Baldwin County Board of Human Resources - Board Appointment(s)

STAFF RECOMMENDATION

Related to the Baldwin County Board of Human Resources Board of Directors, appoint Ms. Dorothy Hemmert as a member for a pro-rata reduced six (6) year term, to fill the place seat and unexpired term formerly held by Ms. Virginia Chaudron, said term to commence September 6, 2022, and expire September 1, 2025.

BACKGROUND INFORMATION

Previous Commission action/date: May 18, 2021 - Last BCC appointment to this board

Background: Staff received correspondence from Ms. ReMigia T. Coleman with Baldwin County Department of Human Resources, on July 27, 2022, requesting for a board appointment to replace the place seat of the late Mrs. Virginia Chaudron on the board. Staff has verified Ms. Hemmert meets the qualifications to be appointed to the Baldwin County Board of Human Resources.

GENERAL BACKGROUND - APPOINTMENT OF BOARD OF DIRECTORS OF COUNTY BOARDS OF HUMAN RESOURCES:

§38-2-7, Code of Alabama 1975, sets forth the background on the appointment of, by the Baldwin County Commission, the seven (7) member Board of Directors of County Boards of Human Resources which provides as follows: §38-2-7, Code of Alabama 1975, there is hereby created in each county a county board of human resources, which shall consist of seven members, not less than two of whom shall be women, selected by the county commission from the citizenship of the county on the basis of their recognized interest in the public welfare; provided that in counties in which there are cities having a population of 60,000 or more, according to the last federal census, the city commission or other governing body of the city shall have equal authority with the county commission in selecting the membership of the county board of human resources.

No person holding an elective public office, no person who is a candidate for election to a public office, no person who is an employee of the county department of human resources and no person who is related by consanguinity or affinity within the fourth degree or nearer under the civil law to any such officer or employee shall be a member of such county board of human resources. The members of said board shall be appointed for a term of six years, and vacancies shall be filled for the unexpired term in the same manner as above provided. The county board shall elect from its members a chairman and a secretary to serve at its pleasure. The county board shall hold meetings under rules to be established by it in conformity with the regulations of the state board, and such additional meetings as may be called by the chairman. The presence of four members at any regular or special meeting shall constitute a quorum for the transaction of all business. Members of the county board shall serve without compensation for their services as members, but shall be reimbursed for the amount of their traveling and other expenses actually paid out while in attendance at the meetings of the county board or on business of the department.

The county board, subject to the provisions of the merit system, shall appoint a county director, who shall be the executive officer of the county department, and the appointment shall be made without regard to political affiliation. The tenure of the county director shall be at the pleasure of the county board. Upon request of the local board, the state personnel department shall establish a county register of eligible who are residents of the county in which the vacancy exists. If no appointment is made from the local register or there is no local register, then appointment shall be made from the statewide register.

It shall be the further duty of the county board to meet from time to time with the county director and to point up unmet needs in the county, to advise concerning economic conditions in the county which might affect the welfare program, to assist in informing the citizens of the public welfare program, to cooperate with other agencies, individuals and organizations in the community in the development of facilities designed for human betterment, and to advise concerning changes which would make for a more effective and efficient public welfare program.

(Acts 1951, No. 703, p. 1211, §7; Acts 1955, No. 341, p. 763, §5; Acts 1989, No. 89-853, p. 1702, §1.)

Therefore, the qualifications required of the prospective nominee to be appointed, by the Baldwin County Commission, for service on such seven (7) member Board of Directors of the Baldwin County Board of Human Resources are that such respective persons:

- 1) be a citizen of Baldwin County; and
- 2) have a recognized interest in the public welfare; and
- 3) not hold an elective public office; and
- 4) not be a candidate for election to a public office; and
- 5) not be an employee of the Baldwin County Department of Human Resources; and
- 6) not be a citizen who by consanguinity (of the same blood or origin or of close relation to) or affinity (related by marriage) within the fourth degree or nearer under the civil law to any such officer or employee; and
- 7) at least two (2) of the members of the Board of Directors of the Baldwin County Board of Human

Resources must be women.

Further, §38-2-7, Code of Alabama 1975, states "The members of the Board shall be appointed for a term of six (6) years, and vacancies shall be filled for the unexpired term in the same manner as above provided."

STAFF RECOMMENDATION

Take the following actions:

- 1) Approve and accept the Alabama Department of Youth Services (ADYS) Agency Grant Agreement for Fiscal Year 2022 - 2023 (commencing October 1, 2022, and ending September 30, 2023) in the amount of \$327,532.00 on behalf of the Baldwin County Juvenile Court; and
- 2) Execute the agreement between the Baldwin County Commission and The Bridge, Inc. as service provider in the amount of \$327,532.00, to be used on behalf of the Baldwin County Juvenile Court; and
- 3) Authorize Chairman to execute any other documents related to the grant.

BACKGROUND INFORMATION

Previous Commission action/date: September 21, 2021

Background: The Bridge, Inc. is recognized as service provider of the counselors that enter the home to work with area youth. In allowing for counseling at home, the hope is to avert the Juvenile Judge dispatching the youth to a governmental facility.

Baldwin County initially received Agency Grant Agreement funds in 2009. The annual renewal funds are used to provide non-residential services for Baldwin County youth who would otherwise be committed to the ADYS. BCC will pay The Bridge, Inc. as invoiced monthly and will be reimbursed quarterly by ADYS.

ALABAMA DEPARTMENT OF YOUTH SERVICES
AGENCY GRANT AGREEMENT
Fiscal Year 2022 – 2023

The Alabama Department of Youth Services hereby awards to

Baldwin County Commission
(Fiscal Agent, hereinafter called Recipient)

the amount of **Three hundred twenty-seven thousand five hundred thirty-two & no/100 dollars (\$327,532.00).**

These funds shall be used to fund non-residential services for Baldwin County youth who would otherwise be committed to the Department of Youth Services (DYS) during this fiscal year. Based on youth needs, the Baldwin County Juvenile Court (BCJC) will develop or collaborate in the development of a diversion program, which may include the identification and selection of community providers. As a result of the interventions funded by these monies and based on the estimates provided in the grant application, the parties expect that Baldwin County will provide diversion program services to **44** youth annually with an ongoing capacity of **22** youth at any given time. Thereby aiding in a reduction of county commitments to DYS (including CLIMB, formerly known as HIT), barring a significant increase in serious juvenile crime (i.e. violent felonies, felony sex offenses). To assist juvenile courts in the provision of services for children in need of supervision (CHINS), DYS will permit the program to provide diversion services to no more than **10%** of youth with CHINS offenses.

These funds shall be utilized for the following purpose/activities:

The Transitions Baldwin Program offers highly individualized services to adolescents experiencing behavioral and legal issues. Services include needs assessments, treatment plans, family needs assessment, clinical group and individual therapy, in-home services, parenting education, transportation and supervision for community service projects, and family counseling and anger management therapy and follow-up care. These services are provided as an alternative to DYS commitment for youth within Baldwin County. Baldwin Co Juvenile Court and the Baldwin Co Commission shall contract with The Bridge, Inc. to administer these services.

The program that receives funding from this grant will:

- Serve youth who would have historically been committed to the Alabama Department of Youth Services (CLIMB or regular DYS) in the absence of the funded program. Specifically, this includes youth with the following characteristics:
 - Males and Females between the ages of 12-18
 - Delinquent youth with a medium to very high risk of re-arrest, as determined by the risk assessment instrument available on the DYS website
 - Youth with substance abuse that require inpatient treatment, sex offenders, and youth adjudicated for crimes involving weapons may be excluded from the program.
- Be developed by or in collaboration with the ***Baldwin County Juvenile Court (BCJC)***;
- Conduct regular self-evaluations of program effectiveness, including evaluations that track outcomes for children served by the program (GIMS outcome measures).
- Maintain data on program participants as required in the DYS Grantee Information Management System database (GIMS) on a monthly basis.
- Produce an annual report for the October - September fiscal year utilizing the form available on the DYS website. Each such completed annual report shall be made available to the Alabama Department of Youth Services no later than November 30. Decisions about renewing grants may be made based on the court's

ability to show through these reports that the funds have been effective in diverting youth from commitment to DYS or CLIMB.

To ensure fiscally responsible management of state funds, quarterly evaluative criteria are integral to the diversion grant funding process. These criteria include, at a minimum, program adherence to youth capacity, annual numbers, average length of stay, and successful completion rates. At any given time within a quarter, program population numbers will be reviewed. If at the time of review the total number of youth reported in GIMS is below 50% of the maximum capacity, an initial warning will be provided. If a subsequent review during the following quarter indicates that the program population remains below 50% maximum capacity, the program may receive a 25% reduction in funding for the following quarter(s). Program and/or designated court representatives will be given an opportunity to explain the low population numbers. However, final reduction determinations will be made by DYS administration.

Both BCJC and DYS acknowledge that this Award may be terminated at will by BCJC or DYS for any reason. Any funds remaining from the award shall be returned to DYS upon the termination of said award.

The grant award contained herein is payable in installments, subject to the availability of funds and adjustments by the Alabama Department of Youth Services, as it deems necessary or advisable. All parties agree that prior year funds may be available to fund this program and have and/or will be applied to the total grant award. Any unexpended grant fund amounts shall be reported to DYS no later than November 1st. ------------------------------------	-----------------------------

This Agreement (the "Agreement") is entered into on this _____ day of _____ 2022, between the Baldwin County Commission, the governing body of Baldwin County, Alabama (hereinafter referred to as the "Commission") and The Bridge, Inc., an Alabama nonprofit corporation (hereinafter referred to as "The Bridge").

WHEREAS, the Baldwin County Transitions Program (the "Program") offers highly individualized services to adolescents experiencing behavioral and legal issues in Baldwin County as an alternative to their being committed to the Department of Youth Services ("DYS");

WHEREAS, the Commission is the designated authority seeking the implementation of the Program in Baldwin County, Alabama; and

WHEREAS, the Commission desires to have the Program operated and managed by an organization with experience in adolescent programs; and

WHEREAS, the Commission recognizes that the purposes for which The Bridge was organized includes the provision of services to youth dealing with drug abuse and related problems in Baldwin County, Alabama, and, therefore, based upon the aforementioned benefits endowed upon the general public, the Commission desires that The Bridge undertake the operation and management of the Program under the terms and conditions set out herein.

NOW, THEREFORE in consideration of the premises and the mutual covenants contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

Section 1: Services.

a) The Bridge hereby agrees to undertake the operation and management responsibilities of the Baldwin County Transitions Program to provide treatment and diversion services for juveniles in Baldwin County, Alabama. The Bridge agrees to operate the Program under the terms of this Agreement.

b) The Bridge agrees that the Program shall serve youth who would have historically been committed to DYS in the absence of the funded program. Specifically, this includes youth with the following characteristics: males and

females between the ages of 12-18; delinquent youth with a medium to very high risk of re-arrest, as determined by the risk assessment instrument available on the DYS website; and youth with substance abuse problems. Sex offenders and youth adjudicated for crimes involving weapons may be excluded from the Program.

c) The Bridge acknowledges and agrees that the Program shall be developed by or in collaboration with the Baldwin County Juvenile Court ("BCJC");

d) The Bridge shall conduct regular self-evaluations of Program effectiveness, including evaluations that track outcomes for children served by the Program;

e) The Bridge shall maintain data on program participants as required in the DYS Grantee Information Management System database (GIMS) on a monthly basis.

f) The Bridge shall produce an annual report by November 30, for the October - September fiscal year, utilizing the form available on the DYS website. Each such completed annual report shall be made available to the DYS no later than November 30. Decisions about renewing grants may be made based on the court's ability to show through these reports that the funds have been effective in diverting youth from commitment to DYS.

