FY19 square footage of Baldwin County Commission buildings. $10,400 / 885,164 = .0117$

⁴ Calculated based on BRATS as one of nine sections reporting to the County Engineer in FY19. $1 / 9 = .1111$

FY20 & FY21 Personnel Ratios & Costs:

BRATS desires to account for the real costs of operations in its future grant invoicing to better reflect actual numbers reported to NTD and to conform with recent guidance from ALDOT on invoicing. Because FY22 represents a future year of costs, BRATS will rely on the last available data as long as this data is expected to reasonably reflect FY22 data.

With this in mind, BRATS proposes the following calculations to account for the indirect contribution of other County Commission Departments to BRATS operations:

Baldwin County Finance Department:	5.20% ¹
Baldwin County Admin Department (Managing Department):	11.11% ²
Baldwin County Budget/Purchasing Department:	5.20% ¹
Baldwin County Building Maintenance Department:	1.17% ³
Baldwin County IT Department:	1.03% ⁴
Baldwin County Personnel Department:	5.20% ¹
Baldwin County Grounds Keeping:	1.17% ³

¹ Calculated by dividing the total FY20 BRATS hours into the total FY20 Baldwin County Commission hours. $60,769 / 1,168,585 = .0520$

² Calculated based on BRATS as one of nine sections reporting to the County Administrator in FY20. $1 / 9 = .1111$

³ Calculated by dividing the total FY20 square footage of BRATS buildings into the total FY20 square footage of Baldwin County Commission buildings. $10,400 / 885,164 = .0117$

⁴ Calculated by dividing the total FY20 BRATS Microsoft Office licenses into the total FY20 Baldwin County Commission Microsoft Office licenses. $11 / 1070 = .0103$

The Baldwin County Commission Budget Department provided an indirect cost calculation utilizing FY20 actual expenses from the supporting departments above. Capital project costs were excluded.

The table below shows the calculated indirect cost for each department.

Fairhope Hub (ground lease only):	\$53,900
Robertsdale Hub (ground lease only):	\$9,380
Foley Hub:	\$3,668

V. No Prohibited Exclusive Franchise. The COUNTY neither perceives nor intends, by this Contract, a granting of an exclusive franchise or violation of Art. I, Section 22 of the Alabama Constitution.

VI. Representation/Warranty of Certifications, Etc. PROVIDER represents and warrants that PROVIDER is presently certified, licensed and otherwise permitted under all necessary and applicable laws and regulations to perform the services herein, and that PROVIDER shall renew, maintain, and otherwise ensure that all such certifications, licenses, and permits are current and valid, without interruption, for and through completion of the services. The representation and warranty aforesaid is a material inducement to the COUNTY in entering this Contract, and the parties agree that the breach thereof shall be deemed material at the County's option.

WHEREAS, 23 U.S.C. 104 (f) and 49 U.S.C. 5303 authorize certain funds (commonly referred to as FHWA Planning funds and FTA 5303 Planning funds respectively) to be made available to designated transportation planning agencies for supporting the “3-C” Process; and

WHEREAS, the COMMISSION has been selected by principal elected officials as the designated transportation planning agency for the Eastern Shore urbanized area; and

WHEREAS, the STATE receives funds from FHWA and FTA, which include FHWA Planning Funds and FTA 5303 Planning funds to be made available to the COMMISSION for Transportation Planning for the Eastern Shore urbanized area; and

WHEREAS, the STATE receives funds from FHWA and FTA to be made available to the COMMISSION for project design, construction, utility work and the purchase of right-of-way for the Eastern Shore urbanized area; and

WHEREAS, the STATE and the COMMISSION desire to cooperate in the Agreement for administering U.S. Department of Transportation Financial Assistance for Transportation Planning; and

NOW, THEREFORE, the parties hereto, for, and in consideration of the premises stated herein, do hereby mutually promise, stipulate, and agree as follows:

PART TWO (2): FUNDING PROVISIONS

Funding: Funding for this agreement is subject to availability of Federal Aid funds at the time of authorization. The STATE will not be liable for Federal Aid funds in any amount.

A. It is further understood that this is a cost reimbursement program and no Federal

funds will be provided to the COMMISSION prior to accomplishment of the work for which it is requested. Furthermore, no Federal funds will be reimbursed for work performed prior to authorization.

- B. Any Planning funds provided to the COMMISSION under this agreement will be used for transportation planning related activities and will be in accordance with the most current approved Unified Planning Work Program (UPWP).
- C. Any cost incurred by the COMMISSION relating to the UPWP that is determined to be ineligible for reimbursement by FHWA, or in excess of the limits previously stated, will not be an eligible cost and will be borne and paid by the COMMISSION.
- D. It is understood that the work is to be done on an actual cost basis. Payment will not exceed the total estimated funds budgeted in the most current approved UPWP.
- E. A Metropolitan Planning Organization's (MPO) UPWP may include funds carried over from prior fiscal years. If the MPO carries more funding from the year immediately prior than what is determined to be available after the final invoice, the MPO should amend the current UPWP to reduce the amount of carryover.
- F. All costs for work performed under the terms of this agreement will be financed, when eligible for federal participation, with FHWA Planning and/or FTA 5303 Planning funds and matching funds.
- G. The COMMISSION agrees that in the event the FHWA or FTA determines, due to rules and/or regulations of FHWA or FTA, that federal funds must be refunded, the COMMISSION will reimburse and pay to the STATE a sum of money equal to the total amount of federal funds to be refunded to FHWA or FTA.
- H. **Time Limit:** Charges may be made to the Unified Planning Work Program upon written authorization to proceed from FHWA directed to the COMMISSION.
- I. Any eligible costs incurred by the COMMISSION on or after October 1, 2021, will be reimbursable under this agreement.

PART THREE (3): PROJECT SERVICES

- A. The COMMISSION and STATE are responsible for cooperatively developing financial plans that support the 3C Process. The Long-Range Transportation Plan (LRTP) shall be fiscally constrained pursuant to 23 CFR 450.324. Inflation rates shall reflect year-of-expenditure dollars. To support the development of the LRTP, the State shall provide the COMMISSION with a long-range forecast of expected State and Federal transportation revenues for the Metropolitan Planning Area. The State will also provide the COMMISSION with a listing of projects for which ALDOT has committed the aforementioned revenue. The MPO will, in turn, provide a LRTP that meets the requirements of 23 CFR 450.324.
- B. The Transportation Improvement Program (TIP) shall be fiscally constrained pursuant to 23 CFR 450.326. Inflation rates shall reflect year-of-expenditure dollars. To support the development of the TIP, the State shall provide a list of planned projects. This list may be provided using ALDOT's Comprehensive

Project Management System (CPMS), therefore requiring the COMMISSION to access and print the list of planned projects. The MPO will, in turn, provide a TIP that meets the requirements of 23 CFR 450.326.

- C. Within 90 days after the close of the Federal fiscal year, the State, Public Transportation Provider(s), and the COMMISSION shall cooperatively develop a listing of projects for which funds under 23 USC or 49 USC Chapter 53 were obligated in the preceding program year. This Annual Listing of Obligated Projects shall include all Federally funded projects authorized in the preceding program year, including all project phases. Each phase shall, at a minimum, include TIP project description, project reference ID, project sponsor, and other items requested by ALDOT. The Annual Listing of Obligated Projects will also identify, for each phase, the amount of Federal funds requested in the TIP, the Federal funding that was obligated during the preceding year, and the Federal funding remaining required to complete the entire project. The COMMISSION shall publish the Annual Listing of Obligated Projects in accordance with the MPO's Public Participation Plan.
- D. All work performed pursuant to this agreement will be completed to the satisfaction of the STATE within the time frame established by the most current approved Unified Planning Work Program.
- E. The use of planning funds by the COMMISSION for out-of-state travel must be approved by the STATE two weeks prior to the travel date. No approval will be required for in-state travel. The COMMISSION in Alabama will operate according to the General Services Administration (GSA) Rate for both in-state and out-of-state travel. The cost to stay at a hotel that is hosting the event will be reimbursable, even if above the GSA Rate. Other exemptions will be reviewed on a case by case basis. Required invoice documentation will be as follows:
 - 1. Meals & Incidentals – no documentation required;
 - 2. Mileage – map showing travel route;
 - 3. Air Travel – receipt required;
 - 4. Hotel – receipt required if more than GSA Rate;
 - 5. Registration – receipt required
- F. The purchase of all equipment financed in whole or in part pursuant to this agreement will be in accordance with STATE and Federal procedures, including normal STATE competitive bidding procedures, where appropriate. All purchases over Fifteen Hundred Dollars (\$1,500.00) must be approved by the STATE, in advance, in writing, to be eligible for reimbursement, unless it is detailed in the current UPWP and final cost is within 20% of the cost specified in that UPWP. All purchases over Five Thousand Dollars (\$5,000) must be approved by the FHWA, in advance, in writing, to be eligible for reimbursement, unless it is detailed in the current UPWP and final cost is within 20% of the cost specified in that UPWP.
- G. The COMMISSION must maintain a detailed inventory of equipment with a current per-unit fair-market value in excess of \$5,000, in accordance with 2 CFR 200.33, 2 CFR 200.94, 2 CFR 200.313, 2 CFR 200.439, and other related articles. This inventory must include any equipment financed in whole or in part with

FHWA Planning funds and FTA 5303 Planning funds. A copy of this inventory must be updated every two years and should remain on file with the COMMISSION.

- H. Any documents or other printed material produced under this agreement will be submitted to the STATE for proofreading and technical editing prior to their publication for final printing. A sufficient number of copies of such documents or other printed material will be published.
- I. The COMMISSION will submit to the STATE, at such time as the STATE may require, such progress reports, financial statements, data, records, contracts, and other documents as may be deemed necessary by the STATE.
- J. The use of any planning funds provided herein in accordance with the most current approved STATE consultant selection procedures.
- K. The COMMISSION will perform or have performed all services required to fulfill the purposes of this agreement.

PART FOUR (4): CONTRACT PROVISIONS

- A. The COMMISSION will not assign any portion of their work to be performed under this agreement, or execute any contract, amendment or change order hereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this agreement without prior written authorization of the STATE. Any subcontract under this agreement must include all required and/or applicable causes of this agreement.
- B. If the COMMISSION fails to fulfill in a timely and proper manner its obligations as stipulated in this agreement, or if the funds from FHWA and/or FTA under which this agreement is made are terminated by FHWA or FTA, or if any party to this agreement is unable to participate in the funding of costs as set forth herein, the STATE will have the right to terminate this contract by giving thirty days prior written notice to the COMMISSION of such termination and specifying the effective date thereof. Said notice will stipulate the reasons for termination and will be mailed by certified mail. If the COMMISSION is unable or unwilling to comply with such additional conditions as may be lawfully imposed by the STATE or FHWA or FTA on the grant or agreement under which the COMMISSION is performing, the COMMISSION will have the right to terminate the agreement by giving thirty days prior written notice to the STATE specifying the effective date thereof. Said notice shall stipulate the reasons for termination and will be mailed by certified mail. If termination necessitates disposal of property, all property will be disposed strictly in accordance with all STATE and Federal procedures. The COMMISSION will be entitled to compensation for any unreimbursed eligible expenses incurred.
- C. Any dispute concerning a question of fact in connection with the work not disposed of by agreement between the COMMISSION and the STATE, or otherwise arising between the parties to this agreement, will be referred to the Director of the State Department of Transportation and the Chairman of the local Metropolitan Planning Organization for a negotiated settlement.

- D. The COMMISSION will be responsible at all times for the work it performs under this Agreement and especially the COMMISSION will protect, defend, indemnify and hold harmless the State of Alabama, the Alabama Department of Transportation, the officials, officers, employees, in both their official and individual capacities, and agents of each, from and against any and all claims, actions, damages, loss, liabilities, including attorney's fees and expenses whatsoever or any amount paid in compromise thereof arising out of or in connection with its performance of the work under this Agreement and this project and from and against these at any time arising out of or in connection with the performed work and project.

PART FIVE (5): ACCOUNTING PROVISIONS

- A. The COMMISSION will, when appropriate, submit reimbursement invoices to the STATE for work performed in carrying out the terms of this Agreement. The COMMISSION may not invoice the STATE more frequently than once per month. Invoices for payment will be submitted in accordance with state law and will indicate that the payment is due, true, correct, and unpaid, and the invoice will be notarized.
- B. The COMMISSION should submit a final invoice, as well as an Annual Report, for the work performed under a Unified Planning Work Program. Both documents should be received on or before the 3rd Monday in November.