Section 2: Duty to Cooperate. The parties acknowledge that their cooperation is critical to the ability of The Bridge to perform its duties successfully and efficiently. Accordingly, each party agrees to cooperate with the other fully in formulating and implementing The Bridge's recommendations. Both parties agree to cooperate with all audits, reviews, or inspections.

Section 3: Standard for Program Operation. While the Program is under the management and control of The Bridge, The Bridge's operation of the Program will, subject to limitations beyond the control of The Bridge, conform to applicable federal, state, and local statutes and ordinances and the laws of the State of Alabama.

Section 4: Insurance. The Bridge, at its sole cost and expense, shall provide for comprehensive liability coverage and workers' compensation for all of The Bridge's agents, servants, employees, personnel and other persons connected in any way to the operation and the management of the Program. The Bridge's agents, servants, employees, and personnel are not and shall not be treated as employees of the Commission.

Section 5: Juvenile Records. The Bridge will have written policies and procedures to govern a juvenile record system. Information contained in the juvenile records shall be consistent with that required by the Alabama Department of Youth Services. All information shall be considered confidential and is subject to release or disclosure only to authorized representatives of the agency having jurisdiction over the juvenile.

Section 6: Term. The Term of the Agreement shall commence on 10/01/2022 and shall run through 09/30/2023 and may be extended only by mutual written agreement of the Commission and The Bridge. The Bridge understands that the term of this Agreement and any subsequent renewal periods is entirely dependent on necessary funds being paid to the Commission for the compensation specified herein and thus the Commission is under no obligation to renew this Agreement.

Section 7: Compensation for Services. The Commission hereby agrees to pay The Bridge as compensation for their services related to this Agreement for the period commencing on 10/01/2022 and ending 09/30/2023, the sum of \$327,532.00 dollars, payable in four quarterly installments of \$81,883.00. These monies will be paid from the Program grant through the Department of Youth Services. The parties agree that the compensation to The Bridge for any renewal periods will be negotiated by the parties beginning not later than sixty (60) days prior to each such remaining annual period. In the event the parties are not able to agree on the compensation for said remaining annual periods, The Bridge shall continue operation of the Facility for the then existing compensation for a period through and including thirty (30) days from delivery of written notice of termination of this Agreement.

Section 8: Billing for Services. The Bridge will submit an invoice to the Commission in four quarterly installments (October 1, 2022, January 31, 2023, May 31, 2023, and September 30, 2023) for services rendered. Payment will be made within ten (10) days of the Commission receiving the grant funds from the Department of Youth Services.

Section 9: Unusual Occurrences and Incidents. The Bridge will immediately notify the Commission in the event of an unusual occurrence or incident and thereafter as requested and as soon as practical, furnish written notification of such occurrence or incident. In the event of a disturbance caused by a client, or if any security threat or peril should occur within or outside the Program, the Commission shall be notified immediately. The Bridge will cooperate with the Commission and local law enforcement agencies.

Section 10: Breach, Notice, and Cure. In the event of a breach of any obligation or covenant under this Agreement, the non-breaching party may give the breaching party written notice of the specifics of the breach, and the breaching party shall have ten (10) days in which to cure the breach. Only if the breach is not cured within such period may the non-breaching party terminate this Agreement and shall be entitled to pursue any remedies it may have due to the breach. In the event that any provision contained in this Agreement shall be breached by either party and thereafter waived by either party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach.

Section 11: Hold Harmless. The Bridge agrees to defend, indemnify and hold harmless the Commission as well as its elected officials, officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation or other entity which may be

injured or damaged as a result of acts, omissions, or negligence on the part of The Bridge, its employees, or any person acting for or on its or their behalf relating to this Agreement.

Section 12: Prohibition of Assignment. The Commission acknowledges that the nature of the services to be rendered under this Agreement are unique and based on The Bridge's expertise and that as a consequence of such, the Commission is prohibited from assigning duties or obligations under the terms of this Agreement without the consent of The Bridge.

Section 13: Notice. If notice or demand of any kind is to be given by any party to any other party, it shall be in writing, signed by the party giving it, directed to the intended recipient with sufficient postage prepaid, certified mail, addressed as follows:

Section 14: Governing Law: Venue. This Agreement shall be deemed to have been made in the State of Alabama, and the validity of the same, its construction, interpretation, enforcement and the rights of the parties hereunder, shall be determined under, governed by and construed in accordance with the substantive laws of the State of Alabama, without giving effect to any choice of law provisions arising thereunder. The proper venue for any action arising hereunder or relating to the subject matter of this Agreement shall lie solely in Baldwin County, Alabama.

Section 15: Attorney's Fees. Notwithstanding anything contained herein to the contrary, should The Commission employ an attorney or attorneys to enforce any of the terms and conditions hereof, or to protect any right, title, or interest created or evidenced hereby, or to recover damages for the breach of the terms and conditions hereof, or to respond to any matter raised by the other party, The Commission shall be entitled to recover from The Bridge all reasonable costs, damages, and expenses, including reasonable attorneys' fees, expended or incurred in connection therewith.

Request from City of Foley - Letter of Support for Safe Streets and Roads for All Grant Application to Include Census Tract 110

STAFF RECOMMENDATION

Authorize the Chairman to sign a letter of support to the City of Foley for inclusion of Census Tract 110 in the Safe Streets and Roads for All (SS4A) grant program managed by the U.S. Department of Transportation.

BACKGROUND INFORMATION

Background: Commission Administration staff received correspondence from Mayor Ralph G. Hellmich, City of Foley, dated August 12, 2022, requesting a letter of support. The City of Foley is applying for an SS4A action plan grant and seeking support of their grant application and concurrence responsibilities within Census Tract 110. The census tract adjoins Foley's corporate limits and the City provides numerous public safety functions within this area as a result from the City's police jurisdiction in addition to primary and mutual aid fire service within this census tract.

Baldwin County Commission Chairman

Dear Commissioner Ball;

The City of Foley is applying for a grant to create an action plan in preparation for potential future grant applications for projects that might fit the goals of the SS4A grant program (Safe Streets and Roads for All program managed by U.S. Department of Transportation). One of the criteria used in measuring the scoring of a municipality is an analysis of historically disadvantaged communities. They look at census tracts in areas served by the city, and based upon the scoring of those census tracts, a grade is developed that they look at, along with other scoring criteria.

I am writing to you to seek the Commissions support of the City of Foley including Census tract 110 in our analysis. A municipality can include any census tract in which they offer services to people within tract. In this case, census tract 110 touches the city municipal line north of the city along CR32. Within this census tract, the City of Foley provides primary fire service in areas of unincorporated Baldwin County due to our 1.5 mile police jurisdiction in which Foley fire service is provided. We also provide mutual aid fire service in a portion of the census tract that falls within both Summerdale's and Elberta's police jurisdiction. Because of that service, and with the support of the Baldwin County Commission, we can include census tract 110 in our application which would help our scoring regarding historically disadvantaged communities, and therefore would better our chances of securing grants from the program in the future.

Our application for the action plan grant is due September 15th and we would like to include either a letter of support or a resolution from the County Commission supporting our inclusion of census tract 110 within our scoring analysis.

Sincerely,

Ralph G. Hellmich
Mayor – City of Foley

This message has originated from an **External Source**. Please use proper judgment and caution when opening attachments, clicking links, or responding to this email.

Hey Ron,

The City is applying to the Federal SS4A grant program to secure grant funds to develop an action plan. An action plan is required in order to apply for future SS4A grants. We can apply for this grant, with or without the county's ok for us to include this particular census tract within our area of service. But by including this census tract it improves our scoring and therefore makes it more likely for our grant request to be approved. The reason is that the program has a focus on low to moderate income/disadvantaged communities. Including this tract from our PJ would improve our score related to low/moderate income/disadvantaged communities and therefore make it more likely that we would get a grant award for our action plan.

We can include it, with the county's blessing, because we provide services in the area even though it is not within the corporate limits of the city (it is in our PJ). It is our understanding that by including this tract, it will not preclude the county or any other local government that might provide services within the tract from including it in a potential application of their own.

regards,
Mike

ITEM TITLE

Revision of County Take Home Vehicle List - September 2022

STAFF RECOMMENDATION

Approve the revised County Take Home Vehicle List - September 2022.

The total number of Baldwin County Commission departmental staff driving County owned vehicles home is 207.

BACKGROUND INFORMATION

Background: Staff received a request from Terri Graham, Development Environmental Director, on August 18, 2022 to amend the County Take Home Vehicle List, as follows:

Add employees listed below:

Solid Waste Department

-Jimmy Shiver, Transfer Station Supervisor

-Johnathan Bryars, Assistant Collections Supervisor

-Brian Philyaw, Assistant Collections Supervisor

Reason for the request for above listed employees:

Take home vehicle allows timely response to afterhours call-out in a reliable available vehicle that can traverse through rough terrain and carries appropriate tools. Call-outs sometimes occur on weekends or holidays and the vehicle makes it possible to get to any maintenance emergency quickly.

By approving the revised list, staff will be able to provide the Clerk / Treasurer with an accurate list of employees for tax purposes.

General Background:

Baldwin County Commission Policy #2.9 provides that, in December of each year, the County Administrator shall present a current list of employees who drive County owned vehicles assigned to

the Baldwin County Commission. The County Administrator has collected data on all vehicles assigned to Department Directors, Elected Officials and Staff. These vehicles are further defined by the number of vehicles driven home (and by whom) for the Baldwin County Commission to review and approve. If changes occur during the year, staff brings the revised list to the Baldwin County Commission to review and approve.

Previous Commission action/date: August 16, 2022 - Last revision to County Take Home Vehicle List.

Licensor is not obligated to renew Term at request of Licensee but will provide a response in a timely manner. Termination rights provided in paragraph (2) above survive during renewal terms. Multiple renewal terms are permitted.
4. **PERMITTED USE.** Licensee shall use the Premises only for the non-exclusive, lawful purpose of **weekday parking for customers of Baldwin Regional Area Transit System** (the "Permitted Use") and for no other primary, ancillary, or incidental purpose whatsoever. Licensee shall carry on no other business on said Premises without the prior written consent of Licensor, which Licensor may withhold in its sole and absolute discretion. Licensee's business in the Premises shall be conducted only under the trade name **Baldwin Regional Area Transit System** (the "Permitted Tradename"). Licensee covenants, warrants, and represents to Licensor that (a) the Premises shall be used only for the Permitted Use and operated under the Permitted Tradename at all times during the Term, and for no other purpose, and (b) all applicable and necessary Licenses, permits, and registrations including, without limitation, all sales, use, and any other federal, state, county, or local tax permits required with respect to the Permitted Use have been obtained and shall remain in full force and effect throughout the Term. Notwithstanding anything contained in paragraph 20(b) below, any violation by Licensee of the terms and conditions of this paragraph 3 may result in the immediate termination of this Agreement and revocation of the License granted herein.

5. **LICENSE FEES.** Licensee shall not be obligated to pay a license fee for use of the Premises.
6. **SIGNS.** Licensee agrees that no sign of any type or description shall be erected, placed, or installed in or about the Premises or the Shopping Center except those signs submitted to Licensor in writing and approved in advance by Licensor in writing, and which signs are in conformance with Licensor's sign criteria. Licensee shall, at Licensee's sole cost and expense, fabricate, install, and maintain any such approved signage during the Term, and remove all signs installed by Licensee at the end of the term. The installation and removal of signs by Licensee shall be in such manner as to avoid injury, defacement, or damage to the Premises and the Shopping Center or any part hereof, and Licensee shall be liable and obligated to promptly repair any injury, defacement, or damage caused by it. Licensee's obligation under this paragraph 6 shall survive the expiration or earlier termination of the Term.
7. **LICENSOR'S SERVICE.** Licensor shall maintain all public common areas of the Shopping Center in the manner and to the extent deemed by Licensor to be standard. Licensor may, in its sole discretion, but shall not be obligated to, provide additional services not enumerated herein. Failure by Licensor to furnish any services defined in this paragraph, or any other services not enumerated, or any cessation thereof, shall not render Licensor liable to Licensee in any respect for damages to either person or property, be construed as a termination of the License created by this Agreement, work as an abatement of any License Fee due hereunder, or relieve Licensee from fulfillment of any covenant, condition, or obligation in this Agreement. Should any of the equipment or machinery located within the Premises cease to function properly during the Term, Licensor shall use reasonable diligence to repair the same promptly so long as the need for such repair was not caused by the act or omission of Licensee, its agents, representatives, contractors, or employees. In no event shall Licensee have any claim for any abatement or rebate of any License Fee or any portion thereof otherwise due under this Agreement on account of any interruption in service occasioned from the repairs. Licensor reserves the right from time to time to make changes in the delivery of utilities and services to Premises.
8. **REPAIRS AND MAINTENANCE**
- a. **Licensor's Repairs.** Licensor shall not be required to make any improvements, replacements, or repairs of any kind or character to the Premises, the Shopping Center, or any portion thereof during the Term, except which repairs as may be necessary solely because of the gross negligence of Licensor, which repairs shall be made by Licensor at its expense following Licensor's receipt of written notice by Licensee, accompanied by reasonable evidence of the reasonable need for such repair, Licensor shall not be liable to Licensee for any damage or inconvenience, and Licensee shall not be entitled to any abatement or reduction of any License Fee or any portion thereof otherwise due under this Agreement on account of any repairs, improvements, replacements, alterations, and/or additions made by Licensor to the Shopping Center, or any portion thereof, at any time during the Term.
- b. **Licensee's Repairs.** Licensee shall further, at its sole cost and expense, repair or restore any damage or injury to all or any part of the Shopping Center (or portion thereof, including, without limitation the Premises) caused by Licensee or Licensee's agents, representatives, employees, invitees, Licensee, visitors, and/or contractors, including but not limited to, any repairs, restoration, and/or replacements necessitated by (i) the construction or installation of improvements to the Premises by or on behalf of Licensee, and (ii) the installation, use, or operation of Licensee's equipment, signage, or other personalty; provided, however, if Licensee

fails to make the repairs, restorations, or replacements promptly, Licensor may, at its option, make the repairs, restoration, or replacements on Licensee's behalf, and the cost thereof shall be charged to and payable by Licensee immediately following demand.

- c. **Condition at End of Term.** Licensee shall not cause any damages to occur to any portion of the Premises or the Shopping Center. The cost and expense of any repairs necessary to restore the condition of the Premises (ordinary wear and tear expected) and/or the Shopping Center due to the acts or omissions of Licensee shall be borne by Licensee, and if Licensor undertakes at its option to so restore the Premises and/or the Shopping Center, Licensee shall reimburse Licensor immediately upon demand for the costs and expenses of such restoration. Licensee's obligation under the entirety of this paragraph 8 (including all subparagraphs) shall survive the expiration or earlier termination of the Term.
 - d. **Requests for Repairs.** All requests for repair or maintenance that are the responsibility of Licensor pursuant to any provision of this Agreement must be made in writing to Licensor at the address set forth in subparagraph 28(b) below. Licensee shall notify Licensor promptly of any defect in or damage to the Premises of which Licensee may be or become aware, whether caused by the negligence of Licensee or any other person, by any casualty or hazard, or by any other cause whatsoever.
9. **ALTERATIONS AND IMPROVEMENTS.** Licensee shall not make or allow to be made any alteration or physical additions in or to the Premises, whether interior or exterior, without first obtaining the written consent of Licensor, which consent may in the sole and absolute discretion of Licensor be denied or conditioned. Any approved alterations, physical additions, or improvements to the Premises made by Licensee shall be made at Licensee's sole cost and expense but shall at once following completion become the property of Licensor and shall be surrendered to Licensor at the end of the Term; provided, however, Licensor, at its option, may require Licensee to remove any physical additions and/or repair any alterations in order to restore the Premises to the condition existing at the Commencement Date, all costs of removal and/or alterations to be borne by Licensee. Any items of Licensee's property remaining in the Premises following the Term shall be deemed to have been abandoned and may be retained by Licensor at its own property or disposed of by Licensor at Licensee's expense, and Licensee hereby knowingly and voluntarily waives any right to claim or assert otherwise.
10. **RELOCATION.** In the event Licensor determines to utilize the Premises for other purposes during the Term, Licensee agrees to relocate to other space in the Shopping Center, provided such other space is of approximately the same size as the Premises. Licensor shall designate such other space by at least five (5) days' notice to Licensee stating the effective date of such relocation. Licensee shall vacate and surrender possession of the Premises on or before such effective date. Licensor shall pay all actual and reasonable out-of-pocket expenses of Licensee of effecting any such relocation. IN the event of such relocation, this Agreement shall continue in full force and effect without any change in the terms or other conditions, except that the new location and square footage shall be substituted in paragraph 1 of this Agreement.
11. **ACCESS OF LICENSOR.** Licensor shall have access to the Premises at all reasonable times during Licensee's normal business hours and upon not less than 24 hours prior notice (except in the event of emergency), to enable Licensor to (a) examine the same and to make such repairs, additions, and alteration as Licensor may be required or permitted to make hereunder; (b) show the Premises to prospective tenants, mortgagees, and purchasers; and (c) confirm Licensee's compliance with this Agreement.

12. **COMPLIANCE WITH LAWS, RULES, and REGULATIONS.** Licensee, at Licensee's sole cost and expense, shall comply with all laws, ordinances, orders, rules, and regulations of state, federal, county, municipal, or other agencies or bodies having jurisdiction relating to the use and condition of the Premises and/or operation with the Shopping Center. Licensee will comply with such rules and regulations as Licensor may impose from time to time.
13. **CONDEMNATION.** If, during the Term, all or any part of the Premises or Shopping Center are taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain or by purchase or exchange in lieu thereof, then Licensor may, at its option, terminate the License created by this agreement.
14. **FIRE AND CASUALTY.** If the Premises or Shopping Center should be partially or totally destroyed or damaged by fire or other casualty, then Licensor may, at its option, terminate the License created by this agreement.
15. **INSURANCE.**
- a. **Licensor's Insurance.** Licensor may maintain a policy or policies of insurance insuring Licensor against loss with respect to the Shopping Center and/or the public common areas thereof, covering such risks and in such amounts as Licensor may deem appropriate. Licensee shall not permit the Premises to be used in any way which would, in the opinion of Licensor, be extra hazardous on account of fire or other hazard or casualty or which would otherwise in any way increase the premiums for or render void any insurance relating to the Shopping Center or the contents or any portion thereof or any liability of Licensor. If Licensee's use of the Premises causes any increase in any insurance premiums paid by licensor, the Licensee shall pay to Licensor upon demand the amount of such increase. Licensor shall not be obligated in any way or manner to insure and personal property (including but not limited to any furniture, machinery, equipment, goods, or supplies) of Licensee or which Licensee may have upon or within the Premises or any fixtures installed by or paid for by Licensee upon or within the Premises or any additional improvements which Licensee may construct on the Premises. Licensee's obligation to pay any increased premium under this subparagraph 15(a) shall survive early termination of the Term by Licensee, but not Licensor.
 - b. **Licensee's Insurance.** Licensee, at its sole cost and expense, shall maintain at all times during the Term, (i) public liability insurance with respect to the Premises and the conduct or operation of Licensee's business therein and activities within the Shopping Center, naming Licensor, and lender of Licensor, and any third-party property manager of Licensor as additional insureds, with limits of not less than \$1,000,000.00 for death or bodily injury to any one or more persons in a single occurrence and \$1,000,000.00 for property damage, (ii) a policy or policies of insurance with the premiums paid in advance, issued by and binding upon a reputable, solvent insurance company or self-insurance fund, insuring all personal property of Licensee upon or within the Premises, and (iii) such workers' compensation insurance so as to comply with the laws and regulations of the state in which the Premises is located. Licensee shall deliver certificates of all such insurance to Licensor on or before the Commencement Date, and thereafter from time to time upon request.
16. **WAIVER OF SUBROGATION.** Anything in this Agreement to the contrary notwithstanding, Licensor and Licensee hereby waive and release each other of and from any and all rights of recovery, claim, action, or

cause of action against each other, their agents, officers, and employees, for any loss or damage that may occur to the Premises, the Shopping Center, any improvements thereto or any of the contents thereof, regardless of cause or origin, including but not limited to negligence of Licensor or Licensee or its respective agents, officers, and employees. Each party to this Agreement agrees immediately to give to each insurance company which has issued to its policies of insurance covering all risk of direct physical loss, written notice of the terms of the mutual waivers contained in this paragraph, and to have the insurance policies properly endorsed, if necessary, to prevent the invalidation of the insurance coverages by reason of the mutual waivers contained in this paragraph.

17. **HOLD HARMLESS.** Licensee agrees to indemnify and hold harmless Licensor, its officers, directors, shareholders, investors, employees, agents, contractors, and representatives of and from any and all loss, attorneys' fees, expenses, damages, claims, or causes of actions arising out of any act or omission of Licensee, which may include, but is not limited to Licensee liability caused by, arising from, or relating to any breach by Licensee hereunder.

Nothing contained in this Agreement shall be deemed or construed as a waiver of the immunity, defense or limitation of liability of the Licensee under any state or federal laws, rules or regulations. Licensee expressly reserves the right to assert any defense based on such immunity or limitation of liability in any action related to or pursuant to this Agreement.