The COMMISSION must furnish to the STATE a copy of their approved indirect cost allocation plan two weeks prior to the submission of the first invoice.
- E. All charges will be supported by properly executed invoices, contracts, or vouchers, as applicable, evidencing in proper detail the nature and propriety of the charges in accordance with the requirements of the STATE. All checks, invoices, contracts, vouchers, orders or other accounting documents pertaining in whole or in part to the project will be clearly identified, readily accessible and to the maximum extent feasible, kept separate and apart from all other such documents.
- F. The COMMISSION will report to the STATE the progress of the work performed under the UPWP in such manner as the STATE may require. The COMMISSION will submit to the STATE financial statements, data, records, contracts and other documents and items of any respect as may be requested by the STATE. - G. The COMMISSION will permit the STATE, the Comptroller General of the United States, and the Secretary of the USDOT, or either of them or their respective authorized representatives, to inspect, at any time, vehicles and equipment utilized or used in performance of the UPWP and any and all data and records which in any way relate to the UPWP or to the accomplishment of the UPWP. The COMMISSION will also permit the above noted persons to audit the books, records and accounts pertaining to the project at any and all times, and the COMMISSION will give its full cooperation to those persons or their authorized representatives, as applicable.

The workers compensation certificate shall bear an endorsement clearly evidencing a waiver of the right of subrogation against Licensor and Licensor Representatives. Should Licensee fail to furnish current evidence upon demand of any insurance required hereunder, or in the event of cancellation, termination or change in any such insurance, Licensor may, at its option, suspend this Agreement until insurance is obtained or terminate this Agreement immediately without further action.

14. Responsibility. Licensee shall be responsible for compliance by Licensee Representatives with the terms of this Agreement and for all acts or omissions by Licensee Representatives on the Property.

17. No Waiver. The failure of Licensor or Licensee to insist upon a strict performance of any of the terms, conditions and covenants herein shall not be deemed a waiver of any subsequent breach or default in the terms, conditions and covenants herein contained.

18. Termination. It is understood and agreed that Licensor, in its absolute discretion, with or without cause or hearing, may terminate the License and permission herein granted to Licensee. Termination of the License and permission herein granted may be accomplished in writing, or orally. Once notice of termination is given by Licensor to Licensee, the permission herein granted shall immediately and automatically terminate, and Licensee shall have no further right, permission or authority to utilize the Property. All representations, assurances and indemnity obligations set forth in this Agreement shall survive termination or expiration of this Agreement.

(b) This Agreement shall apply to and bind the successors and permitted assigns of the respective parties.

(c) This Agreement embodies the entire agreement and understanding of the parties, and there are no further or prior agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof.

Employees may not take annual leave before it has been earned.

The number of accrued leave hours to be used for one day of leave is equal to the number of scheduled paid hours of work for that day of leave. (For example, if an employee works four (4) ten (10) hour days per workweek, he or she must use ten (10) hours of annual leave to have the entire day off.

When a paid holiday occurs during an employee's annual leave, the day will be deemed a holiday and not as an annual leave day.

Days off for annual leave will not be considered as working time for calculating weekly overtime.

Employees may take annual leave in the year it was earned, or may carry it over for use in later years. However, there is a limit to the amount of annual leave that may accrue.

Years of Service	Maximum Accrued Hours (2 x annual rate)
0 – 5 4 (currently calculates correctly)	192 hours (24 days)
5 6 – 10 9 (currently calculates correctly)	240 hours (30 days)
10 11 – 15 14 (currently calculates correctly)	336 hours (42 days)
15 – over	384 hours (48 days)

If an employee earns annual leave in excess of the maximum amount listed on the table, the excess amount will be forfeited if not taken by the last full pay period in the calendar year. The amount of leave at the end of the pay period shall be no more than two (2) years of total accrued time. Employees must consider the time accrued for the last full pay period of the calendar to be included in leave that must be taken.

When an employee resigns, or is terminated, he or she is entitled to payment for any unused annual leave that has accrued. Payment is based on the rate of compensation received at the time of resignation or termination. Payroll checks are computed on the regular payroll day and are available at the normal time and place. No checks are issued in advance.

IV.C. Sick Leave

The intent of sick leave is to provide paid time off to an employee who is temporarily ill or caring for an immediate family member who is temporarily ill or for placement of a child for adoption or foster care and is not "earned" leave. For purposes of this sick leave policy, the term "immediate family member" is limited to a spouse, parent or child. Sick leave is not intended to supplement the income of an employee or to be used for additional paid time off. Sick leave is to be considered as a benefit of working for Baldwin County. An employee will be paid sick leave in the amount to bring the employee up to a forty (40) hour work week or his or her regularly scheduled work week.

A probationary employee will earn, but cannot take, sick leave until the employee has satisfactorily completed the six (6) month probationary period and becomes a classified employee.

All full-time classified and appointed employees shall earn credit for paid sick leave at the rate of eight (8) hours of leave per month based on a twenty-four (24) pay period accrual. The accrual will be credited at four (4) hours on the first and second pay period of the calendar month worked for a total of ninety-six (96) hours per year.

Sick leave may be taken in increments of quarter-hours.

An employee may use accrued sick leave for medical appointments for the employee and the employee's immediate family members.

Sick leave will not be considered as time worked for the purpose of calculating weekly overtime compensation.

An employee will not accrue sick leave while he or she is on a leave of absence or in a leave without pay status.

No employee may borrow sick leave.

An employee may use up to ten (10) hours of sick leave per pay period, while on workers compensation leave, to help pay for benefit premiums.

Upon separation of employment from Baldwin County, an employee will not be paid his or her accrued sick leave with the exception of retirement as outlined in section *V.Q Benefits due to Retirement*.

Beginning 05/01/2021, upon the death of an employee, Baldwin County will pay one-half of the employee's accumulated sick leave, not to exceed 360 hours, on the last issued paycheck.

IV.G. Part-Time Employee Paid Time Off (PTO)

All part-time employees shall be eligible for paid time off (PTO) at a rate of .0319 per hour worked for a maximum of forty-eight (48) hours per calendar year. Part-time employees may use accrued PTO for sick leave, annual leave, holiday, or bereavement. A probationary part-time employee will earn, but cannot take, PTO until he or she has satisfactorily completed the six (6) month probationary period and becomes a classified employee. Part-time employees terminated before the completion of the six (6) month probationary period will not be eligible for payout of PTO.

If a part-time employee earns PTO in excess of ninety-six (96) hours, the excess amount will be forfeited if not taken by the last full pay period in the calendar year. Employees must consider the time accrued for the last full pay period of the calendar to be included in leave that must be taken.

A part-time employee may take PTO at any time of the year as long as he or she has accumulated the leave and the needs of the department are met. The employee must submit his or her PTO request to the supervisor in advance for approval if possible. Each department may have a special form or procedure for requesting use of PTO.

If a part-time employee accepts a full-time position, all PTO accumulated will be converted to annual leave, and he or she will begin to accumulate full-time leave benefits as outlined in *IV.A. Leave Policies* and *IV.C. Sick Leave*.

If a full-time employee accepts a part-time position, all sick leave will be forfeited and all accumulated annual leave will be converted into PTO, up to 96 hours, as outlined above. The employee will begin to accrue PTO instead of annual and sick leave. Additionally, the employee will no longer qualify for any other County benefits with the exception of retirement and the Employee Assistance Program (EAP).

When a classified, part-time employee resigns or is terminated, he or she is entitled to payment for any unused PTO that has accrued. Payment is based on the rate of compensation received at the time of resignation or termination. Payroll checks are computed on the regular payroll day and are available at the normal time and place. No checks are issued in advance.

IV.H. Leave without Pay

Leave without pay may be taken only if all accrued annual, sick leave, **and PTO** have been exhausted. However, if **an a full-time** employee has exhausted all annual leave, he or she may not use sick leave unless he or she meets the requirements set out in policy *IV.C Sick Leave*.

Appointing Authorities and/or Appointed Department Heads may approve up to, but not more than, twenty-four (24) hours of leave without pay, per employee, within a ~~calendar~~ year **of first taking Leave without Pay**. The Personnel Director and/or the Appointing Authority or Appointed Department Head must act upon (either deny or approve) requests which will result in the employee taking more than twenty-four (24) hours, but no more than forty (40) hours, of leave without pay within a ~~calendar~~ year **of first taking Leave without Pay**.

Only the Baldwin County Commission or Appointing Authority may approve requests which will result in the employee taking more than forty (40) hours of leave without pay within a ~~calendar~~ year **of first taking Leave without Pay**, or any single request for greater than forty (40) hours of consecutive leave without pay.

Employees in a leave without pay status the day before or the day after a holiday or have leave without pay the whole week of the holiday will not be eligible for holiday pay. Leave without pay may be granted to a probationary employee for reasons of sickness and emergencies.

Employees will not accumulate annual leave, sick leave, **or PTO** time while on a leave of absence or in a leave without pay status.

Employees who use more than forty (40) hours of leave without pay, and is not on an approved leave of absence, are subject to progressive disciplinary action.

Employees desiring leave without pay under the Family and Medical Leave Act must comply with the Family and Medical Leave Act policy. When an employee is in a leave without pay status, and has used all Family Medical Leave and accumulated leave time, he or she shall no longer be eligible to remain on the county's insurance plan but may be allowed to continue coverage through COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985, Public Law 99-272, Title X). During Baldwin County Commission and Appointing Authority approved periods of leave without pay, the employee shall not accrue leave or benefits and shall not receive Baldwin County Commission contributions to insurance premiums.

IV.K. Family Medical Leave Act (FMLA)

Baldwin County Commission offers leave under the Family Medical Leave Act (FMLA) for eligible employees.

Eligibility: If an employee has worked for at least one (1) year and for 1,250 hours in the preceding twelve (12) months, he or she is eligible to take up to twelve (12) weeks of unpaid leave when the absence is necessitated by any of the following circumstances:

- a. The birth or placement of a child for adoption or foster care (includes legal guardianship);
- b. The employee's own serious health condition that prevents him or her from performing the essential functions of the job; or
- c. Serious health conditions of a son or daughter, parent, or spouse if the employee is needed to help provide care (includes legal guardianship, "step" family and in-laws).

Qualifying exigencies related to a spouse, child, or parent's active military duty, are included as follows: short-notice deployment, military events and activities, childcare and school activities, financial and legal arrangements, counseling, rest and recuperation and post-deployment activities.

Employees are entitled to a total of twenty-six (26) weeks of leave in a particular twelve (12) month period to care for a spouse, child, parent, or next of kin suffering from a serious illness or injury incurred in the line of military duty. Note that all FMLA leave is cumulative, so that leave taken for other reasons during the year will be deducted from this additional entitlement.

2. Certification: If an employee requests leave for his or her own serious health condition, or to care for the serious condition of a son or daughter, parent or spouse, the employee will be required to provide the Baldwin County Commission Personnel Department with certification by a treating healthcare provider. Healthcare Provider Certification Forms are available from the Personnel Department.

All FMLA leave must be certified by an appropriate health care provider. Certification forms will be provided within five (5) business days of the employee's notification of the need for leave and must be returned within fifteen (15) calendar days of receipt. If additional information is requested by the Personnel Director, it must be provided within seven (7) calendar days of the request. Note that the Commission may directly contact an employee's health care provider in order to verify or clarify the need for leave. It may also require a second opinion at its own expense.

FAILURE TO COMPLY WITH THE CERTIFICATION REQUIREMENTS MAY RESULT IN PARTIAL OR COMPLETE DENIAL OF FMLA LEAVE.

You must provide certification from your treating healthcare provider when you request leave for your own serious health condition, and you may need a modified statement if your request is to care for another family member.

3. Measuring: Baldwin County has chosen the "measured forward" method that entitles the employee to twelve (12) weeks of leave during the year beginning on the first date the FMLA leave is taken after the previous twelve (12) month period ends.

Example: The 12-month period begins Sept. 1, 2012, if that is the first day of FMLA leave. If the employee exhausts all of FMLA leave, the next date the employee could again take FMLA leave would be Sept. 1, 2013.

When an employee is on FMLA leave, he or she must periodically report (if possible) to Personnel on his or her status and indicate the return to work date. Appropriate forms must be submitted to Personnel to initiate family leave or to return the employee to active status.

4. Intermittent or Reduced-Time Leave: FMLA leave can be taken on an intermittent or reduced-time basis under certain circumstances. An employee may request intermittent or reduced leave for the following reasons:
 - a. When medically necessary to care for a seriously ill family member, or because of the employee's own serious health condition; or
 - b. For the birth or placement of a child for adoption or foster care. Intermittent or reduced time leave shall not exceed twelve (12) weeks combined if both spouses are employed by the County.

Only the amount of leave actually taken while on intermittent/reduced schedule leave may be charged as FMLA leave. If an employee needs intermittent/reduced schedule leave for planned medical treatment, he or she must work with the supervisor to schedule the leave so it does not unduly disrupt the department's operations, subject to the approval of the employee's healthcare provider.

If you need to be off occasionally for medical reasons, you must work with your supervisor to arrange a schedule that does not unduly disrupt the department's work, but it has to also have the approval of your healthcare provider.

Employees on workers' compensation, for which injury is eligible for FMLA, are required to take FMLA concurrently. For example, an employee who is absent from work for four (4) months due to a workers' compensation injury will have the first twelve (12) weeks of that absence applied to FMLA leave.