18. **ASSIGNMENT.**

- a. **By Licensor.** Licensor shall have the right to transfer and assign, in whole or in part, all or any part of its right, title, and interest in and to this Agreement, the Premises, and/or the Shopping Center. Following such an assignment, the original Licensor shall have no further liability, obligation, or duty to Licensee hereunder, and Licensee shall thereafter look solely and exclusively to such successor or assignee for performance of the obligation of the Licensor hereunder.
- b. **By Licensee.** Licensee shall not assign, in whole or in part, this Agreement, or allow it to be assigned, in whole or in part, by operation of law or otherwise (including without limitation by transfer of a majority of interests in a partnership or a majority interest of stock, merger, or dissolution, which transfer of majority interest, or dissolution shall be deemed an assignment).

19. **EVENTS OF DEFAULT.** Each of the following shall be deemed to be an event of default by Licensee under this Agreement (an "Event of Default"):

- a. Licensee shall fail to pay when due any installment, or portion thereof, of the Base License Fee, Percentage License Fee, any additional License Fee, and/or any other amount required pursuant to this Agreement;
- b. Licensee shall fail to comply with any term, provision, or covenant of this Agreement, other than as described in subparagraph 19(a) above and subparagraph 19(d) below, and such failure is not cured within five (5) days after Licensee's receipt of written notice from Licensor;
- c. Licensee shall file a petition for relief or be adjudged bankruptcy or insolvent under any state or federal law or statute; or receiver or trustee shall be appointed for all or substantially all of the assets of Licensee; or Licensee shall make a transfer in fraud of creditors or shall make an assignment for the benefit of creditors; or

- d. Licensee shall do or permit to be done any act which results in a lien of any sort being filed against the Premises, the Shopping Center, or any portion thereof.

20. REMEDIES FOR LICENSEE'S DEFAULT. Upon the occurrence of any Event of Default, Licensor may as its option pursue any one, some, or all of the following remedies, and any and all other rights or remedies available to Licensor by law, in equity, or otherwise, without any notice or demand other than as may be required, if at all, under subparagraph 19(b) above, and with full reservation of all cumulative rights and remedies:

- a. commence proceedings against Licensee for all amounts owed by Licensee to Licensor, whether as Base License Fee, Percentage License Fee, any additional License Fee or other amounts due hereunder, damages, and/or otherwise;
- b. terminate the License created by this Agreement, in which event Licensee shall vacate the Premises and remove all equipment and other personalty therefrom on or before the date set forth in Licensor's termination notice (which may, but shall not be required to, specify an immediate date), and pay on demand the amount of all costs, losses, and damages which Licensor has suffered or may suffer by reason of the Event of Default and/or termination of the License including, without limitation, attorneys' Fees and expenses;
- c. re-enter and take possession of the Premises, peaceably or by force, with or without terminating this Agreement, and remove any property therein, without any liability to Licensee for any of the foregoing, and without obligation to secure or store such property;
- d. cure such Event of Default for, on behalf, and/or on account of Licensee, whereupon Licensee shall be liable to reimburse immediately all amounts demanded by Licensor on account of Licensor's cure or attempted cure of such Event of Default; and
- e. exercise any other right or remedy, available in law or in equity.

21. WAIVER OF DEFAULT OR REMEDY. Failure of Licensor to declare an Event of Default immediately upon its occurrence, or delay in taking any action or exercising any remedy in connection with an Event of Default, shall not constitute a waiver of the Event of Default, and Licensor shall have the right to declare the Event of Default at any time and take such action as is authorized by law or under this Agreement. In this regard, Licensee knowingly and voluntarily waives any right to claim or raise as an affirmative defense, or otherwise, any doctrine of waiver, laches, or estoppel. Acceptance by Licensor of any License Fee or other amount after it has come due, or acceptance of less than the full amount due, shall not constitute or be construed as a waiver of any Licensor's rights and remedies hereunder, nor excuse any delay or partial payment upon subsequent occasions, nor act as accord and satisfaction. Pursuit of any one or more of the remedies set forth in paragraph 20 above shall not preclude pursuit of any one or more of the other remedies provided in said paragraph or elsewhere in this Agreement or as provided by law or at equity, nor shall pursuit of any remedy constitute forfeiture or waiver of any License Fee, damages, or other amount accruing to Licensor by reason of the violation of any of the terms, provision, or covenants of this Agreement or otherwise arising under this Agreement. Failure by Licensor to enforce one or more of the remedies provided upon an Event of Default shall not be deemed or construed to constitute a waiver of the Event of Default or of any other violation or breach of any of the terms, provisions, and covenants contained in this Agreement.

22. **HAZARDOUS MATERIALS.** Licensee agrees not to introduce, bring, maintain, keep, store, dispose, discharge, discard, release, or permit the maintenance or storage of any dangerous, flammable, or hazardous material on the Premises and/or within the Shopping Center (other than reasonable and customary amounts as permitted under existing fire and safety rules and regulations), and further agrees to comply with all fire and safety rules and regulations and all environmental laws.
23. **ACTS OF GOD.** Neither Licensor nor Licensee shall be required to perform any covenant or obligation in this Agreement, or be liable in damages to the other party, so long as the performance or nonperformance of the covenant or obligation is delayed, caused by, or prevented by an act of God or other reasonable instances of force majeure. Such instance of force majeure shall not extend beyond a ninety (90) day period.
24. **ATTORNEYS' FEES.** In the event Licensee defaults in the performance of any of the terms, covenants, agreements, or conditions contained in this Agreement and Licensor engages an attorney to enforce all or any part of this Agreement, collect any License Fee or other amounts due, and/or institute legal or equitable proceeding against Licensee, Licensee agrees to pay Licensor's reasonable attorneys' fees and expenses for the services of such attorney, if the Licensor is the prevailing party in litigation.
25. **ESTOPPEL CERTIFICATES.** Licensee agrees to furnish from time to time, within twenty (20) business days after request of Licensor, or any holder of any mortgage or deed to secure debt covering the Shopping Center or any portion thereof, a certified statement, to the best of Licensee's knowledge and without qualification or condition, as to such matters as Licensor or such holder shall reasonably request.
26. **SUCCESSORS AND ASSIGNS.** This Agreement shall be binding upon and inure to the benefit of Licensor and Licensee and their respective heirs, representatives, successors, and assigns. It is hereby covenanted and agreed that should Licensor's interest in the Premises cease to exist for any reason during the Term, then notwithstanding the happening of such event this Agreement nevertheless shall remain unimpaired and in full force and effect and Licensee hereby agrees to be bound and obligated hereunder to the then owner of the Premises at its licensor.
27. **MISCELLANEOUS.** Time is of the essence of each and every obligation of Licensee under this Agreement. The captions appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe or describe the scop or intent of any provision hereof. If any provision of this Agreement shall ever be held to be invalid or unenforceable in any circumstance or as to any person, such invalidity or unenforceability shall not affect such provision in any other circumstance or as to any other person or any other provision of this Agreement.

IT IS LIKEWISE AGREED THAT THIS AGREEMENT MAY NOT BE ALTERED, WAIVED, AMENDED, OR EXTENDED EXCEPT BY AN INSTRUMENT IN WRITING SIGNED BY BOTH LICENSOR AND LICENSEE.

31. **NO ESTATE IN LAND.** It is expressly understood, agreed, and accepted that Licensee is herein granted only a License to use and occupy the Premises as permitted hereunder, and Licensor has not granted to Licensee a leasehold or other estate in land or any other possessory interest in the Premises. The revocable License granted hereunder is not assignable except with Licensor's prior written consent, which Licensor may withhold in its sole and absolute discretion.
32. **AUTHORITY.** Licensee represents and warrants that it has full right, power, and authority to enter into this Agreement, and that each person signing on behalf of Licensee is authorized to do so and by such act of signing Licensee becomes legally bound. All work shall be commenced and completed in a timely manner as, and at the times, herein set out.

III. Recitals Included. The above recitals and statements are incorporated as part of this Contract and shall have the effect and enforceability as all other provisions herein.

IV. Professional Qualifications. For the purpose of this Contract, the PROVIDER represents and warrants to the COUNTY that it possesses the necessary equipment, resources and the professional, technical, and administrative personnel with the specific experience and training necessary to provide the professional services required herein.

V. No Prohibited Exclusive Franchise. The COUNTY neither perceives nor intends, by this Contract, a granting of an exclusive franchise or violation of Art. I, Section 22 of the Alabama Constitution.

VI. Representation/Warranty of Certifications, Etc. PROVIDER represents and warrants that PROVIDER is presently certified, licensed and otherwise permitted under all necessary and applicable laws and regulations to perform the services herein, and that PROVIDER shall renew, maintain, and otherwise ensure that all such certifications, licenses, and permits are current and valid, without interruption, for and through completion of the services. This Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

XI. Entire Agreement. This Contract represents the entire and integrated agreement between COUNTY and PROVIDER and supersedes all prior negotiations, representations, or agreements, either written or oral. This Contract may be amended only by written instrument signed by all parties.

XII. Failure to Strictly Enforce Performance. The failure of the COUNTY to insist upon the strict performance of any of the terms, covenants, agreements and conditions of this Contract shall not constitute, and shall never be asserted by PROVIDER as constituting, a default or be construed as a waiver or relinquishment of the right of the COUNTY to thereafter enforce any such term, covenant, agreement, or condition, but the same shall continue in full force and effect.

XIII. Assignment. This Contract or any interest herein shall not be assigned transferred or otherwise encumbered by PROVIDER without the prior written consent of the COUNTY, which may be withheld or granted in the sole discretion of the COUNTY.

In the event that the bond and/or surety guarantee is in conflict with this Contract, this Contract shall govern. Exceptions To Bid Conditions and Specifications

We were unable to verify the specifics of the lighting system in the new tower. The specification book calls for a low voltage system. However, when we reached out to the electrical contractor, we were told it was a high voltage system. Based on that conversation we had to add several previously unanticipated costs associated with high voltage relays, additional enclosures, and our Electrical Sub -Contractor labor. If the lighting system is a low voltage system, we can redesign and reduce costs associated with high voltage.

We were unable to find quantities for ceiling speakers/horns in the new tower. We included twenty-two (22) in our proposal. That will provide one (1) for each pod control room and one (1) for each block on the 2nd, 4th, and 5th floors. It also includes four (4) for the 1st floor, one (1) for the 3rd floor, and one (1) for the penthouse. Requested devices in addition to those listed above may require a change order.

The ITB called for us to supply and install the trigger wires for the access doors in the new tower. The note below from the drawings states that we supply the wire, and it will be installed by the owner provided Electrical Contractor. Our proposal includes the wire but no labor to install it.

SHEET NOTES:

Bid Conditions

This is a very labor-intensive project. Efficiency is critical to completion within the budgeted labor hours. As we discussed at the pre-bid meeting, we can't afford to have any delays caused by others. To keep labor costs down we did not allocate time for delays.

Should we have instances where inmates have not been relocated prior to our known daily start time or other factors outside our control, we will need to be compensated for associated non-productive time. An option to this would be to include a lump sum contingency to be used as needed and credit any unused portion at project completion.

Pricing is based and contingent on:

- Purchase order issued for all equipment upon award
- Customer to take possession of all equipment upon delivery
- Customer to make progress payments upon receipt of equipment
- Pricing is valid for sixty days after bid submission date

This project is being quoted as tax exempt. Materials will be purchased using a Certificate of Exemption per Act 2013-205 and Alabama Department Rule 810-6-3-77. The tax-exempt entity will be required to file application, Form St: EXC-01. State approval of that form and issuance of exemption certificate will be required.

- XIII. Assignment. This Contract or any interest herein shall not be assigned transferred or otherwise encumbered by PROVIDER without the prior written consent of the COUNTY, which may be withheld or granted in the sole discretion of the COUNTY.

BID #WG22-65 SPECIFICATIONS

QC/QA procedures for use on all Baldwin County Projects

Definitions

County Engineer: The Engineer appointed by the Baldwin County Commission.
Supplier: The Company that is supplying the bituminous concrete for the project.
Contractor: The crew that is responsible for laying and compacting mix on the roadway.

1) QUALITY CONTROL.

- a) Supplier shall have on site a Level II Asphalt Technician anytime they are producing mix for Baldwin County.
- b) QC/QA TESTING
 - i) Sampling shall be performed in accordance with the sampling plan as stated in this specification. Samples will be randomly selected and obtained by the Supplier or BCHD and its affiliates. QC/QA samples shall be obtained at the project site but BCHD reserves the right to sample outside the sampling plan. A large enough sample shall be obtained so that it can be split between the Supplier, BCHD or its affiliates. Samples shall be tested for Air Voids, Liquid Asphalt Binder Content, Gradation, VMA, Effective AC Content, Dust/Asphalt Ratio, Stability, Flow, and Tensile Strength Ratio (TSR) as per table 3.

TABLE 3

Test Required	Test Method (Random Number)	Sampling Frequency * *	Tolerances
Asphalt Content +++++	AASHTO T308 ALDOT 354	Supplier per 500 tons BCHD per Lot	+/- .34
Maximum Specific Gravity	AASHTO T209	Supplier per 500 tons BCHD per Lot	N/A
Mixture Gradation****	AASHTO T 308	Supplier per 500 tons BCHD per Lot	+/- 7.0 % for the #4 and above +/- 4.0 %, #8 to #100 +/- 2.00 % for the #200
Dust/Asphalt Ratio***	ALDOT 371	Supplier per 500 tons BCHD per Lot	0.90 to 1.80
Air Void Content & VMA++	ALDOT 353, 307	Supplier per 500 tons BCHD per Lot	+/- 1.06%, 16.0 to 18.5
Marshall Stability and Flow ++		Supplier per 500 tons BCHD per Lot	1600, 8-18
Tensile Strength Ratio	ALDOT 361	Supplier & BCHD Minimum .80 First 1000 tons and Every 10,000 ton thereafter	

Each individual Maximum Theoretical Specific Gravity (MTSG) shall be used to calculate Air Voids.

** BCHD reserves the right to change sampling frequency; or sample outside the sample plan if it deems necessary. At least one sample shall be obtained from every project with tonnage less than 500.

*** If the Dust/Asphalt is out on two consecutive tests, production shall cease until proper plant adjustments are made.

**** If the test results are out of specification tolerance on two consecutive tests for the same size sieve, production shall cease until proper plant adjustments are made.

**** Mix shall have a minimum of 3% retained on the 3/8" sieve, No Exceptions. Gradation tolerance of +/- 7% will not apply on the maximum control point unless the JMF is set at 90%; tolerance will extend to but not exceed 97% on the 3/8" sieve.

++ The sample shall be one set of three Marshall samples+++.

++++ Under AASHTO T 308, if an ignition furnace is used, mixture calibration shall be used.

2) ADJUSTMENT PERIOD (Test Strip).

- a) During start-up operations, an adjustment period (test strip) as described below shall be required when producing a new job mix formula. The purpose of the adjustment period will be to permit the Supplier to adjust his production process and for Supplier QC personnel and BCHD QA personnel to calibrate and coordinate their testing procedures. The Supplier has the option of running a test strip or waiving the test strip, if the proposed job mix formula has been produced satisfactorily on previous BCHD projects. The waiver of a test strip shall be in writing to the County Engineer prior to any production and placement of the previously produced job mix design. The Supplier assumes the risk of milling and relaying unacceptable mix with no additional compensation if the test strip is not utilized.
- b) A test strip of not more than 300 tons shall be produced. Production shall stop until the Supplier has completed one liquid asphalt binder content, one air void content, and gradation. The test results for AC and Air Voids shall meet the requirements in Table 5, 100% pay in the 1 Test column.
- c) For LOT Pay Factor purposes a LOT shall be defined as a single BCHD project, multiple BCHD projects (Completed in one day) or one day's production not to exceed 1000 tons. For testing purposes, a lot shall be defined as 1000 tons (+- 200 tons). QC/QA testing shall run independent to the Pay Factor LOT when tonnages on one or more BCHD projects do not exceed 1000 tons. An ongoing tonnage total shall be maintained at each individual plant supplying mix to BCHD and sampling shall be performed every 500 tons with a minimum of one test per project. When two tests have been completed, along with referee samples if necessary, Pay Factors shall be calculated and applied to tonnage produced on that day. The County Engineer will round a testing increment or a LOT, if necessary, to the nearest truckload of material.

3) ACCEPTANCE OR REJECTION.

- a) The recommendation of the County Engineer and decision of the Baldwin County Commission will be final as to the acceptance, rejection, or acceptance at an adjusted payment of each LOT. Upon completion of a LOT (2nd test and/or any referee test completed) pay factors shall be calculated and applied only to the mix produced in that day's production. Rejected LOTS could be removed at no cost to the Department and replaced at BCHD unit price.
- b) The act of sampling shall be the responsibility of the Supplier utilizing the following sample plan. Suppliers shall use the random number method to determine sampling location in the testing increment. If any deviation from the sampling plan occurs BCHD reserves the right to sample an Independent Verification Sample (IVS) (outside of the scope of the sampling plan) at any time. Any Supplier test sampled from outside the sampling could be rejected and replace with the results of the IVS and used for pay factor computation.
- c) The Supplier shall sample the mixture and split it into three equal samples large enough to run the test required in this specification: The Supplier's primary QC sample (PQCS), BCHD primary QA sample (PQAS) and a Referee Sample (RS). The portions of mixture for the BCHD and referee sample shall be bagged, labeled, and stored for testing (max 60 days) if required. Bagged samples shall have the following bag appropriate information accompanying the sample: Date Sampled, Ton Sampled, Truck Sampled, Random Number, Sequential Test Number (STN), Project/Road Name, Mix Type, BCHD Primary Sample or Referee Sample, copy of the Scale Ticket, and a copy of Suppliers tests results. BCHD testing increment shall consist of two primary QA samples, split with the primary QC samples, which will represent 1000 tons of mix. Both the QA sample and referee samples will be stored in a dry location by the Supplier for a period of no longer than 14 days and may be disposed of prior to the 14 days if comparison sample results, pay factors and referee issues have been resolved. BCHD will randomly select one of the two samples stored for testing. Samples will be tested in an ALDOT certified independent lab and results will be compared to the Supplier results for comparison compliance.
- d) If the Supplier's primary QC sample and the BCHD primary QA sample do not compare within the Acceptable Tolerances listed in Table 4 then the referee sample will be tested at the Suppliers Lab. The referee sample shall be tested jointly by the Supplier and BCHD's representative and the results shall be used to calculate the pay factor for the lot. All results are final once the referee sample has been tested.
- e) For testing purposes, the PQCS shall be run in the Supplier's lab and BCHD reserves the right to run the PQAS in an ALDOT approved independent lab or the Suppliers lab. During the adjustment period (Test Strip) the BCHD will test its PQAS along with the Suppliers PQCS in the Suppliers lab. Also, in the case where the results of the PQCS and the results of the PQAS do not compare the Referee Sample will be tested jointly in the Suppliers lab.

Prospective Bidders should bid in accordance with the Alabama Department of Transportation Specifications which includes **Section 109.03 (e)** regarding Bituminous Material Price Adjustments. This Section in effect allows that the Base Bid provided in the bid can be adjusted in accordance with the "Asphalt Index" as reported by ALDOT each month.

All Asphalt Index adjustment calculations shall be provided by the Vendor with each invoice. No invoice will be paid without these calculations.

Test reports shall be furnished daily with the delivery of materials, or as directed by County Engineer.

Prices shall be offered for product delivered F.O.B. to Baldwin County and at Bidders facility F.O.B. Baldwin County Vehicle. Location of such facility must be noted.

In the event that the awarded bidders Facility is not open for business then the secondary awarded bidder will become the prime supplier for that day. This will be noted by a notation being placed at the bottom of the request for materials by the County Representative that has contacted the awarded bidder.

Bidder must furnish to Baldwin County job sites on a daily basis, as ordered, a minimum of 1,000 tons, per operating crew, as needed. In the event the awarded bidder cannot comply with this requirement the bidder will be deemed not open for business and be non-compliant with the specifications.

Bids for product **delivered** F.O.B. to Baldwin County shall be considered on a per "**Maintenance Area**" basis with the Maintenance Areas delivered as shown on the attached map. Baldwin County will award on a "**Per Area**" basis and the vendors must give a price for each Mix delivered to each Maintenance Area in order for the entire bid to be considered.

Bid price for material being **picked up** from plant by Baldwin County shall be based on location of plant facility. The Vendor must provide a physical address of all plant facilities along with price for respective facility.

Should multiple vendors be awarded bids and should a road cross between two (2) "Areas" with a different vendor for each Area, the lower price of the two vendors will be chosen to supply the mix chosen for that job. The intent of this bid arrangement is for Baldwin County to attract the lowest possible bid price for product supplied to the County by taking advantage of potential transportation cost swings.

If the Supplier cannot deliver the amount of material needed on the day of the order, the County at their sole discretion, may choose to pick up, or have delivered material from the nearest facility most convenient to the job site, whether it is the prime or secondary vendor, at the pickup or delivered price, by doing so the County will not violate the Bid Specifications. This in no way relieves the bidder from delivering the materials to the County.

The County also reserves the option, at their sole discretion, to pick up or have delivered material from the facility most convenient to the jobsite, whether it is the prime or secondary vendor, at the pickup or delivered price at the end of the day of the order that the supplier could not deliver the amount specified.

All Costs and expenses related to the supplier's failure to deliver material as and when specified, including without limitation the cost of the material itself, shall be borne solely by the supplier, and the County shall not be responsible or liable for any such cost or expenses.

Prices shall be provided as follows:

BID #WG22-65 SPECIFICATIONS
BALDWIN COUNTY BITUMINOUS PLANT MIX 723

The work under this Section covers the general requirements that are applicable to all types of hot and warm mix asphalt pavements of the plant mix type. Deviations from these general requirements will be indicated in the specific requirements noted in the following sections of these specifications. If the County Engineer determines there is insufficient Asphalt Cement coating on the aggregate or a lack of sufficient blending of RAP particles with the virgin aggregate because of the high percentage of RAP allowed in this specification and the inherent low temperatures used to produce WMA; the County Engineer may require a new Job Mix Formula (JMF) with a maximum of 20% RAP.

All ALDOT guidelines and policies shall apply to this mix except where noted below.