5. Serious Health Condition: "Serious Health Condition" is defined as an illness, injury, impairment, or physical or mental condition that involves:
 - a. Any period of incapacity or treatment connected with inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility;
 - b. A period of incapacity requiring absence of more than three (3) calendar days from work that also involves continuing treatment by (or under the supervision of) a healthcare provider;
 - c. Any period of incapacity due to pregnancy, or for prenatal care;
 - d. Any period of incapacity (or resulting treatment) due to a chronic serious health condition (e.g. asthma, diabetes, epilepsy, etc.);
 - e. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's, stroke, terminal diseases, dialysis, etc.);
 - f. Any absences to receive multiple treatments (including any period of recovery) by, or on referral by, a healthcare provider for a condition that likely would result in incapacity of

more than three (3) consecutive days if left untreated (e.g., chemotherapy, physical therapy, dialysis, etc.).

6. Health Insurance Premiums: During FMLA leave, the County will continue to pay its portion of the health insurance premiums, and the employee must continue to pay his or her portion of the premium. The employee's contribution of health insurance premiums should be paid continually according to the County pay periods (e.g. bi-weekly). Employees may remain on County benefits until all FMLA, sick, and annual leave have been exhausted.

While on FMLA leave, you must continue to pay your own portion of your health insurance premiums.

If an employee does not return to work at the end of FMLA leave, he or she will be required to reimburse the County for payment of health insurance premiums, unless the employee does not return because of the presence of a serious health condition which prevents him or her from performing the job or circumstances beyond the employee's control. The employee may then choose to elect COBRA coverage. Sufficient notice shall be given to the employee at the end of FMLA when and if this event occurs.

The employee will be responsible for any other elected benefit contributions while out on FMLA.

7. Accrued Leave: Employees are required to use available sick and annual leave during FMLA leave. Accrued leave and FMLA leave are used at the same time – the employee does not take accrued leave first and then take FMLA.

When your circumstance qualifies for FMLA, you may not first use your accrued leave and then start FMLA leave. These two types of leave run concurrently – you are required to use them at the same time.

The portion of the family leave of absence which is annual leave time and/or sick leave will be with pay according to the County's policies regarding annual leave and sick leave.

During FMLA leave, the employee will not accrue employment benefits (such as annual leave and sick leave), if he or she is in an unpaid status. Employment benefits accrued up to the day on which the family leave of absence begins will not be lost. Any holidays that occur during FMLA will not be paid if the employee is in an unpaid status.

8. Return to Work: If the employee returns to work from FMLA leave before or on the business day following the expiration of the twelve (12) weeks, the employee is entitled to return to his or her job or an equivalent position without loss of benefits or pay.
9. Applications: Applications for FMLA leave must be submitted in writing. Applications should be submitted at least thirty (30) days before the leave is to start, or as soon as possible if leave is not foreseeable. Employees should provide the County with an appropriate medical certification when FMLA is requested.

IV.N. Jury Duty or Court Appearance

When an employee must miss work due to jury or witness duty, the employee will be excused from his or her job. **Upon receipt of the jury summons, notice must immediately be given to the direct supervisor.**

Full-time employees will be paid for time missed due to jury duty.

Part-time employees will be paid an average of time per day missed. Averages are based on the weekly number of hours the part-time employees worked over the previous quarter. Personnel will provide the average.

Witness duty must pertain to job-related business for excused absence with regular pay.

If the employee completes the assignment during regular work hours at any time during jury or witness duty, he or she is expected to return to work immediately.

Notify your supervisor if you must appear for jury or witness duty. Witness duty must be job-related in order to receive your regular pay.

Alabama Department of Conservation and Natural Resources - Letter in Support of Acquisition of Land along the Bon Secour River - National Coastal Wetlands Conservation Grant Program

STAFF RECOMMENDATION

Action item with discussion necessary - Discuss the request from the Alabama Department of Conservation & Natural Resources (ADCNR) for a letter of support for their Forever Wild Land Trust AL-National Coastal Wetland (NCW) Bon Secour River Wetlands Conservation Grant Application which would be used to purchase eighty-one (81) acres adjacent to the Swift-Coles Historic Home, owned and operated by the Baldwin County Historic Development Commission.

Take the following actions:

- 1) Approve and authorize the Chairman to execute a letter of support to The National Coastal Wetlands Conservation Grants Program Review Committee for the property purchase and installation of a walking trail on eighty-one (81) acres adjacent to the Swift-Coles Historic Home, which is owned and operated by the Baldwin County Historic Development Commission; and
- 2) If the grant is awarded for the property purchase and installation of the walking trail, authorize the donation of 25 tons of gravel, with an approximate cost of \$1,000.00, to be used for a gravel parking area along Bon Secour Highway.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The Planning and Zoning Department received a request from ADCNR for the Baldwin County Commission to execute a letter of support for their Forever Wild Land Trust's AL-NCW Bon Secour River Wetlands National Coastal Wetland Conservation Grant Application to purchase and install a walking trail on eighty-one (81) acres adjacent to the Baldwin County Historic Commission's Swift Coles Home. The ADCNR stated that their grant application would benefit from Commission support in the form of litter patrol along Bon Secour Highway and financial assistance with the gravel parking area along the highway. The Planning and Zoning Department verified with

Solid Waste that the County already performs litter patrol through a third-party contract for Bon Secour Highway. There would be no additional cost for this support. The donation of 25 tons of gravel would cost approximately \$1,000.00. The donation will only be required if the grant is awarded for the purchase and trail installation.

Text Amendments to Baldwin County Zoning Ordinance - Incorporation of Site Plan Approvals for Certain Developments

STAFF RECOMMENDATION

Authorize the Planning and Zoning staff to start the amendment process and begin advertising proposed text amendments to the Baldwin County Zoning Ordinance related to the Incorporation of Site Plan Approvals for Certain Developments.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: Based on recent discussions, it may be beneficial to replace the Land Use Certificate, Conditional Use, and Special Exception processes in the Zoning Ordinance with a single site plan approval process. This would help simplify the options from the public's perspective.

This amendment would simultaneously consider requiring a public hearing and Planning Commission approval of site plans that meet the following criteria:

- All multiple unit developments;
- Non-residential projects involving a combined total building square footage of 5,000 square feet or more;
- Non-residential developments within 200 feet of property that is either zoned or used as residential;
- Non-residential developments where more than 30% of the lot (excluding the building) is impervious;
- All changes to existing structures, other than single family residences, that increase the gross floor area by thirty percent (30%) or more, or;
- All changes of use on non-residential properties.

It is envisioned that the additional Planning Commission Site Plan Approval would not create an extra step for the applicant, as it would replace the Land Use Certificate approval process. The public hearing at the Planning Commission meeting would provide the community with an opportunity to work with the developer to modify the site in a manner that meets the community's needs.

Nearly every article of the ordinance would have some change from this proposed amendment, however the primary articles affected would be Articles 3 through 8 and Article 18. A draft is being prepared and will be forthcoming from staff.

Staff respectfully requests authorization to begin advertising the proposed amendments.

With the current schedule and deadlines, the proposed amendments will be taken to the Planning Commission in July 2021, and will be brought to the County Commission for a public hearing sometime in August 2021. The full text of the amendments will be available prior to the Planning Commission meeting.

STAFF RECOMMENDATION

Discuss and grant public comments regarding Case No. S-21047, Blackwater Farms Subdivision, appeal from the Baldwin County Planning and Zoning Commission denial of a Development Permit for a proposed six lot subdivision in the Elsanor area and take one of the following actions **(please select one)**:

- 1) Affirm the decision of the Baldwin County Planning and Zoning Commission and deny the Development Permit for Case No. S-21047, Blackwater Farms Subdivision; **or**
- 2) Reverse the decision of the Baldwin County Planning and Zoning Commission and approve the Development Permit for Case No. S-21047, Blackwater Farms Subdivision; **or**
- 3) Modify the decision of the Baldwin County Planning and Zoning Commission as it relates to the Development Permit for Case No. S-21047, Blackwater Farms Subdivision.

BACKGROUND INFORMATION

Previous Commission action/date: 03/02/2021 Last BCC action taken

Background:

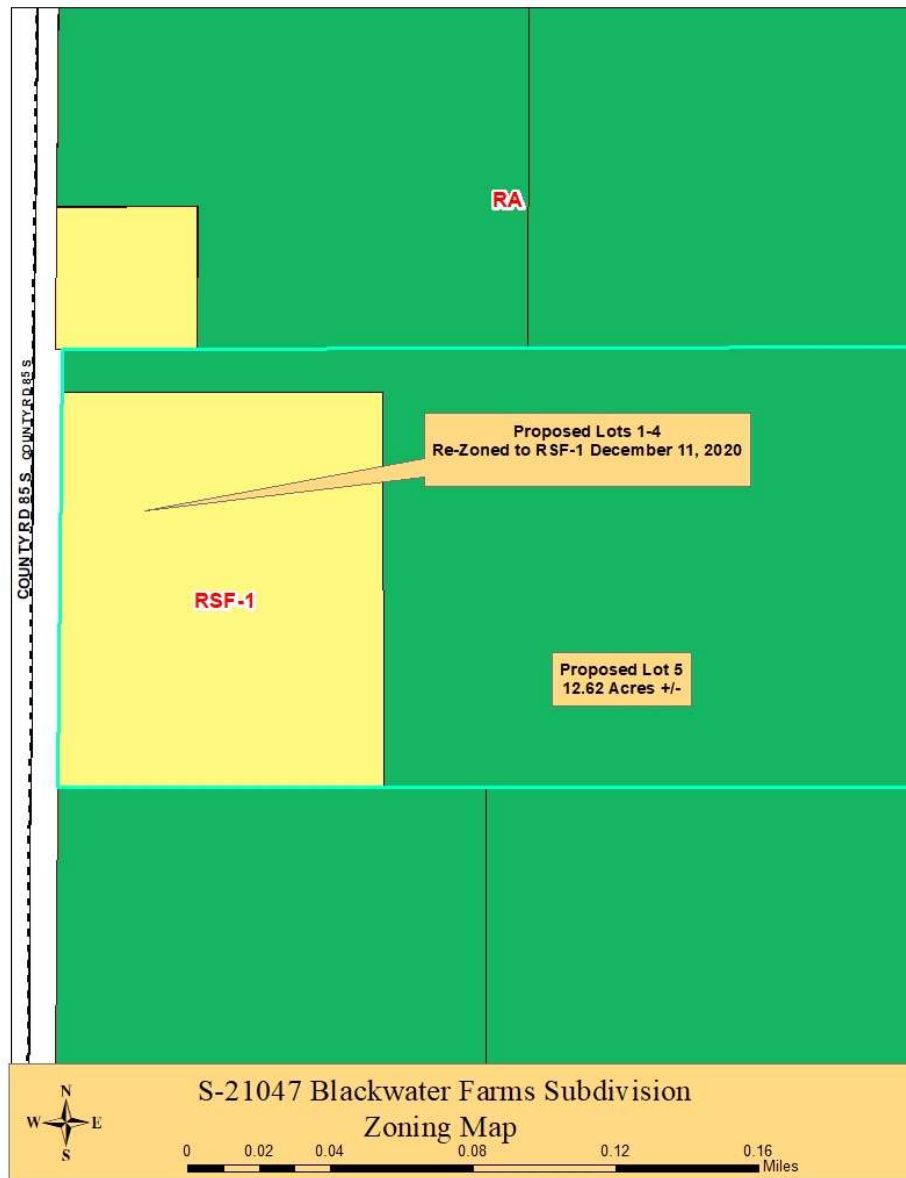

Staff reviewed the initial subdivision request, Case No. S-21005, a six (6) lot subdivision as part of the development permit review process and found no deficiencies. Staff recommended approval of the subdivision and the full staff report is attached. Two individuals spoke in opposition of the subdivision during the public hearing at the January 7, 2021, Planning and Zoning Commission meeting. The applicant was represented by Mr. David Shumer, P.E., the authorized agent. The Baldwin County Planning and Zoning Commission voted 5-1 to DENY the Development Permit related to Case No. S-21005, Blackwater Farms subdivision, a six (6) lot subdivision. The applicant

requested an appeal of the Baldwin County Planning and Zoning Commission's decision to the Baldwin County Commission. On March 2, 2021, Case No. S-21005 was considered by the Baldwin County Commission. After referring with the County Attorney, the Commission postponed the item to the April 6, 2021, Commission meeting. In the time between the March 2, 2021, Commission meeting and the April 6, 2021, Commission meeting the applicant, via an e-mail dated March 26, 2021, withdrew the appeal request and advised a new, five (5) lot subdivision request would be submitted for consideration by the Baldwin County Planning Commission.

Staff reviewed a second subdivision request related to subject property, Case No. S-21047, a five (5) lot subdivision, as part of the development permit review process and found no deficiencies. Staff recommended approval of the subdivision and the full staff report is attached. Five individuals spoke in opposition of the subdivision during the public hearing at the May 6, 2021, Planning and Zoning Commission meeting. An additional five individuals signed up in opposition to the development but did not speak during the public hearing. The applicant was represented by Mr. David Shumer, P.E., the authorized agent. The Baldwin County Planning and Zoning Commission voted 2-1 to DENY the Development Permit related to Case No. S-21047, Blackwater Farms subdivision, a five (5) lot subdivision.