The ALDOT Standard Specification for Highway Construction shall apply except where noted below

BC 723 Materials

1) RECYCLED ASPHALT PLANT MIX (RAP) AND RECLAIMED ASPHALT SHINGLES (RAS).

a) ALLOWABLE USAGE OF RAP AND RAS

- i) The Supplier shall have the option to use RAP and RAS (Reclaimed Asphalt Shingles) in accordance with the requirements given. The total amount of RAP and RAS shall not exceed 35%.
- ii) The Supplier shall have the option to use any ratio of RAP (Recycled Asphalt Pavement) to virgin material from 0% to 35%.
- iii) RAS shall be limited to 5 % of the total aggregate content when the RAS is consumer waste (from roofing materials) and shall be limited to 5 % of the total aggregate content when the RAS is manufacturing waste.

2) BLEND OF AGGREGATES.

a) GRADATIONS FOR BLEND OF AGGREGATES

- i) The coarse and fine aggregates, mineral filler, and recycled material shall be combined in a total blend that will produce an acceptable job mix within the gradation limits determined by the maximum and minimum control points shown in the following table.

TABLE 1

Job Mix Formula (JMF) Parameters

Sieve Size	% Passing by Weight
1/2" {12.5 mm}	100% *
3/8" {9.5 mm}	90% - 97% **
No. 4 {4.75 mm}	61% - 84%
No. 8 {2.36 mm}	41% - 64%
No. 16 {1.18 mm}	32% - 45%
No. 30 {600 mm}	21% - 39%
No. 50 {300 mm}	10% - 28%
No. 100 {150 mm}	6% - 20%
No. 200 {75 µm}	4% - 12%

Notes:

Mix shall be 100% passing the 1/2" sieve, No Exception,

** Mix shall have a minimum of 3% retained on the 3/8" sieve, No Exceptions. Gradation tolerance of +/- 7% will not apply on the maximum control point unless the JMF is set at 90%; tolerance will extend to 97%

3) MIX PROPERTIES

a) AIR VOIDS (VA)

- i) The design air voids for this mix shall be 5.00%.

b) VOIDS IN MINERAL AGGREGATE (VMA)

- i) The job mix shall be designed to produce a minimum VMA of 16.0 and a maximum of 18.5.

c) LIQUID ASPHALT BINDER CONTENT (Pb)

- i) The job mix shall be designed at a minimum Liquid Asphalt Binder Content (Pb) of 5.80% and a maximum Liquid Asphalt Binder Content (Pb) of 7.50%. (Baldwin County has the right to lower the grade of virgin asphalt binder content if needed)

d) DUST PROPORTION

- i) The ratio of the percent by weight {mass} of aggregate passing the No. 200 sieve to the effective asphalt content expressed as percent by weight {mass} of the total mix shall be between 0.9 and 1.80 for this mix. These ratio limits apply to both the design and production phases. Effective asphalt content is that asphalt cement not absorbed

into the aggregate pore structure and is determined according to Section 4.09 of the Asphalt Institute's, MS-2, *Mix Design Methods for Asphalt Concrete*.

e) RESISTANCE TO MOISTURE INDUCED DAMAGE

- i) All mixes shall be designed and produced to have a tensile strength ratio (TSR) of at least 0.80 when compacted according to ALDOT-307 at seven percent air voids and tested in accordance with AASHTO T 283 as modified by ALDOT-361. If either TSR fails in production (Suppliers or BCHD representatives) another TSR will be run out of the referee sample, jointly by the Supplier and BCHD representatives in the Suppliers lab. If that TSR fails, the Baldwin County Commission and/or County Engineer shall determine whether the Supplier shall remove the tonnage in the lot at no cost to BCHD or leave it in place at a pay reduction.

Bidder must furnish to Baldwin County job sites on a daily basis, as ordered, a minimum of 1,000 tons, per operating crew, as needed. In the event the awarded bidder cannot comply with this requirement the bidder will be deemed not open for business and be non-compliant with the specifications.

Bids for product delivered F.O.B. to Baldwin County shall be considered on a per **“Maintenance Area”** basis with the Maintenance Areas delivered as shown on the attached map. Baldwin County will award on a **“Per Area”** basis and the vendors must give a price for each Mix delivered to each Maintenance Area in order for the entire bid to be considered.

Should multiple vendors be awarded bids and should a road cross between two (2) “Areas” with a different vendor for each Area, the lower price of the two vendors will be chosen to supply the mix chosen for that job. Competitive Bid #WG22-66 - Provision of Off-site Inmate Healthcare Billing Services for the Baldwin County Correctional Facility

STAFF RECOMMENDATION

Take the following actions:

- 1) Approve the specifications for the Provision of Off-site Inmate Healthcare Billing Services and authorize the Purchasing Director to place a competitive bid; and
- 2) Further, authorize the Chairman/Purchasing Division Commissioner for the Baldwin County Commission to approve any necessary addendums or clarifications if required after the bid is advertised.

BACKGROUND INFORMATION

Background: The Baldwin County Sheriff's Office has requested a competitive bid be placed for off-site inmate healthcare billing services. The provider would be responsible for re-pricing medical claims and providing a tracking system for claims and reasons for claims. A previous provider delivered this information as well as savings for the County Commission by negotiating some of the Medicare rates. This contract would also allow the medical services provider to handle the medical care of inmates incarcerated in the Corrections Center and eliminate processing medical claims.

The current medical services provider, Quality Correctional Health Care, Inc., re-prices off-site medical claims for the County Commission in addition to providing medical services for county inmates and have been able to provide savings for the County Commission. The contract with Quality Correctional Health Care, Inc., for the medical services does not require this provider to provide a system where medical claims can be tracked for payment as well as for the reason for the claim. This is information that is needed to track payment of claims to ensure duplicate payments are not processed and for pulling medical reports for various reasons by the BCSO/Corrections Command.

The Board shall pay Commission two percent (2%) of gross taxes collected for administering, collecting and enforcing the taxes ("the Collection Cost").

(b) Subject to the provisions of this amendment, there are hereby levied in Baldwin County (herein called "the county"), in addition to all other taxes now authorized, or that may hereafter be authorized by the Constitution and laws of Alabama, to be levied in the county, sales and use taxes (herein together called "the county sales and use taxes") that parallel, except for the rate or rates of such taxes (as hereinafter specified), the state sales tax and the state use tax. The duration of the levy of the county sales and use taxes hereunder shall be a period of five (5) years, commencing on June 1, 2013, subject to extension or renewal as authorized by the Legislature in accordance with a local legislative act.

(c) The rate of the county sales and use taxes shall be one percent on any transaction that is subject to taxation by the state pursuant to the provisions of (i) either subdivision (1), subdivision (2), or subdivision (5) of Section 40-23-2 of the Code, or (ii) subsection (a) of Section 40-23-61 of the Code.

(d) The rate of the county sales and use taxes shall be one-half of one percent (.5%) on any transaction that is subject to taxation by the state pursuant to the provisions of (i) either subdivision (3) or subdivision (4) of Section 40-23-2 of the Code; or (ii) either subsection (b) or subsection (c) of Section 40-23-61 of the Code; (iii) either Section 40-23-37 or Section 40-23-63, Code of Alabama 1975; or (iv) Article 3 of Chapter 23 of Title 40 of the Code, as the case may be.

(e) The county sales and use taxes shall, as the Baldwin County Commission (hereafter "the commission") may from time to time determine, be collected either by the commission or by any person, firm, or corporation (whether public or private) with which the commission may contract to collect the county sales and use taxes or any other tax or taxes levied by, or in, the county, all in accordance with, and subject to, applicable provisions of law as are from time to time in effect.

(f) All provisions of law from time to time in effect with respect to the payment, assessment, and collection of the state sales tax and the state use tax, and any and all reports, records, and penalties for failure to pay such taxes, the promulgation of rules and regulations with respect to such taxes, and the administration and enforcement of such taxes or such provisions of law (as the case may be), shall, to the extent not inconsistent with this amendment, apply to the county sales and use taxes.

(g) The commission shall remit to any local boards of education in the county in accordance with state law all amounts collected by the commission from the sales and use tax levied pursuant to the terms of this amendment, less collection fees charged by the commission in accordance with this amendment, applicable state law and any agreements entered into between the commission and the Baldwin County Board of Education or any local board of education in the county not inconsistent with this amendment or state law.

(h) Notwithstanding any provision of law now existing or hereafter enacted by the Legislature, the board of education shall pay, or shall cause to be paid, all costs and expenses incurred (whether by the state, the county or any other political subdivision or public body) in connection with the call, conduct, canvass or contest of any special election hereafter held (whether pursuant to, or in accordance with, the provisions of this amendment or otherwise) for the purpose of levying, or authorizing the levy of, any tax (regardless of the character or nature thereof) all or a majority of the revenues from

The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or termination of any sales or use tax levied, extended or renewed pursuant to other provisions of this amendment.

(i) The commission is hereby empowered to collect the county sales and use taxes and to enforce the provisions of this amendment, and it shall have and exercise all rights and remedies that the state has for the collection of the state sales tax and the state use tax (as the case may be).

(j) The foregoing provisions of this amendment shall be and are hereby declared to be self-executing; but the Legislature may enact general or local laws that implement, supplement or further any or all of the foregoing provisions of this amendment.

Any contract or alteration thereto or any resolution made pursuant to this section under which revenue is collected for the Baldwin County Board of Education shall be approved by a resolution of the Baldwin County Board of Education prior to implementation and must be reviewed for renewal the third year of implementation and each subsequent three-year period thereafter.

(b) The designee, in the performance of any contract or agreement and the administration and enforcement of any local tax and license collection, or the county commission, shall have the same rights, remedies, powers, and authorities as would be available to the State Department of Revenue or the municipality if the tax or license collection were being administered and enforced by the State Department of Revenue or the municipality and shall report information on new accounts to the State Department of Revenue on a monthly basis; provided, however, that any rules and regulations adopted or utilized by Baldwin County or its designee shall be consistent with the rules and regulations of the State Department of Revenue.

RE: Contracts FY 2023

Dear Ms. Childress:

Thank you for your application for Title III funds for FY 2023. Based on available funding from the Alabama Department of Senior Services, you have been awarded \$145,052. Please find enclosed two signed Title III Contracts for FY 2023. Please have the appropriate person sign and have their signature attested on both copies. Please note that multiple pages need signatures. Keep one copy for your files and return one copy to the Area Agency on Aging.

In the past, reporting 1/12th of your budget was allowed. This is no longer allowed by the State. Please report actual figures spent monthly on your aging program. You may request the spreadsheet of this report by contacting Rita Thompson, Grants Manager, at 251-706-4643 or rthompson@sarpc.org at our office. This report must be filled out and returned to our office by the 5th of the following month expenses were incurred. If you are reporting salaries, you will need to provide a breakdown of salaries and fringe benefits by job position. Please note that delinquent reporting may delay your receipt of Title III payments from our Agency.

There has been a substantial increase in the costs of meals provided by GA Foods. Based on the number of meals served to date in FY 2022, your FY 2023 meals costs will be \$86,424 for congregate meals and home-delivered meals. These are provided to you at no cost, but provide you with a more complete picture of aging funds awarded to support your senior nutrition center. Donations help offset the increasing meal costs and we request that you turn in all donations for meals to our office monthly along with the Report of Expenditures.

We look forward to working with you in FY 2023 to support older adults in your community.

Sincerely,

Julia McGee, Director
Area Agency on Aging

 - e. The Planning Agency reserves the right, in its sole discretion, to change the dollar amount of this contract based on Federal/State dollars actually received in the Notice of Grant Award from the Alabama Department of Senior Services, and to renegotiate this contract with the Contractor.
8. Recoupment of ineligible meals costs. Meals paid for with federal or state funds must be served to eligible persons age 60 and older, the spouse of a participant age 60 and older, or a volunteer at the nutrition center for each complete and certified meal delivered by the nutrition vendor. 12. Insurance and Bonding Requirements. The Contractor shall furnish the Planning Agency a Certificate of Insurance naming the South Alabama Regional Planning Commission as Certificate Holder on all insurance policies: Liability, Automobile, Workmen's Compensation, Fidelity Bond, etc. Upon renewal of existing insurance coverages, a copy shall be sent to the Planning Agency assuring the continued coverages for the program year.

From time to time this Contract may be amended pending written agreement between the Contractor and the South Alabama Regional Planning Commission.
14. Records and Information. All records and other information maintained by the Contractor about persons receiving services under this contract are confidential and shall be protected by the Contractor from unauthorized disclosure; however, nothing in this paragraph shall affect the requirements or provisions of Paragraphs 14 and 15 below or Exhibit 1, "Scope of Services", attached.

STATE OF ALABAMA

COUNTY OF BALDWIN

TRI-PARTY INTERGOVERNMENTAL SERVICE AGREEMENT

KNOW ALL MEN BY THESE PRESENTS, THAT THIS TRI-PARTY AGREEMENT (a/k/a "Agreement") is entered into between the CITY OF BAY MINETTE, ALABAMA (hereafter the "CITY"), the BALDWIN COUNTY COMMISSION (hereafter the "COUNTY"), and the SHERIFF OF BALDWIN COUNTY, ALABAMA (hereafter the "SHERIFF"), all jointly referred to as the Parties; and

WHEREAS the CITY, COUNTY, and the SHERIFF are all duly organized and existing under the Constitution and laws of the State of Alabama and are all authorized under such Constitution and laws of the State to enter into this Tri-Party Agreement, to perform transactions contemplated hereby, and to perform all their obligations under the Agreement; and

WHEREAS, the SHERIFF, as the authority in charge of the overall operation of the Baldwin County Correctional Center, has agreed to and hereby joins the furtherance of such commitments entered into by the COUNTY and CITY.

NOW, THEREFORE, in consideration of the premises and the mutual tri-party covenants contained within this Agreement, the sufficiency whereof are hereby acknowledged, the CITY, the COUNTY and the SHERIFF do hereby agree as follows:

ARTICLE I. Definitions

- a. "CITY" - the City of Bay Minette, Alabama.
- b. "COUNTY" - the County of Baldwin, Alabama.
- c. "SHERIFF" - the Sheriff of Baldwin County, Alabama.
- d. "Baldwin County Corrections Center" - any correctional facility that may be operated by the SHERIFF.
- e. "Baldwin County Corrections Center Medical Staff" - Those professionals/individuals employed by the SHERIFF either under contract, under the Baldwin County Sheriff's Office Personnel System, or otherwise engaged for the purposes of providing medical care to prisoners in the custody of the SHERIFF.
- f. "Emergency" or "Non-Emergency" - any situation that is determined to be such in the professional opinion of the SHERIFF or staff of the Baldwin County Sheriff's Office.
- g. "Outside Medicine" or "Outside Medical Services" - Medication and medical services provided by anyone other than the Baldwin County Correction's Center medical staff.

ARTICLE II. Services Provided

Upon request of the CITY, the SHERIFF may house and care for prisoners arrested by the CITY Police Department or sentenced to jail by the CITY Court and may hold them until released by order of the CITY Court.

ARTICLE III. Payment

The CITY will pay the SHERIFF the appropriate daily fee for each twenty-four (24) hour period that a CITY prisoner is housed in the Baldwin County Corrections Center. Payment will be made payable to the SHERIFF within thirty (30) days of invoicing by the SHERIFF.

For billing purposes, housing days will be considered calendar days beginning at 0001 (00:01 a.m.) and ending at 2400 (12:00 a.m.) daily. Any part of any day of incarceration of a CITY prisoner will be counted as a full day.

ARTICLE IV. Responsibility For Prisoners

Once a prisoner is booked into the Baldwin County Corrections Center and legal custody is transferred from the CITY to the SHERIFF, the prisoner's health, safety, and welfare becomes the responsibility of the SHERIFF until legal custody of the prisoner is transferred back to the CITY or the prisoner is released on order of the CITY or checked out of the Baldwin County Corrections Center in writing to a CITY Police Officer.

CITY will identify CITY prisoners to jail personnel in writing on or before 9:00 a.m. each day who are scheduled for CITY Court that day. CITY official or Officer will check out CITY prisoner at approximately 3:00 p.m. the day of CITY Court and return prisoner to Baldwin County Corrections Center by approximately 4:30 p.m. the same day.

CITY prisoners will not be released from custody of the Sheriff of Baldwin County directly from CITY Court. If CITY Court issues a release order as part of a hearing, the CITY prisoner will be returned to the Baldwin County Corrections Center where they will be processed for release in accordance with the order of the CITY Court.

CITY will maintain accountability of and manage the incarceration of CITY prisoners using the Baldwin County Sheriff's Office website using access passwords assigned by SHERIFF.

ARTICLE V. Medical Services

The provision of health care services for CITY prisoners housed in the Baldwin County Corrections Center is the responsibility of the SHERIFF. The cost of all prescription medications issued to the CITY prisoner and the cost of any medical service provided to them by anyone other than the Baldwin County Corrections Center medical staff is not covered by nor included in the agreed daily fee as set out herein, and payment for those prescription medications and outside medical services is the responsibility of the CITY.

The CITY prisoner provided "in-house" medical care by the Baldwin County Corrections Center will be charged a "co-pay" against their Inmate Commissary Account for each activity depending on the prescription or non-prescription medication or medical/dental service provided to them. The "co-pay" rates will be as determined by the SHERIFF and will be the same as charged other inmates. If incurred "co-pay" expenses are not paid directly by the CITY prisoner, that expense will become the responsibility of the CITY upon release of the CITY Prisoner and will be above and beyond the daily fee established in Article IX appearing hereinbelow.

The SHERIFF will take the following actions to limit the CITY's financial liability for prisoner medical services:

A. In non-emergency situations, the SHERIFF will cause the Baldwin County Corrections Center staff to inform the CITY Police Chief or other appropriate CITY official in writing via facsimile machine, email, or hard copy paper before providing prescription medications or outside medical services to CITY prisoners. CITY official will respond in writing with approval/disapproval via a like manner. Routine over-the-counter medications and medical/dental evaluations and services will be provided to the CITY prisoner without prior notification to the CITY.

B. In emergency situations, the SHERIFF will cause the Baldwin County Correction Center staff to inform the CITY Police Chief or other

appropriate CITY official of the circumstances as soon as practical after the immediate emergency has stabilized.

C. Costs associated with the provision of all prescription medications and the treatment of all pre-existing medical conditions, regardless of the severity of the condition, for CITY prisoners will be the responsibility of the CITY.

ARTICLE VI. Transportation

Transportation of CITY prisoners to and from the Baldwin County Corrections Center, for any purpose and for any duration, will be the responsibility of the CITY. Whenever a CITY prisoner is temporarily removed from the Baldwin County Corrections Center (including hospitalizations, hearings, medical/dental/mental health appointments, etc.), security for that prisoner will be the responsibility of the CITY.

ARTICLE VII. Emergencies

The SHERIFF may, without explanation, deny housing to any CITY prisoner. Upon request of the SHERIFF, the CITY will cooperate with the SHERIFF and the COUNTY to seek judicial discharge of qualifying CITY prisoners.

During an operational emergency at the Baldwin County Corrections Center as declared by the SHERIFF, the CITY Police Department will provide backup support to the Correctional Center staff under the terms of a law enforcement mutual aid agreement between the CITY and the SHERIFF. If a formal law enforcement mutual aid agreement between the parties hereto does not exist, then the level of support provided by the CITY will be that which a reasonable and prudent person would deem appropriate.

ARTICLE VIII. Bonding Activities

CITY will provide to SHERIFF, and maintain in a current state, a list of CITY approved Bonding Companies authorized to provide services to CITY prisoners. Cash bonds for CITY prisoners will not be accepted by SHERIFF. They will be accepted only by CITY at its business location. In order for a CITY prisoner to be released by SHERIFF on Cash bond documents, they will be signed by a CITY official and faxed to SHERIFF. Bonding Company documents will be accepted directly by SHERIFF, and release of CITY prisoner will be affected therefrom.

ARTICLE IX. Fees and Adjustments

The current daily fee schedule of \$55.00 per day for CITY prisoner housing and related services as stated herein shall be effective from October 1, 2022, through September 30, 2023.

Billing address is City of Bay Minette, ATTN: Heather Ford, 301 D'Olive Street, Bay Minette, Alabama 36507.

ARTICLE X. Assignment and Agency

The parties hereto shall not, without the express written consent of each and every other party hereto, assign, sell, transfer or otherwise convey any interest, rights or obligations provided or contained herein in whole or in part at any time.

Furthermore, nothing in this Agreement, either written or implied, shall create or give the impression that any party hereto is an agent of the other. The establishment of an agency relationship is contrary to the intentions of the parties hereto and is hereby strictly prohibited.

ARTICLE XI. Warranties And Representations

The execution and delivery of this Tri-Party Agreement have been duly authorized by all necessary actions of the governing body, and such actions are in compliance with all public bidding and other state and federal laws applicable.

This Tri-Party Agreement has been duly executed and delivered by, and constitutes the valid and binding obligation of, all parties and is enforceable against them in accordance with the respective terms contained herein.

The execution, delivery and performance of this Tri-Party Agreement shall not violate any state, federal, local law, ordinance, order, writ, injunction, decree, or regulation of any court, or conflict with any other obligation of the parties hereto.

ARTICLE XII. Duration, Term and Binding Effect

To the extent allowed by law, this Agreement will govern and be binding upon the parties hereto and will continue in effect until this Tri-Party Agreement is amended or properly altered to that effect by all parties hereto; otherwise, this Agreement shall terminate on September 30, 2023.

This Agreement shall be binding upon and shall inure to the benefit of the CITY, the COUNTY, the SHERIFF and their respective successors.

Notwithstanding any provision within this Agreement, any party hereto may terminate this Agreement, with or without cause, with a sixty (60) day written notification to all other parties hereto.

ARTICLE XIII. Entire Agreement

This Agreement constitutes the entire Agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous writings, understandings, agreements, or representations whatsoever, whether express or implied.

ARTICLE XIV. Severability

In the event that any provision of this Agreement shall be held invalid or unenforceable by a recognized authority or any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision contained herein.