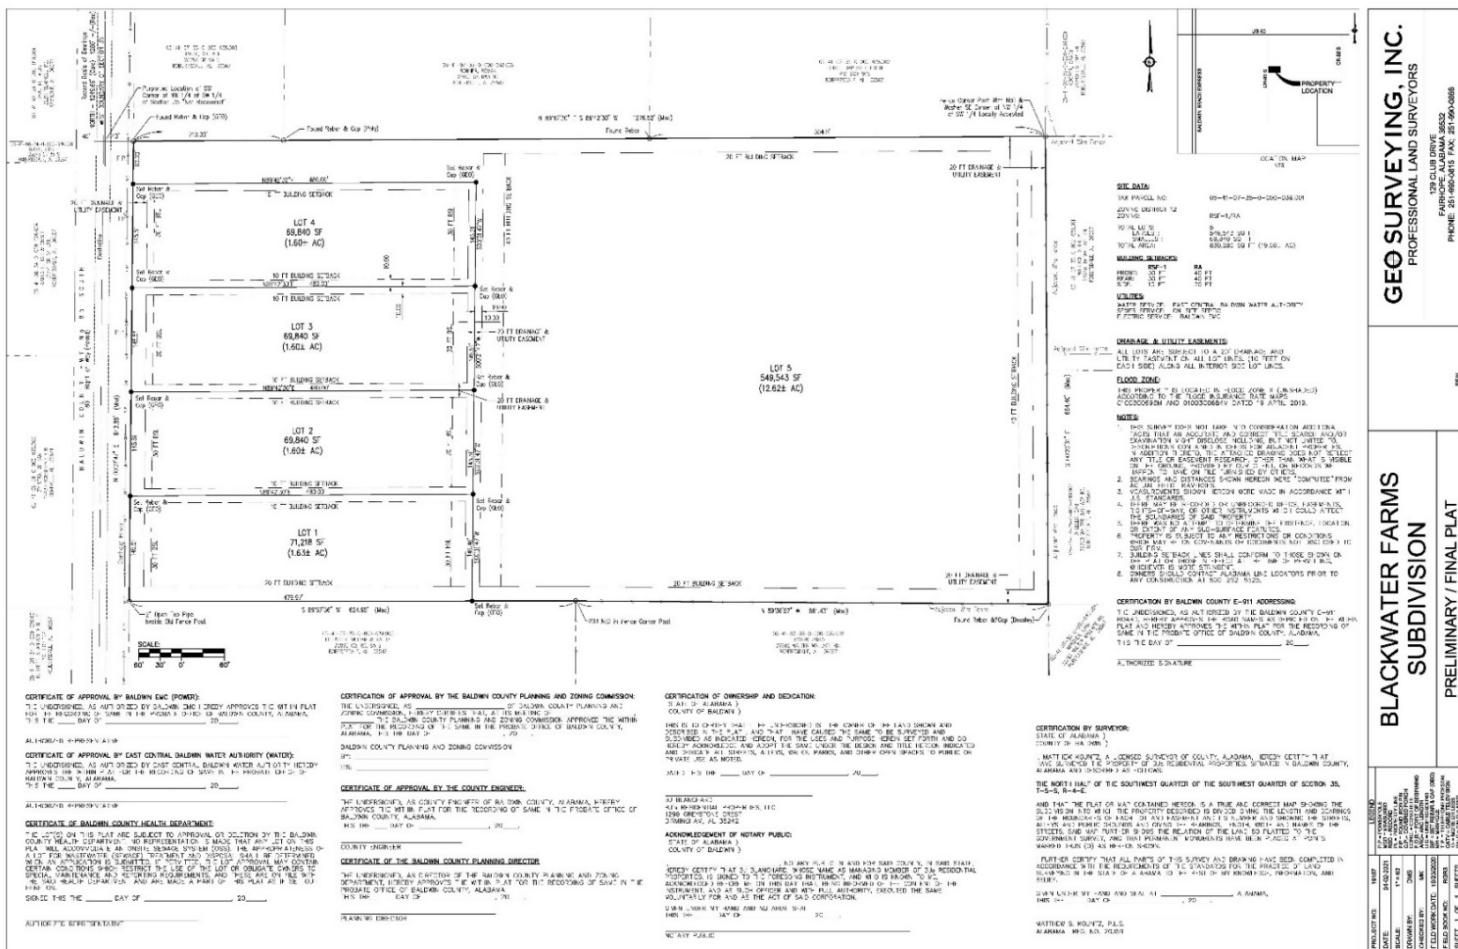

Existing Conditions:

Each of the two afore-mentioned subdivision requests share the same subject property parent parcel (Tax Parcel ID# 05-41-07-35-0-000-039.001 / PIN 31923) located on the east side of County Road 85 approximately ¼ mile south of US HWY 90 in the Elsanor Community east of Robertsdale. Subject property is approximately 19.06 acres (+/-) located within Planning District 12 and contains both RA Rural Agriculture and RSF-1 Single Family zoning classifications as seen in the image below.

Proposed Subdivision:

The owner is proposing to divide the 19.06 acre parcel into five lots, fronting on County Road 85 S. Four of the lots will be included in the area currently zoned RSF-1 and the fifth lot will include the remaining portion that is zoned RA. An excerpt of the proposed subdivision plat is included below:

Staff received a notice of appeal from the applicant on May 10, 2021, which is within the 30 days required for an appeal under the Subdivision Regulations. On May 20, 2021, Matthew Brown, Interim Planning and Zoning Director, submitted a copy of the file to the County Commission, County Administrator, County Attorney, and the County Engineer as required by the Subdivision Regulations.

The subdivision regulations dictate that appeals “shall be heard by the Baldwin County Commission at such regular or special meeting as the Baldwin County Commission shall determine, in its discretion.” And that, “[i]n the hearing of such appeals, the standard of review to be exercised by the Baldwin County Commission shall be de novo.”

In a de novo review, the Baldwin County Commission will review the decision of the Planning Commission as if it were a completely new case and as if the Planning Commission had not rendered a decision.

Staff mailed a notice of the public hearing for the appeal to adjacent property owners on June 4, 2021.

In this appeal, the Applicant is represented by engineer of record Mr. David Shumer, P.E. and attorney Mr. Larry Sutley.

BLACKWATER FARMS SUBDIVISION

Baldwin County, Alabama

Drainage Methodology:

This project consists of the division of a single piece of land into five (5) residential lots. The property is located on the east side of County Road 85 South with ± 640 feet of roadway frontage. The property is the north half of the southwest quarter of the southwest quarter of Section 35 and contains approximately 19.06 acres. The property is being subdivided into four (4) lots of ± 1.6 acres each and a remnant parcel containing 12.62 acres. The majority of the property is currently used as farm land with row crops with some isolated areas of trees.

The property has a ridge that runs from north to south approximately 600 feet from County Road 85 South. The drainage analysis consisted of two area calculations for each watershed (east and west). The east portion of the subdivision contains the five (5) smaller lots and the west is entirely within the remnant parcel. Based on the USGS Web Soil Survey the western portion of the property is primarily soil group A and B while the east side of the ridge contains B and C soils. Soil Group B was used to establish the Curve Numbers for the impact analysis of this development.

Calculations for the weighted curve number for each portion of the property were performed by treating the existing row crop property (CN=81) as pasture land (50-75% ground cover fair condition - CN=69), the smaller lots were calculated as 1.3 acre lots (CN=67.1) based on the one (1) (CN=68) and two (2) (CN=65) acre lots as a basis and the larger lot was calculated as two (2) acre lots (CN=65).

Using the SCS method with there will **not be an increase in runoff** as a result of changing from a farmed property to the proposed residential lots.

Site Area = 830,280 SF (± 19.06 AC)

WEST EXISTING:

CN = 67

(60) WOODED = 1.81 AC

(69) PASTURE = 6.77 AC

Tc = 4 min (Kirpich)

EAST EXISTING:

CN = 68

(60) WOODED = 1.59 AC

(69) PASTURE = 8.89 AC

Tc = 5 min (Kirpich)

WEST PROPOSED:

C = 66.58

(67.1) RESIDENTIAL (1.3 AC) = 6.44 AC

(65) RESIDENTIAL (12.6 AC) = 2.14 AC

Tc = 4 min (Kirpich)

EAST PROPOSED:

C = 65

(65) RESIDENTIAL (12.6 AC) - 100%

Tc = 5 min (Kirpich)

The results of the subdivision will not increase the runoff from the site based on the SCS method. No storm water runoff abatement is proposed.

Buford,

The lots could apply for residential driveway permits if/when they build homes/buildings on the properties. Any additional land use changes would have to be reviewed to accommodate for additional runoff.

Let me know if you need further information.

Thanks,
Weesie

Subject: S-21047 Blackwater Farms Subdivision package

Deb/Wessie, good morning, I have a new subdivision case for you:

S-21047, Blackwater Farms Subdivision, a 5-lot subdivision along CR 85 east of Robertsedale in planning district 12, to be heard at the May 6th PC meeting, all digital files at this link:

Weesie you'll see that David Shumer provided a drainage narrative with his PE stamp. Four of the five lots are 1.6 acres +/- and the fifth lot is 12.62 acres +/- . The area that will contain the four 1.6 acre +/- lots is zoned RSF-1 to allow the smaller lot size.

Please provide any review comments you may have, and via e-mail copy you'll see when my review comments go to the engineer.

**BLACKWATER FARMS SUBDIVISION**

Baldwin County, Alabama

Drainage Methodology:

This project consists of the division of a single piece of land into five (5) residential lots. The property is located on the east side of County Road 85 South with ± 640 feet of roadway frontage. The property is the north half of the southwest quarter of the southwest quarter of Section 35 and contains approximately 19.06 acres. The property is being subdivided into four (4) lots of ± 1.6 acres each and a remnant parcel containing 12.62 acres. The majority of the property is currently used as farm land with row crops with some isolated areas of trees.

The property has a ridge that runs from north to south approximately 600 feet from County Road 85 South. The drainage analysis consisted of two area calculations for each watershed (east and west). The east portion of the subdivision contains the five (5) smaller lots and the west is entirely within the remnant parcel. Based on the USGS Web Soil Survey the western portion of the property is primarily soil group A and B while the east side of the ridge contains B and C soils. Soil Group B was used to establish the Curve Numbers for the impact analysis of this development.

Calculations for the weighted curve number for each portion of the property were performed by treating the existing row crop property (CN=81) as pasture land (50-75% ground cover fair condition - CN=69), the smaller lots were calculated as 1.3 acre lots (CN=67.1) based on the one (1) (CN=68) and two (2) (CN=65) acre lots as a basis and the larger lot was calculated as two (2) acre lots (CN=65).

Using the SCS method with there will not be an increase in runoff as a result of changing from a farmed property to the proposed residential lots.

Site Area = 830,280 SF (± 19.06 AC)WEST EXISTING:

CN = 67

(60) WOODED = 1.81 AC

(69) PASTURE = 6.77 AC

Tc = 4 min (Kirpich)

EAST EXISTING:

CN = 68

(60) WOODED = 1.59 AC

(69) PASTURE = 8.89 AC

Tc = 5 min (Kirpich)

WEST PROPOSED:

C = 66.58

(67.1) RESIDENTIAL (1.3 AC) = 6.44 AC

(65) RESIDENTIAL (12.6 AC) = 2.14 AC

Tc = 4 min (Kirpich)

EAST PROPOSED:

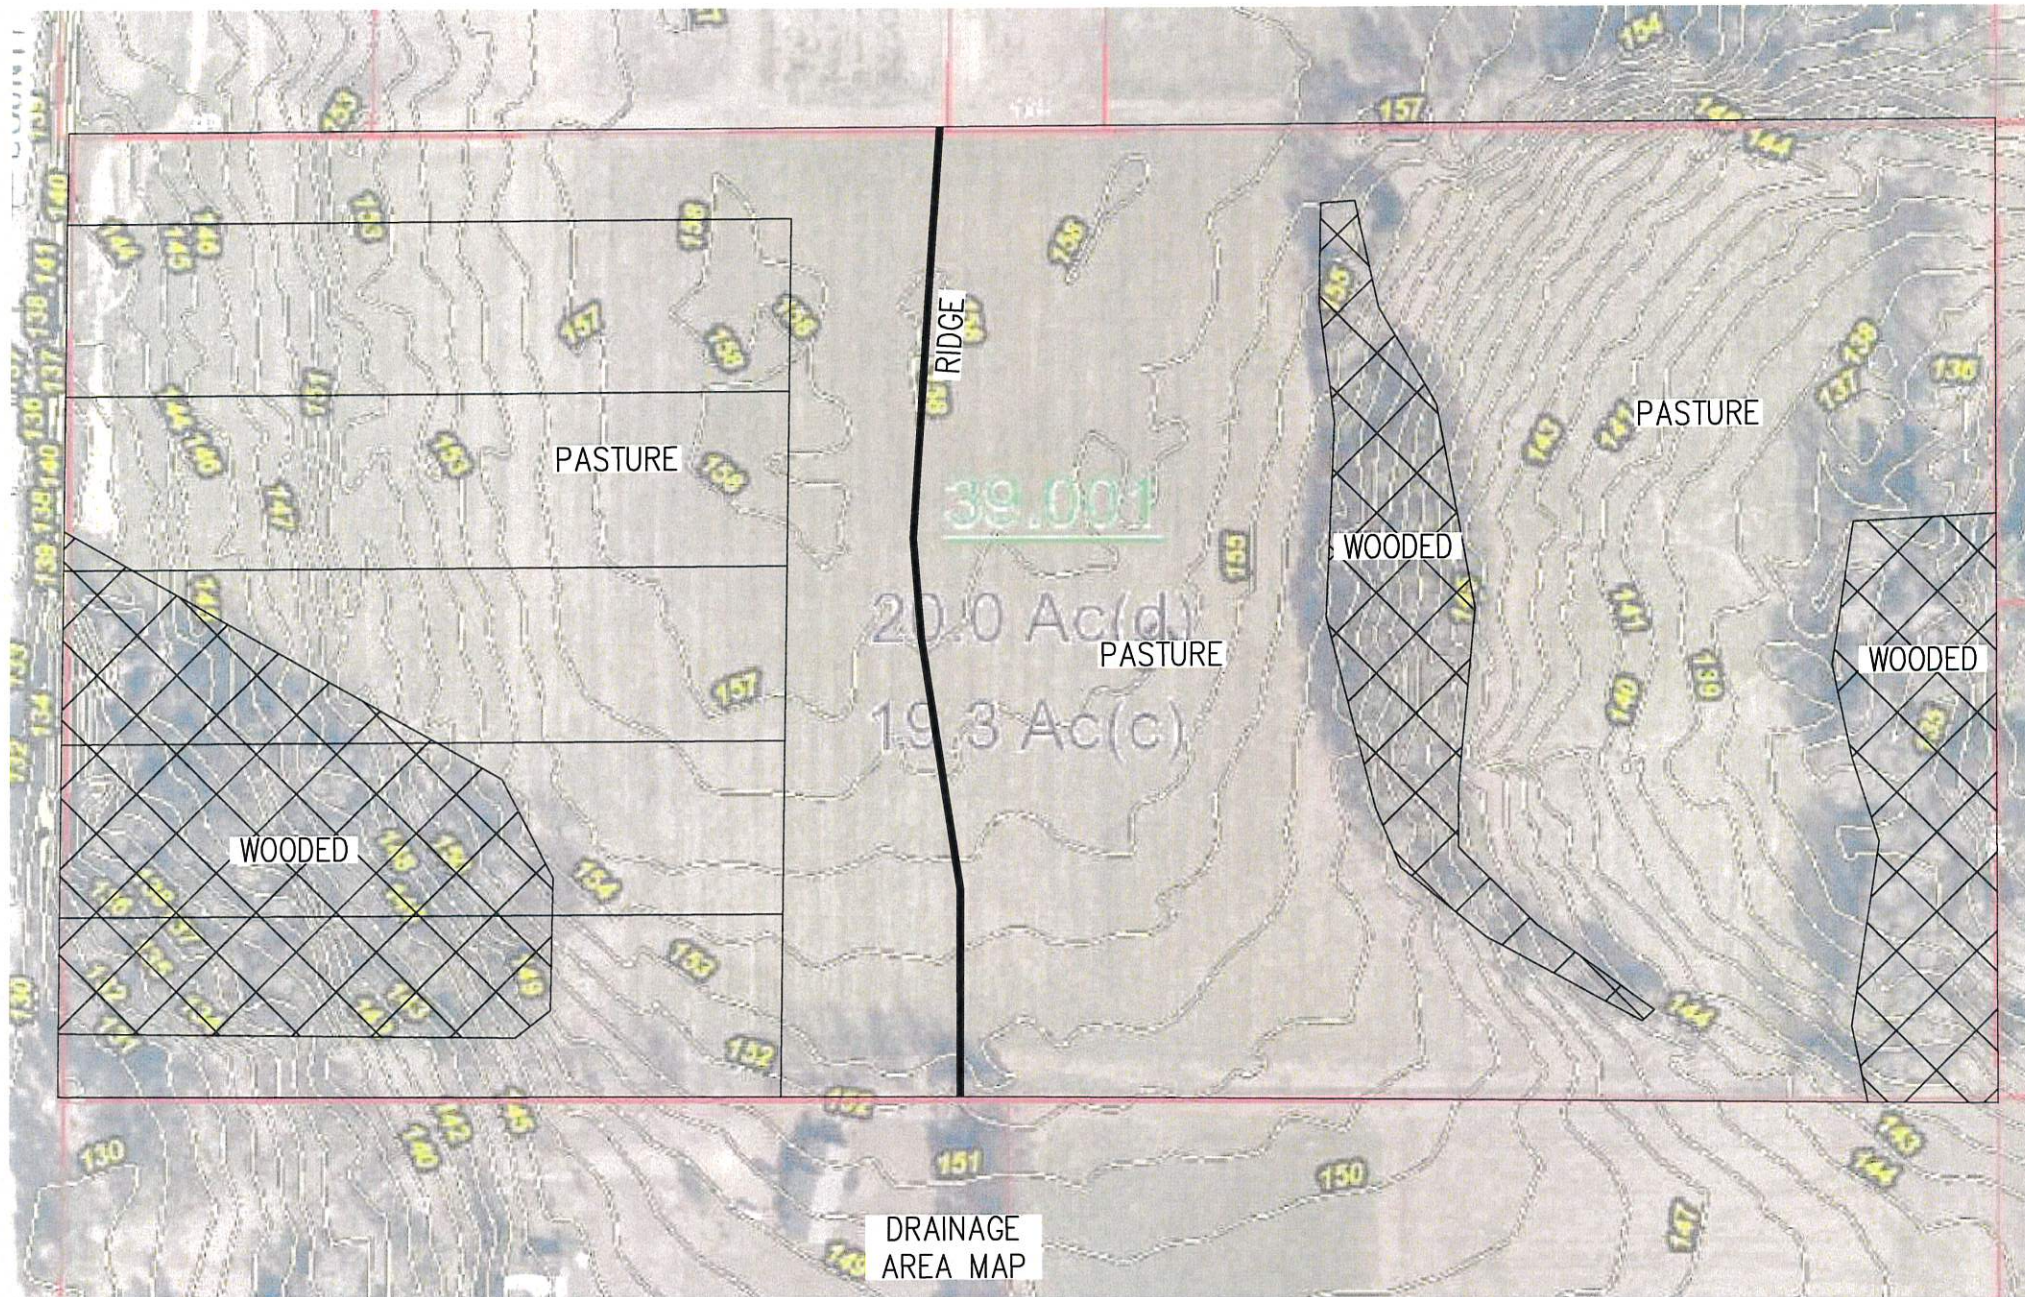

C = 65

(65) RESIDENTIAL (12.6 AC) - 100%

Tc = 5 min (Kirpich)

The results of the subdivision will not increase the runoff from the site based on the SCS method. No storm water runoff abatement is proposed.

Buford,

The lots could apply for residential driveway permits if/when they build homes/buildings on the properties. Any additional land use changes would have to be reviewed to accommodate for additional runoff.

Let me know if you need further information.

Thanks,
Weesie

Deb/Wessie, good morning, I have a new subdivision case for you:

S-21047, Blackwater Farms Subdivision, a 5-lot subdivision along CR 85 east of Robertsedale in planning district 12, to be heard at the May 6th PC meeting, all digital files at this link:

Weesie you'll see that David Shumer provided a drainage narrative with his PE stamp. Four of the five lots are 1.6 acres +/- and the fifth lot is 12.62 acres +/- . The area that will contain the four 1.6 acre +/- lots is zoned RSF-1 to allow the smaller lot size.

Please provide any review comments you may have, and via e-mail copy you'll see when my review comments go to the engineer.

Thank you,

Based on my discussions with the owner he is wanting to withdraw the appeal and move forward with a five lot layout.

?David, I need some formal communication that the applicant is withdrawing his appeal. That probably needs to come in the form of an email from Mr. Sutley.?

At least the timing is working out.

I have been directed to revise the layout to five total lots with four frontage lots at ~1.6 acres to meet the frontage requirement. Should be able to have everything to you by next week. Will I need an updated title report/statement?

Thanks,

David,

The Planning Commission shall not consider, for a period of 4 months, an application which has been disapproved. This was denied on January 7, 2021. Therefore, the earliest Planning Commission meeting this could be heard is May 6, 2021, and the deadline to submit a new application would be April 6, 2021, by noon.

Please let me know if you need anything further.

Mary,

What would the earliest submittal date be to resubmit for the Planning Commission (time between a denial and new layout submittal)? If we reduce to five (5) total lots could we submit in April for the May meeting?

- A wetland delineation is being updated to identify any potential wetlands.
- The drainage narrative will need to be updated accordingly.

Baldwin County
Administration Department
Received: June 10, 2021

To Whom It May Concern:

BJ's Residential Properties, LLC hired Barton Shumer Engineering to request a portion of a large tract of property to be rezoned RSF-1 (including the highway front 4 lot) and leaving the rear acreage RA. This was reviewed/approved as compliant by the planning and zoning staff on December 11, 2020.

At the Planning Commission meeting the county staff recommended approval based on the application's compliance with the Baldwin County Zoning and Planning regulations. In fact, the plan exceeds the criteria of the subdivision regulations and zoning ordinance. Engineering provided drainage calculation as part of the drainage analysis report which was reviewed and approved by the County's staff engineer.

The purpose of this appeal is the unwarranted denial by the Commission:

The neighbors who spoke gave no legal reason based in the Baldwin County regulations they simply referred to water runoff as a possibility. They do not want a subdivision. Not wanting a subdivision is not a justifiable reason for denial.

Roman Bonner subdivided and rezoned his R/A property on the south west corner to RSF-1 in 2019. He sold to Mr. Gene Hinote who promptly put a mobile home on it with the entrance on the north side of the property next to Mr. Bonner's land. This parcel borders my property on my northside (PPIN 382723).

Please note the elevation of Highway 85 south off Highway 98 is in excess of 15' running south to two 30 inch culverts. After any drainage water passes under Hwy 85 it drains to the west. My 4 lots all slope to the south, not towards either the Bonner or the Hinote pieces.

During the Planning Commission meeting, and despite the facts of the land sloping south of Mr. Hinote expressed concern that my subdivision would cause erosion to his driveway on the north side of his lot even though all of my property is south of Mr. Hinote's. The contour of the proposed 4 lot subdivision drains straight south. Any driveway entrance erosion, is coming from the Bonner property.

Please note that Mr. Roman Bonner tried to prejudice a fair hearing by mentioning the following during the Planning Commission public hearing:

Mr. Blanchard lives in Birmingham and does not care about Baldwin County.

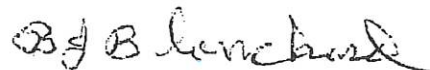

I have had six residences over the last 30 years in Baldwin County. I currently have a home at 951 Sea Cliff Drive in Fairhope. I have always had a home and numerous investment properties in Baldwin County. I have my fulltime office located at 19653-A State Highway 59. I have had 8 full time employees for the past 22 years in Baldwin County. My wife and I and associated LLCs pay property taxes on 100 plus properties in Baldwin County. I currently employ 2 Baldwin County subcontractors performing work on 4 ongoing projects in Baldwin County. I spend a significant part of my time living and working in Baldwin County and doing planning and building with my Baldwin County office, lawyers, engineers, subcontractors and other professionals.

I consider myself a good, hard working citizen. I have donated the property the Chamber of Commerce building sits on in Robertsdale. I recently donated property on Lipscomb Road off Highway 98 in Magnolia Springs for paving, not because I don't care, but because I do.

Please find attached pictures of Mr. Hinote's land and home after Bonner subdivided and rezoned it. I have also included a letter from a real estate agent in Robertsdale from whom I purchased the property through. The letter explains communications with Mr. Bonner after my purchase which should give you some idea of the true motivations to the opposition to what we are trying to do. Also attached is a letter from J. E. Hamlin who performed perk tests on the property once it was administratively approved for RSF-1.

I plan on being at the meeting you have set should you have any questions or want any comment.

Sincerely,

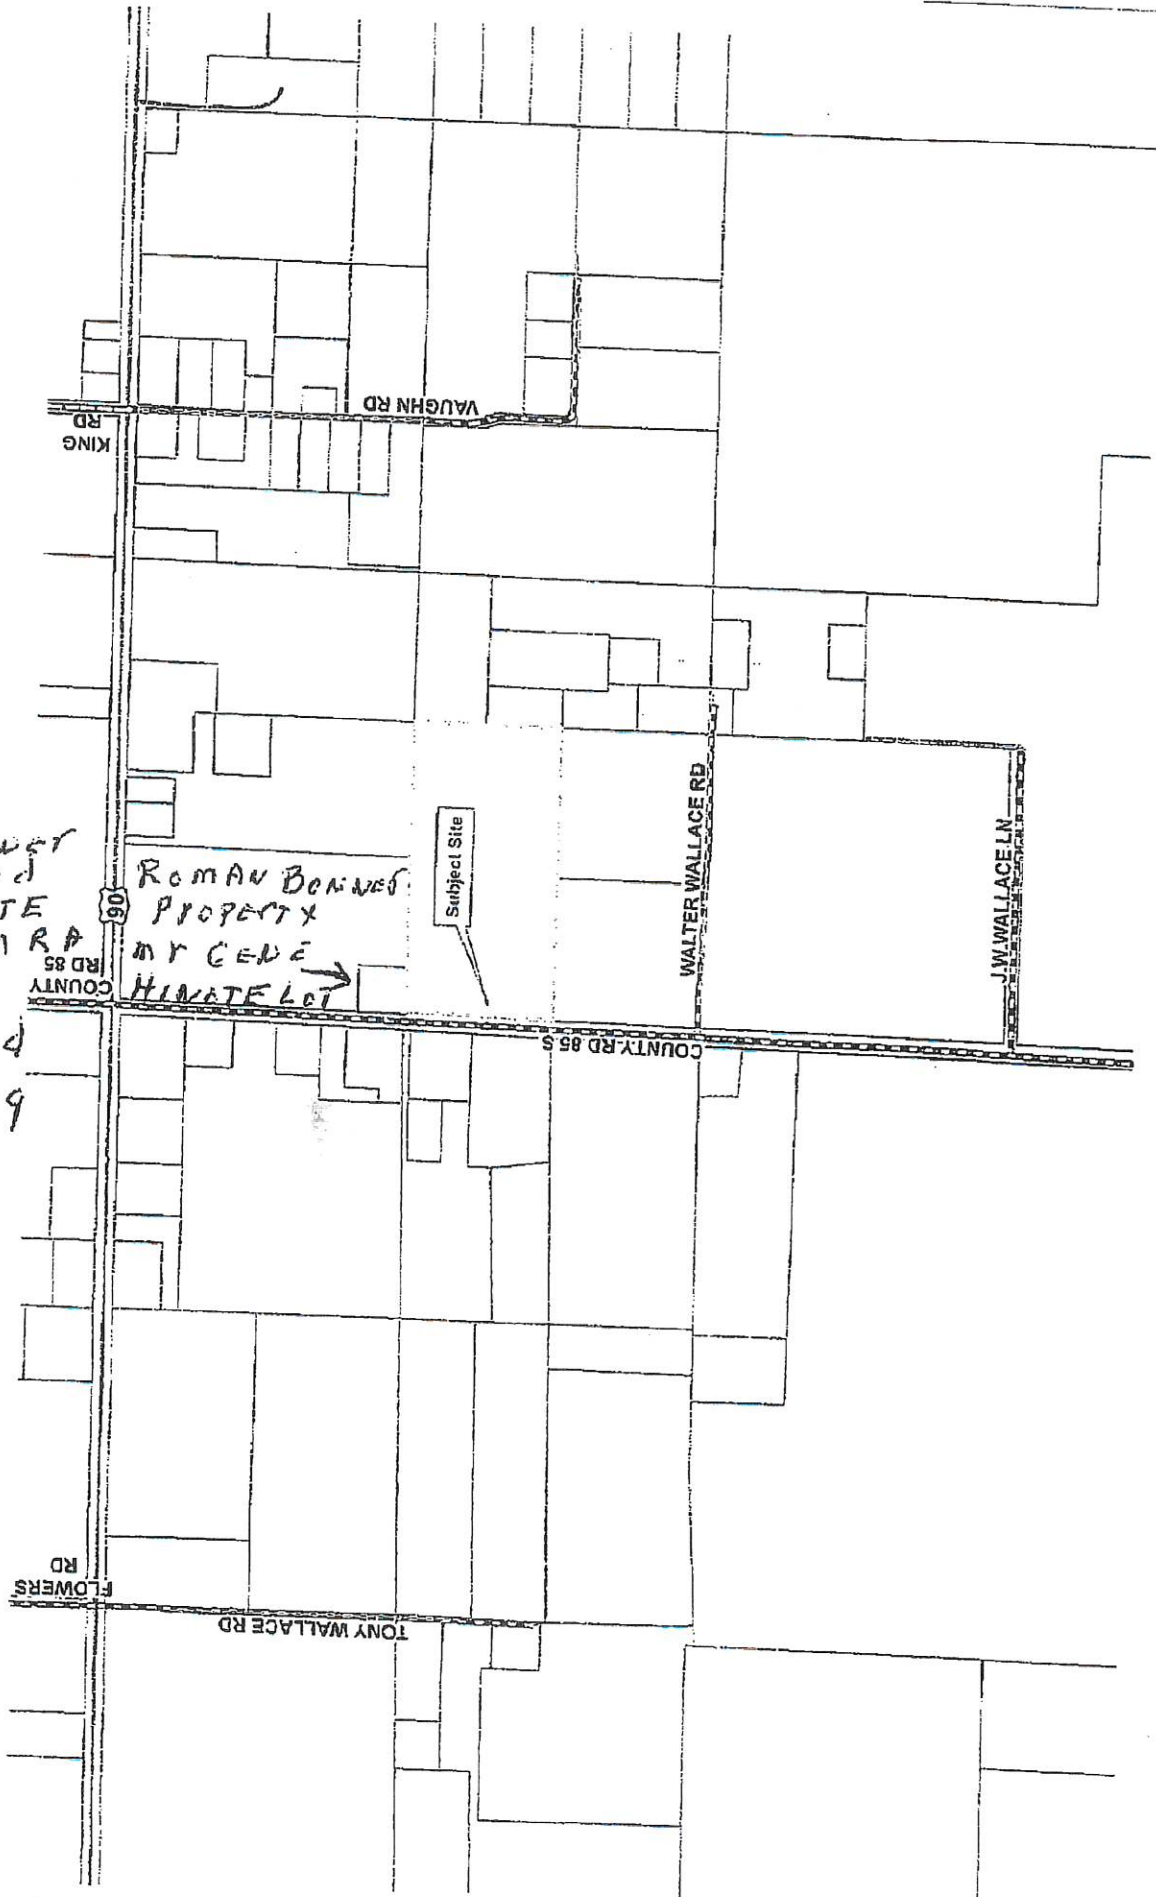

B. J. Blanchard

June 8, 2021

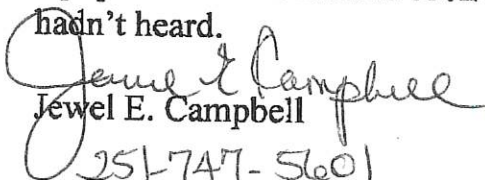

A couple of years ago BJ Blanchard was looking for property and I told him about a piece of land on 85 S that I had seen and called the agent and got a price for him, but he wasn't interested at that time. Fast forward and he is looking for land and I told him he should re-visit the piece on 85 S it was very pretty, but I couldn't remember what they had been asking price wise and the sign was gone. I called Roman Bonner and asked him had it sold, and he said "No, no one would pay what she was asking."

So, I looked up on the tax record to see who owned the land and could not find their phone number, but the middle name was Novak, so I called Anthony Novak and he gave me his cousins phone number. I called she told me what she wanted for the land, I told BJ and he bought it. After the sale closed BJ called me and asked if I would call and see who owned the farm equipment on the property and let them know he had bought the property and they could come get the equipment. I called Roman and he said the equipment belonged to Bruce and he didn't care what happened to it and he went into a cussing tirade at me and said I could tell BJ he would never be able to subdivide that property or put trailers on it he would see to that.

He was going to put signs up and get a petition started it would never happen. I said Roman he was just trying to be nice about the equipment why are you so upset. You just divided your property right next to his and let them put a mobile home on it.

He said he didn't like me anymore and don't ever call him again. So, I called Kathy Foley because I didn't have Bruce's phone number and told her about the equipment and Roman.

She said Bruce was out of town, but he would get the equipment off the land as soon as he got home. I guess he did I hadn't heard.

B J Blanchard and to whom else it may concern:

Re; Property on Co. Rd. 85 south of U S 90
I have had encounters with Mr. Bonner twice:

1. He came out to what is now Mr. Blanchard's property and wanted to know what I was doing on property that he owned. He did not come on the property that time.
2. I was digging soil borings, part of the procedure of doing perc tests, and he again came out and told me that I could not proceed with things relative to dividing this property because the zoning would not allow it. I told him, after he had walked about 60-80' onto Mr. Blanchard's property, that he was trespassing. He immediately left. This happened on 12/10/20 and was witnessed by my nephew, who was working with me for the day.

If you need further information, let me know.

ARTICLE 8. LEASE HOLD MORTGAGES

Leasehold Mortgages Not Permitted

8.01 Lessee shall not be permitted to mortgage Lessee's leasehold interest in the Leased Premises. Lessee agrees to subordinate any interest created by this lease to any indebtedness of the Lessor presently or hereinafter existing. This includes, without limitation, bond financing.

ARTICLE 9. DEFAULT

Events of Default

9.01 Lessee's failure to observe or perform or cause to be observed or performed any other term, covenant, or agreement under this Lease shall constitute a default under this Lease.

Notice of Election to Terminate Lessee's Possession

9.02 If any event creating default occurs, Lessor may elect to terminate Lessee's right of possession under this Lease. Upon termination, all of Lessee's rights, title, and interest in the Leased Premises shall expire completely and Lessee shall, within a reasonable time, quit and surrender the Leased Premises.

Lessor's Entry After Termination of Lessee's Possession

9.03 At any time after the termination of Lessee's right of possession under this Lease pursuant to Paragraph 9.02 of this Lease, Lessor may enter and possess the Leased Premises by summary proceedings, ejectment, or otherwise, and Lessor may remove Lessee and all other persons and property from the Leased Premises.

Costs Incurred Due to Breach

9.04 Lessee expressly agrees to pay all expenses that Lessor may incur for reasonable attorneys' fees, and all other costs paid or incurred by Lessor for enforcing the terms and provisions of this Lease, restoring the Leased Premises to good order and condition, and for maintaining the Leased Premises.

ARTICLE 10. EXPIRATION OF TERM

Lessee's Delivery of Possession After Termination or Expiration

10.01 On the expiration date of this Lease as set forth in Paragraph 2.01 of this Lease, or the termination of Lessee's possession under this Lease pursuant to Paragraph 9.03, or any entry or possession of the Leased Premises by Lessor pursuant to Paragraph 9.03 (collectively referred to as the "Expiration Date"), Lessee shall promptly quit and surrender the Leased Premises, and deliver to Lessor actual possession and ownership of the Leased Premises, and return the premises in good condition, wear and tear excepted.

Lessee's Removal of Movable Objects

10.02 Lessee shall have the right to remove from the Leased Premises and Improvements all movable fixtures, movable equipment, and articles of personal property used or procured for use in connection with the use of the Leased Premises on or before the Expiration Date, provided that Lessee shall promptly repair, or cause to be repaired, any damage resulting to the Leased Premises or Improvements by reason of this removal. Any fixtures, equipment, or articles of personal property of Lessee that remain at or on the Leased Premises after the Expiration Date shall be deemed to have been abandoned by Lessee, and may either be retained by Lessor as its property or disposed of by Lessor without accountability to Lessee for the value of these fixtures, equipment, or articles of personal property, or any proceeds derived from the sale of these items.

ARTICLE 11. GENERAL PROVISIONS

No Waiver of Breach by Lessor's Actions

11.01 The failure of Lessor to seek redress for violation of, or to insist on the strict performance of any covenant, agreement, term, provision, or condition of this Lease shall not constitute a waiver of the covenant, agreement, term, provision, or condition. The receipt by Lessor of rent with knowledge of the breach of any covenant, agreement, term, provision, or condition of this Lease shall not be deemed a waiver of that breach.

Waiver of Any Provision Must Be Written

11.02 No provision of this Lease shall be deemed to have been waived, unless the waiver is in writing and signed by the party against whom enforcement is sought. Each right and remedy of Lessor provided for in this Lease shall be cumulative and in addition to every other right or remedy provided for in this Lease, or now or later existing at law, in equity, by statute, or otherwise.

Entire Agreement

11.03 This Lease and the Exhibits annexed to this Lease contain the entire agreement between Lessor and Lessee, and any agreement made after the execution of this Lease between Lessor and Lessee shall be ineffective to change, modify, waive, release, discharge, terminate, or effect a surrender or abandonment of this Lease, in whole or in part, unless that agreement is in writing and signed by the party against whom enforcement is sought.

Notices

11.04 All notices and demands of any kind that either party may be required or may desire to give to the other in connection with this Lease must be given by registered or certified mail, return receipt requested, with postage fully prepaid, and addressed to the party to be served at the party's address as set forth below. ARTICLE 12. DISCLAIMER OF WARRANTIES

12.01 The execution by the Lessor and Lessee of this Agreement shall not be construed as a warranty or representation by the Lessor or by Lessee that the premises are fit and suitable for the use which Lessee intends to make or may make of the premises or for the installation of the proposed improvements. BACKGROUND INFORMATION

Previous Commission action/date: 06/04/2019

Background: At its regularly scheduled meeting on June 4, 2019, the Commission approved and authorized the Chairman to sign all documents related to the purchase and installation of Tyler Technologies software and related services through a Sourcewell contract, formerly known as National Joint Powers Alliance, for the amount of \$1,140,220.00 with an additional estimated travel cost of \$97,270.00. Unless otherwise noted, prices submitted in the quote do not include travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.

Comments

Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting. Installations are completed remotely, but can be done onsite upon request at an additional cost.

In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.

Tyler provides onsite training for a maximum of 12 people per class. In the event that more than 12 users wish to participate in a training class or more than one occurrence of a class is needed, Tyler will either provide additional days at then-current rates for training or Tyler will utilize a Train-the-Trainer approach whereby the client designated attendees of the initial training can thereafter train the remaining users.

Tyler's pricing is based on the scope of proposed products and services being obtained from Tyler. Should portions of the scope of products or services be removed by the Client, Tyler reserves the right to adjust prices for the remaining scope accordingly.

Project Management includes project planning, kickoff meeting, status calls, task monitoring, verification and transition to support.

Development modifications, interfaces and services, where applicable, shall be invoiced to the client in the following manner: 50% of total upon authorized signature to proceed on program specifications and the remaining 50% of total upon delivery of modifications, interface and services.

2. Third Party Software. Upon payment in full of the Third Party Software license fees, you will receive a non-transferable license to use the Third Party Software and related documentation for your internal business purposes only. Your license rights to the Third Party Software will be governed by the Third Party Terms.
 - 2.1 We will install onsite the Third Party Software. The installation cost is included in the installation fee in the Investment Summary.
 - 2.2 If the Developer charges a fee for future updates, releases, or other enhancements to the Third Party Software, you will be required to pay such additional future fee.
 - 2.3 The right to transfer the Third Party Software to a replacement hardware system is governed by the Developer. You will give us advance written notice of any such transfer and will pay us for any required or requested technical assistance from us associated with such transfer.
3. Third Party Products Warranties.
 - 3.1 We are authorized by each Developer to grant or transfer the licenses to the Third Party Software.
 - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.
 - 3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.
4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third-party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.
5. Maintenance. If you have a Maintenance and Support Agreement in effect, you may report defects and other issues related to the Third Party Software directly to us, and we will (a) directly address the defect or issue, to the extent it relates to our interface with the Third Party Software; and/or (b) facilitate resolution with the Developer, unless that Developer requires that you have a separate, direct maintenance agreement in effect with that Developer. In all events, if you do not have a Maintenance and Support Agreement in effect with us, you will be responsible for resolving defects and other issues related to the Third Party Software directly with the Developer.
6. Doc Origin Software. Tyler uses DocOrigin software as part of Tyler's Tyler Forms Processing software and whereas Tyler provides a site license for Tyler Forms Processing. Exhibit D, Schedule 1, Section 1.4 of the EULA does not apply to the Client's use of the Software.

SECTION F – INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you for all fees set forth in the Investment Summary per our Invoicing and Payment Policy, subject to Section F(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION G – TERMINATION

1. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section F(2).
 - 1.1 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section I(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section I(3).
 - 1.2 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of this Agreement for a period of forty-five (45) days or more.
 - 1.3 Lack of Appropriations. If you should not appropriate or otherwise receive funds sufficient to purchase, lease, operate, or maintain the software or services set forth in this Agreement, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid license and other fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

SECTION H – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.
 - 1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us

promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

1.2 Our obligations under this Section H(1) will not apply to the extent the claim or adverse final judgment is based on your: (a) use of a previous version of the Tyler Software and the claim would have been avoided had you installed and used the current version of the Tyler Software, and we provided notice of that requirement to you; (b) combining the Tyler Software with any product or device not provided, contemplated, or approved by us; (c) altering or modifying the Tyler Software, including any modification by third parties at your direction or otherwise permitted by you; (d) use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties; or (e) willful infringement, including use of the Tyler Software after we notify you to discontinue use due to such a claim.

1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; (c) replace it with a functional equivalent; or (d) terminate your license and refund the license fees paid for the infringing Tyler Software, as depreciated on a straight-line basis measured over seven (7) years from the Effective Date. We will pursue those options in the order listed herein. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE

MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

4. **LIMITATION OF LIABILITY.** EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) PRIOR TO FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE TOTAL ONE-TIME FEES SET FORTH IN THE INVESTMENT SUMMARY; OR (B) AFTER FORMAL TRANSITION TO MAINTENANCE AND SUPPORT, THE THEN-CURRENT ANNUAL MAINTENANCE AND SUPPORT FEE. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS H(1) AND H(2).
5. **EXCLUSION OF CERTAIN DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
6. **Insurance.** During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION I – GENERAL TERMS AND CONDITIONS

1. **Additional Products and Services.** You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date, and thereafter at our then-current list price, by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.
2. **Optional Items.** Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.
3. **Dispute Resolution.** You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains

unresolved after mediation, then either of us may assert our respective rights and remedies in a court of competent jurisdiction. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.

4. Taxes. The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
5. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
6. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.
7. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
8. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
9. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
10. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.
11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.
12. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of

this Agreement will be considered valid and enforceable to the fullest extent permitted by law.

13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.
15. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (e.g., social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:
 - (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;
 - (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
 - (c) a party receives from a third party who has a right to disclose it to the receiving party; or
 - (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.
18. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.
19. Governing Law. This Agreement will be governed by and construed in accordance with the laws of your

state of domicile, without regard to its rules on conflicts of law.

20. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee's private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a "mid-size" or "intermediate" car. "Full" size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler's TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

"No shows" or cancellation fees are not reimbursable if the employee does not comply with the hotel's cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of Defense and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C Maintenance and Support Agreement

We will provide you with the following maintenance and support services for the Tyler Software. Capitalized terms not otherwise defined will have the meaning assigned to such terms in the Agreement.

1. Term. We provide maintenance and support services on an annual basis. The initial term commences on the Effective Date, and remains in effect for one (1) year. The term will renew automatically for additional one (1) year terms unless terminated in writing by either party at least thirty (30) days prior to the end of the then-current term. We will adjust the term to match your first use of the Tyler Software in live production if that event precedes the one (1) year anniversary of the Effective Date.
2. Maintenance and Support Fees. Your year 1 maintenance and support fees for the Tyler Software are listed in the Investment Summary, and your payment obligations are set forth in the Invoicing and Payment Policy. We reserve the right to suspend maintenance and support services if you fail to pay undisputed maintenance and support fees within thirty (30) days of our written notice. We will reinstate maintenance and support services only if you pay all past due maintenance and support fees, including all fees for the periods during which services were suspended.
3. Maintenance and Support Services. As long as you are not using the Help Desk as a substitute for our training services on the Tyler Software, and you timely pay your maintenance and support fees, we will, consistent with our then-current Support Call Process:
 - 3.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (limited to the then-current version and the immediately prior version); provided, however, that if you modify the Tyler Software without our consent, our obligation to provide maintenance and support services on and warrant the Tyler Software will be void;
 - 3.2 provide telephone support during our established support hours;
 - 3.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;
 - 3.4 provide you with a copy of all major and minor releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and
 - 3.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with our then-current release life cycle policy.
4. Client Responsibilities. We will use all reasonable efforts to perform any maintenance and support services

remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain a VPN for backup connectivity purposes.

5. Hardware and Other Systems. If you are a self-hosted customer and, in the process of diagnosing a software support issue, it is discovered that one of your peripheral systems or other software is the cause of the issue, we will notify you so that you may contact the support agency for that peripheral system. We cannot support or maintain Third Party Products except as expressly set forth in the Agreement.

In order for us to provide the highest level of software support, you bear the following responsibility related to hardware and software:

- (a) All infrastructure executing Tyler Software shall be managed by you;
- (b) You will maintain support contracts for all non-Tyler software associated with Tyler Software (including operating systems and database management systems, but excluding Third-Party Software, if any); and
- (c) You will perform daily database backups and verify that those backups are successful.

6. Other Excluded Services. Maintenance and support fees do not include fees for the following services: (a) initial installation or implementation of the Tyler Software; (b) onsite maintenance and support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (c) application design; (d) other consulting services; (e) maintenance and support of an operating system or hardware, unless you are a hosted customer; (f) support outside our normal business hours as listed in our then-current Support Call Process; or (g) installation, training services, or third party product costs related to a new release. Requested maintenance and support services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

7. Current Support Call Process. Our current Support Call Process for the Tyler Software is attached to this Exhibit C at Schedule 1.

Exhibit C

Schedule 1

Support Call Process

- (3) Email – for less urgent situations, users may submit unlimited emails directly to the software support group.
- (4) Telephone – for urgent or complex questions, users receive toll-free, unlimited telephone software support.

Support Resources

A number of additional resources are available to provide a comprehensive and complete support experience:

Memorial Day	Day after Thanksgiving
Independence Day	Christmas Day

Issue Handling

Incident Tracking

Every support incident is logged into Tyler's Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler's website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client's needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain "characteristics" may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client's remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler's responsibility for loss or corrupted data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler's responsibility for lost or corrupted data is limited to assisting the client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

- (1) Level 1: front-line representatives
- (2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
- (3) Level 3: assist in incident escalations and specialized client issues
- (4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

- (1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
- (2) Email – clients can send an email to software support in order to escalate the priority of an issue
- (3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

ATTENTION: THE SOFTWARE PROVIDED UNDER THIS AGREEMENT IS BEING LICENSED TO YOU BY ECLIPSE CORPORATION WSL, INC. (Eclipse Corporation) AND IS NOT BEING SOLD. THIS SOFTWARE IS PROVIDED UNDER THE FOLLOWING AGREEMENT THAT SPECIFIES WHAT YOU MAY DO WITH THE SOFTWARE AND CONTAINS IMPORTANT LIMITATIONS ON REPRESENTATIONS, WARRANTIES, CONDITIONS, REMEDIES, AND LIABILITIES.

DocOrigin

SOFTWARE LICENSE

IMPORTANT-READ CAREFULLY: This End-User License Agreement ("Agreement" or "EULA") is a legal agreement between you (either an individual person or a single legal entity, who will be referred to in this EULA as "You") and Eclipse Corporation WSL, Inc. referred to in this EULA as Eclipse Corporation, for the DocOrigin software product that accompanies this EULA, including any associated media, printed materials and electronic documentation (the "Software"). The Software also encompasses any software updates, add-on components, web services and/or supplements that may be provided to you or made available to you after the date you obtain the initial copy of the Software to the extent that such items are not accompanied by a separate license agreement or terms of use. If you receive the Software under separate terms from your distributor, those terms will take precedence over any conflicting terms of this EULA.

By installing, copying, downloading, accessing or otherwise using the Software, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, do not install, access or use the Software; instead, you should remove the Software from all systems and receive a full refund.

IF YOU ARE AN AGENT OR EMPLOYEE OF ANOTHER ENTITY YOU REPRESENT AND WARRANT THAT (I) THE INDIVIDUAL ACCEPTING THIS AGREEMENT IS DULY AUTHORIZED TO ACCEPT THIS AGREEMENT ON SUCH ENTITY'S BEHALF AND TO BIND SUCH ENTITY, AND (II) SUCH ENTITY HAS FULL POWER, CORPORATE OR OTHERWISE, TO ENTER INTO THIS AGREEMENT AND PERFORM ITS OBLIGATIONS HEREUNDER.

1. LICENSE TERMS

- 1.1** In this Agreement a "License Key" means any license key, activation code, or similar installation, access or usage control codes, including serial numbers digitally created and or provided by Eclipse Corporation, designed to provide unlocked access to the Software and its functionality.
- 1.2** **Evaluation License.** Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You a limited, royalty-free, non-exclusive, non-transferable license to download and install a copy of the Software from www.docorigin.com on a single machine and use it on a royalty-free basis for no more than 120 days from the date of installation (the "Evaluation Period"). You may use the Software during the Evaluation Period solely for the purpose of testing and evaluating it to determine if You wish to obtain a commercial, production license for the Software. This evaluation license grant will automatically end on expiry of the Evaluation Period and you acknowledge and agree that Eclipse Corporation will be under no obligation to renew or extend the Evaluation Period. If you wish to continue using the Software You may, on payment of the applicable fees, upgrade to a full license (as further described in section 1.3 below) on the terms of this Agreement and will be issued with a License Key for the same. If you do not wish to continue to license the Software after expiry of the Evaluation Period, then You agree to comply with the termination obligations set out in section [7.3] of this Agreement. For greater certainty, any document generated by you under an evaluation license will have a 'spoiler' or watermark on the output document. Documents generated by DocOrigin software that has a valid license key file also installed will not have the 'spoiler' produced. You are not permitted to remove the watermark or 'spoiler' from documents generated using the software under an evaluation license.
- 1.3** **Development and Testing Licenses.** Development and testing licenses are available for purchase through authorized distributors and resellers of Eclipse Corporation only. Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You, a perpetual (subject to termination by Eclipse Corporation due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide

non-sub license able license to download and install a copy of the Software from www.docorigin.com on a single machine and use for development and testing to create collateral deployable to Your production system(s). You are not entitled to use a development and testing license for live production purposes.

- 1.4 Production Licenses.** Production licenses are available for purchase through authorized distributors and resellers of Eclipse Corporation only. Subject to all of the terms and conditions of this Agreement, Eclipse Corporation grants You, a perpetual (subject to termination by Eclipse Corporation due to your breach of the terms of this Agreement), non-exclusive, non-transferable, worldwide non-sub license able license to use the Software in accordance with the license type purchased by you as set out on your purchase order as further described below. For greater certainty, unless otherwise agreed in a purchase order concluded with an approved distributor of the Software, and approved by Eclipse Corporation, the default license to the Software is a per-CPU license as described in A. below:
- A. Per-CPU.** The total number of CPUs on a computer used to operate the Software may not exceed the licensed quantity of CPUs. For purposes of this license metric: (a) CPUs may contain more than one processing core, each group of two (2) processing cores is consider one (1) CPU., and any remaining unpaired processing core, will be deemed a CPU. (b) all CPUs on a computer on which the Software is installed shall be deemed to operate the Software unless You configure that computer (using a reliable and verifiable means of hardware or software partitioning) such that the total number of CPUs that actually operate the Software is less than the total number on that computer. Virtual Machines ("VM's") are considered as a server. Installing and configuring the software on multiple VM's requires one license per VM server. An enterprise license is available upon request. Pricing varies based on the size of the company.
 - B. Per-Document.** This is defined as a fee per document based on the total number of documents generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages. A document may contain 1 or more pages. For instance, a batch of invoices for 250 customers may contain 1,000 pages, this will be counted as 250 documents which should correspond to 250 invoices.
 - C. Per-Surface.** This is defined as a fee per surface based on the total number of surfaces generated annually by merging data with a template created by the Software. The combined data and template produce documents of one or more pages, the pages may be printed one side (one surface) or duplexed (2 surfaces). The documents may be rendered to a computer file (i.e. PDF), each page placed in the file is considered a surface. A document may contain 1 or more surfaces. For instance, a batch of invoices for 250 customers may contain 500 pages duplexed, this will be counted as 1000 surfaces.
- 1.5 Disaster Recovery License.** You may request a Disaster Recovery license of the Software for each production license You have purchased as a failover in the event of loss of use of the production server(s). This license is for disaster recovery purposes only and under no circumstance may the disaster recovery license be used for production simultaneously with a production license with which it is paired.
- 1.6 Backup Copies.** After installation of the Software pursuant to this EULA, you may store a copy of the installation files for the Software solely for backup or archival purposes. Except as expressly provided in this EULA, you may not otherwise make copies of the Software or the printed materials accompanying the Software.
- 1.7 Third-Party Software License Rights.** If a separate license agreement pertaining to an item of third-party software is: delivered to You with the Software, included in the Software download package, or referenced in any material that is provided with the Software, then such separate license agreement shall govern Your use of that item or version of Third-Party Software. Your rights in respect to any third-party software, third-party data, third-party software or other third-party content provided with the Software shall be limited to those rights necessary to operate the Software as permitted by this Agreement. No other rights in the Software or third-party software are granted to You.

2. LICENSE RESTRICTIONS

Any copies of the Software shall include all trademarks, copyright notices, restricted rights legends, proprietary markings and the like exactly as they appear on the copy of the Software originally provided to You. You may not remove or alter any copyright, trademark and/or proprietary notices marked on any part of the Software or related documentation and must reproduce all such notices on all authorized copies of the Software and related documentation. You shall not sublicense, distribute or otherwise make the Software available to any third party (including, without limitation, any contractor, franchisee, agent or dealer) without first obtaining the written agreement of (a) Eclipse Corporation to that use, and (b) such third party to comply with this Agreement. You further agree not to (i) rent, lease, sell, sublicense, assign, or otherwise transfer the Software to anyone else; (ii) directly or indirectly use the Software or any information about the Software in the development of any software that is competitive with the Software, or (iii) use the Software to operate or as a part of a time-sharing service, outsourcing service, service bureau, application service provider or managed service provider offering. You further agree not to reverse engineer, decompile, or disassemble the Software.

3. UPDATES, MAINTENANCE AND SUPPORT

- 3.1 During the validity period of Your License Key, You will be entitled to download the latest version of the Software from the DocOrigin website www.docorigin.com. Use of any updates provided to You shall be governed by the terms and conditions of this Agreement. Eclipse Corporation reserves the right at any time to not release or to discontinue release of any Software and to alter prices, features, specifications, capabilities, functions, licensing terms, release dates, general availability or other characteristics of the Software.
- 3.2 On expiry of your maintenance and support contract, you will have the right to continue using the current version(s) of the Software which you downloaded prior to the date of expiry of your License Key. However, you will need to renew maintenance and support in order to receive a new License Key that will unlock the more current version(s) of the Software. For greater certainty, if you attempt to use an expired License Key to download the latest version of the Software, the Software will revert to being a locked, evaluation copy of that version of the Software.

4. INTELLECTUAL PROPERTY RIGHTS.

This EULA does not grant you any rights in connection with any trademarks or service marks of Eclipse Corporation or DocOrigin. All title and intellectual property rights in and to the Software, the accompanying printed materials, and any copies of the Software are owned by Eclipse Corporation or its suppliers. All title and intellectual property rights in and to the content that is not contained in the Software, but may be accessed through use of the Software, is the property of the respective content owners and may be protected by applicable copyright or other intellectual property laws and treaties. This EULA grants you no rights to use such content. If this Software contains documentation that is provided only in electronic form, you may print one copy of such electronic documentation.

5. DISCLAIMER OF WARRANTIES.

TO THE GREATEST EXTENT PERMITTED BY LAW, THE LICENSED SOFTWARE AND TECHNICAL SUPPORT PROVIDED BY ECLIPSE CORPORATION HEREUNDER ARE PROVIDED ON AN "AS IS" BASIS AND THERE ARE NO WARRANTIES, REPRESENTATIONS OR CONDITIONS, EXPRESS OR IMPLIED, WRITTEN OR ORAL, ARISING BY STATUTE, OPERATION OF LAW, COURSE OF DEALING, USAGE OF TRADE OR OTHERWISE, REGARDING THEM OR ANY OTHER PRODUCT OR SERVICE PROVIDED UNDER THIS AGREEMENT OR IN CONNECTION WITH THIS AGREEMENT BY ECLIPSE CORPORATION. ECLIPSE CORPORATION DISCLAIMS ANY IMPLIED WARRANTIES OR CONDITIONS OF QUALITY, MERCHANTABILITY, MERCHANTABLE QUALITY, DURABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. ECLIPSE CORPORATION DOES NOT REPRESENT OR WARRANT THAT THE SOFTWARE SHALL MEET ANY OR ALL OF YOUR PARTICULAR REQUIREMENTS, THAT THE SOFTWARE WILL OPERATE ERROR-FREE OR UNINTERRUPTED OR THAT ALL ERRORS OR DEFECTS IN THE SOFTWARE CAN BE FOUND OR CORRECTED.

In certain jurisdictions, some or all of the provisions in this Section may not be effective or the applicable law may mandate a more extensive warranty in which case the applicable law will prevail over this Agreement.

6. INDEMNIFICATION & LIMITATIONS OF LIABILITY.

- 6.1 Eclipse Corporation shall defend and/or settle at its expense, any claims, actions, allegations or proceedings against You to the extent arising out of or relating to misappropriation or infringement by the Software of any third party's proprietary or intellectual property right ("Claims"), and Eclipse Corporation shall pay all damages finally awarded by a court of competent jurisdiction to such third party against You, or any settlement amounts agreed by Eclipse Corporation; subject to the conditions that, You shall notify Eclipse Corporation promptly of any You Claims, permit Eclipse Corporation to control the defense and settlement of such Claims and assist Eclipse Corporation, at Eclipse Corporation's expense, in defending or settling such Claims. Eclipse Corporation shall not be liable for any settlement amounts entered into by You without Eclipse Corporation's prior written approval. If Eclipse Corporation has reason to believe that it would be subject to an injunction or continuing damages based on the Software, then Eclipse Corporation may (and if Eclipse Corporation or any of its customers or third party software suppliers is subject to an injunction or continuing damages based on the Software), then notwithstanding any other provision in this Agreement, Eclipse Corporation shall be entitled to either modify the Software to make it non-infringing and/or remove the misappropriated material, replace the Software or portion thereof with a service or materials that provide substantially the same functionality or information, or, if neither of the foregoing is commercially practicable, require You to cease using the Software and refund to You (a) a pro rata portion of any one (1) time fees (based on a three (3) year, straight-line depreciation schedule from the date of payment), and (b) any fees that have been pre-paid by You but are unused. The foregoing notwithstanding, Eclipse Corporation shall have no liability for a claim of infringement or misappropriation to the extent caused by (i) the combination of the Software with any other service, software, data or products not provided or approved by Eclipse Corporation; or (ii) the use of any material provided by You or any end users, (iii) any breach by You of this Agreement. THE FOREGOING IS ECLIPSE CORPORATION'S SOLE AND EXCLUSIVE LIABILITY, AND YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT OR MISAPPROPRIATION OF ANY THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS.

TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ECLIPSE CORPORATION BE LIABLE TO YOU OR ANY OTHER PERSON FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING WITHOUT LIMITATION, LEGAL EXPENSES, LOSS OF BUSINESS, LOSS OF PROFITS, LOSS OF REVENUE, LOST OR DAMAGED DATA, LOSS OF COMPUTER TIME, COST OF SUBSTITUTE GOODS OR SERVICES, OR FAILURE TO REALIZE EXPECTED SAVINGS OR ANY OTHER COMMERCIAL OR ECONOMIC LOSSES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, EVEN IF ECLIPSE CORPORATION HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGES, OR SUCH LOSSES OR DAMAGES ARE FORESEEABLE.

- 6.2 THE ENTIRE LIABILITY OF ECLIPSE CORPORATION AND YOUR EXCLUSIVE REMEDY WITH RESPECT TO THE SOFTWARE AND TECHNICAL SUPPORT AND ANY OTHER PRODUCTS OR SERVICES SUPPLIED BY ECLIPSE CORPORATION IN CONNECTION WITH THIS AGREEMENT FOR DAMAGES FOR ANY CAUSE AND REGARDLESS OF THE CAUSE OF ACTION, WHETHER IN CONTRACT OR IN TORT, INCLUDING FUNDAMENTAL BREACH OR NEGLIGENCE, WILL BE LIMITED IN THE AGGREGATE TO THE AMOUNTS PAID BY YOU FOR THE SOFTWARE, TECHNICAL SUPPORT OR SERVICES GIVING RISE TO THE CLAIM.

Tyler System Management Services is calculated at 25% of the Munis annual maintenance. There is a \$2,500 minimum annual fee.

Tyler's Disaster Recovery Service is calculated at 25% of the Munis annual maintenance. There is a \$5,000 minimum annual fee for Disaster Recovery service. The Disaster Recovery fees are applicable only to one Live Munis database and excludes all test and training databases.

Tyler recommends the use of a 128-bit SSL Security Certificate for any Internet Web Applications, such as the Munis Web Client and the MUNIS Self Service applications if hosted by the Client. This certificate is required to encrypt the highly sensitive payroll and financial information as it travels across the public internet. There are various vendors who sell SSL Certificates, with all ranges of prices.

Conversion prices are based on a single occurrence of the database. If additional databases need to be converted, these will need to be quoted.

Tyler's quote contains estimates of the amount of services needed, based on our preliminary understanding of the size and scope of your project. The actual amount of services depends on such factors as your level of involvement in the project and the speed of knowledge transfer.

Unless otherwise noted, prices submitted in the quote do not include travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.

Tyler's prices do not include applicable local, city or federal sales, use excise, personal property or other similar taxes or duties, which you are responsible for determining and remitting. Installations are completed remotely, but can be done onsite upon request at an additional cost.

In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the cancelled services if Tyler is unable to re-assign its personnel.

Implementation hours are scheduled and delivered in four (4) or eight (8) hour increments.

Tyler provides onsite training for a maximum of 12 people per class. In the event that more than 12 users wish to participate in a training class or more than one occurrence of a class is needed, Tyler will either provide additional days at then-current rates for training or Tyler will utilize a Train-the-Trainer approach whereby the client designated attendees of the initial training can thereafter train the remaining users.

Any forms included in this quote are based on the standard form templates provided. Custom forms, additional forms and any custom programming are subject to additional fees not included in this quote. The additional fees would be quoted at the time of request, generally during the implementation of the forms. Please note that the form solution provided requires the use of approved printers. You may contact Tyler's support team for the most current list of approved printers.

In the event Client acquires from Tyler any edition of Tyler Content Manager software other than Enterprise Edition, the license for Content Manager is restricted to use with Tyler applications only. If Client wishes to use Tyler Content Manager software with non-Tyler applications, Client must purchase or upgrade to Tyler Content Manager Enterprise Edition.