ARTICLE XV. Enforcement and Non-Waiver

The failure of any party hereto to insist upon the strict performance of any of the terms, covenants, agreements and conditions of this TRI-PARTY AGREEMENT shall not constitute or be construed as a waiver or relinquishment of the right of the party to thereafter enforce any such term, covenant, agreement, or condition, but the same shall continue in full force and effect.

IN WITNESS WHEREOF, CITY has caused this TRI-PARTY INTERGOVERNMENTAL SERVICE AGREEMENT to be executed by its duly authorized officer and representative, the COUNTY has caused this Agreement to be executed by its duly authorized officer and representative, and the SHERIFF has caused the Agreement to be executed by its duly authorized officer and representative, and the Agreement is deemed to be dated on the _____ day of _____, 2022.

**MEMORANDUM
OF
UNDERSTANDING**

between

BALDWIN COUNTY COMMISSION
BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

CITY OF BAY MINETTE

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the City of Bay Minette, Alabama (the "Municipality"), effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to provide assistance in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS, the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS, the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign a SRO to campuses within the corporate limits of the Municipality, which include Baldwin County High School, Bay Minette Middle School, Bay Minette Elementary and the North Baldwin Center for Technology. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement

expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned school(s). To be an SRO, an officer must first meet all the following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked

cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished through the use of the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the Principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between the SRO and the school staff. The principal of the school shall meet regularly with the assigned SRO. This meeting shall not be delegated to other administrative staff on a regular basis.
2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in a given matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the Municipality. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the particular school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the Municipality to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to

pay to the Baldwin County Clerk/Treasurer and the BCPS.

2. The BCSO shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.
3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the Municipality as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

SRO INVESTIGATION AND QUESTIONING

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

PART VII

SEARCH AND SEIZURE

A. School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a general rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This

MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be construed to create or substantiate any right or claim on the part of any person or entity which is not party hereto.

BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

CITY OF DAPHNE

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the City of Daphne, Alabama, effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Baldwin County Virtual School, Daphne East Elementary, Daphne Elementary, Daphne Middle School, W.J. Carroll, and Daphne High School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Sgt Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of

the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

In an emergency, the school shall call 911 and notify the SRO. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.

2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make

available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be

BALDWIN COUNTY COMMISSION
BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

TOWN OF ELBERTA

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the Town of Elberta, Alabama, effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Elberta Elementary School, Elberta Middle School, and Elberta High School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they perform the duties of an APOST certified law enforcement officer, an informal counselor, and an

instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Sgt Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school.

Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. CITY OF FAIRHOPE

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the City of Fairhope effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to provide assistance in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS, the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS, the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Fairhope East Elementary School, two officers at Fairhope High School, Fairhope Middle School, Fairhope West Elementary, and J. Larry Newton School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Sgt Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned school(s). To be an SRO, an officer must first meet all the

following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of

the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished through the use of the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the Principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between

the SRO and the school staff. The principal of the school shall meet regularly with the assigned SRO. This meeting shall not be delegated to other administrative staff on a regular basis.

2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in a given matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the Municipality. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the particular school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the Municipality to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to pay to the Baldwin County Clerk/Treasurer and the BCPS.

2. The BCSO shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.
3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the Municipality as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.

BALDWIN COUNTY COMMISSION
BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

CITY OF FOLEY

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the City of Foley, Alabama, effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Florence Mathis Elementary School, Foley Elementary School, Foley Middle School, Foley High School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Sgt Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned school(s). To be an SRO, an officer must first meet all the

following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of

the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between the SRO and the school staff. The principal of the school shall meet regularly with the

assigned SRO. This meeting shall not be delegated to other administrative staff on a regular basis.

2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the Municipality. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the Municipality to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to pay to the Baldwin County Clerk/Treasurer and the BCPS.
2. The BCSO shall have no responsibility for the implementation or operation of the SRO

Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the Municipality as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

SRO INVESTIGATION AND QUESTIONING

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

PART VII

SEARCH AND SEIZURE

A. School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make

available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be

construed to create or substantiate any right or claim on the part of any person or entity which is not party hereto.

2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.

Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the school.

Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to pay to the Baldwin County Clerk/Treasurer and the BCPS.
2. The BCSO shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this

MOU.

3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school.

Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO

to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

CITY OF ROBERTSDALE

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is executed between the Baldwin County Commission (the "Commission"), the Baldwin County Sheriff's Office (the "BCSO"), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the "BCPS") and the City of Robertsdale, effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Robertsdale Elementary, Central Baldwin Middle School, and Robertsdale High school, SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of

the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.

The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.

Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. 2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make

available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be

BALDWIN COUNTY COMMISSION
BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

TOWN OF SILVERHILL

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) is executed between the Baldwin County Commission (the “Commission”), the Baldwin County Sheriff's Office (the “BCSO”), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the “BCPS”) and the Town of Silverhill, Alabama (the “Municipality”), effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Silverhill Elementary. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

SRO INVESTIGATION AND QUESTIONING

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

PART VII

SEARCH AND SEIZURE

A. School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make

available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be

**MEMORANDUM
OF
UNDERSTANDING**

BALDWIN COUNTY COMMISSION
BALDWIN COUNTY SHERIFF'S OFFICE
BALDWIN COUNTY PUBLIC SCHOOLS

and

CITY OF SPANISH FORT

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) is executed between the Baldwin County Commission (the “Commission”), the Baldwin County Sheriff's Office (the “BCSO”), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the “BCPS”) and the City of Spanish Fort, Alabama (the “Municipality”), effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Spanish Fort Elementary School, Spanish Fort Middle School, Spanish Fort High School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisory shall be Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement

expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned school(s). To be an SRO, an officer must first meet all the following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked

cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between the SRO and the school staff. The principal of the school shall meet regularly with the assigned SRO. This meeting shall not be delegated to other administrative staff on a regular basis.
2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the Municipality. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the Municipality to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to

pay to the Baldwin County Clerk/Treasurer and the BCPS.

2. The BCSO shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.
3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the Municipality as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

BALDWIN COUNTY PUBLIC SCHOOLS

and

TOWN OF SUMMERDALE

THIS MEMORANDUM OF UNDERSTANDING (“MOU”) is executed between the Baldwin County Commission (the “Commission”), the Baldwin County Sheriff's Office (the “BCSO”), the Baldwin County Public Schools, by and through the Baldwin County Board of Education (the “BCPS”) and the Town of Summerdale, Alabama, effective the last date executed below.

WHEREAS, the Commission, BCSO, BCPS, and the Municipality have agreed to work together to aid in the establishment of School Resource Officer ("SRO") Programs at the public schools within Baldwin County, and, pursuant to this MOU, within the unincorporated areas of Baldwin County; and

WHEREAS the Municipality and the BCPS desire to provide funding and personnel for the SRO Program within the Municipality; and

WHEREAS the BCSO and the Commission desire to provide administrative assistance for the SRO Program within the Municipality as set forth in this MOU; and

WHEREAS, the Commission, BCSO, BCPS and the Municipality deem it expedient to adopt the following purpose, goals, objectives, and procedures for the administration of the School Resource Officer Program within the Municipality.

NOW, THEREFORE, THE PREMISES CONSIDERED, for and in consideration of the mutual covenants and undertakings hereinafter recited, and other good and valuable consideration set forth herein, the receipt and sufficiency of which is hereby expressly acknowledged for all purposes of this MOU, the parties acknowledge and agree as follows:

PART I

PURPOSE

A. This MOU represents the mutual goals and objectives of the Municipality and the BCPS for the SRO Program, an endeavor which is a collaborative effort between education and law enforcement to address the epidemic growth of violence in schools.

B. An effective education program requires a safe and orderly environment where teachers feel safe to teach and students feel safe to learn. It also requires that parents feel safe in sending their children to our schools. Consequently, the BCSO and the Municipality, in collaboration with BCPS and with administrative assistance and funding by the County, conduct the SRO Program to provide school administrators and staff with law enforcement resources and expertise they need to maintain safety, order, and discipline in the school environment.

C. The School Resource Officer Program involves the assignment of a police officer to a public school as an SRO. In accordance with staffing availability and the demonstrated needs of the school, the Municipality will select and assign an SRO to campuses within the corporate limits of the Municipality, which include Summerdale Elementary School. SROs will maintain a presence at all public schools within the Municipality.

D. The SROs perform three different roles while operating inside public schools: they

perform the duties of an APOST certified law enforcement officer, an informal counselor, and an instructor of law related and safety classes.

E. The SRO Program is intended to help protect students at school. This is achieved, in part, by the assignment of SROs to work within the public schools. Additionally, it is important to establish, maintain, and update specific guidelines and procedures to be followed by the SRO and individual school administrators. This Memorandum of Understanding clarifies the roles of the SROs and school administrators, their scope of their authority, and the responsibilities of the Baldwin County Public Schools and Municipality in this collaboration. The success of the program relies on effective communication between the SRO, the principal, and other key staff members of each organization. The BCSO and Commission have agreed to provide administrative assistance to the BCPS, and the Municipality related to the payments to be made by the BCPS to the Municipality pursuant to this Agreement.

PART II

GOALS

The Municipality's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. Additionally, it is the mission of the Municipality to foster an environment where schools are safe places in which students can learn and teachers and ancillary personnel can teach and work.

The pursuit of the following objectives can help achieve these goals:

A. Maintain the presence of highly trained, armed, and sworn law enforcement officers serving as SROs who can immediately engage and mitigate any outside threat or internal threat to our schools. The SROs will also be able to immediately engage and contain a threat until additional law enforcement resources arrive and deploy to mitigate a threat. The SRO will take law enforcement action as required against intruders and unwanted guests who may appear at the school in accordance with applicable state law.

B. Decrease the number of major disciplinary incidents on campus. This includes, but is not limited to, drug possession/distribution, gang membership, alcohol and tobacco possession and use, theft, vandalism, weapons possession, fighting, harassment, truancy, and sexual offenses. The promotion of self-discipline and respect for the law by the SRO will aid in the reduction of these incidents. Also, these incidents will be decreased, in part, through direct intervention and enforcement activities.

C. Provide a deterrent to unacceptable behavior through the SRO's presence, visibility, and accessibility.

D. Aid in the review and participation in the school's Emergency Operation Plans and/or Safety Plans and/or the Municipality's Police Department response plan and in the implementation of the plans based on the circumstances.

E. Aid in his/her capacity as a sworn law enforcement officer to assist school personnel

in any disciplinary or law enforcement matter.

F. Provide educational instruction in the areas of crime prevention, safety, conflict, resolution, restorative justice, and/or crime awareness. This information will encourage students to become more self-disciplined and voluntarily obey the laws of the State of Alabama and the rules of the Baldwin County Public Schools.

G. Reduction in juvenile delinquency.

H. Encourage students to show greater respect for other students. The result of this mentorship will be apparent by a reduction in serious disciplinary incidents, violent incidents, threats, and intimidation of other students.

I. Encourage students to develop positive attitudes toward law enforcement officers, teachers, parents, and all authority figures.

J. Encourage students to be more proficient in setting appropriate internal and external boundaries in interpersonal and group relationships.

K. An improvement in trust, communication, collaboration and mutual understanding between school officials, staff, students, parents, the SRO, and other law enforcement officers. This will create an atmosphere in which:

1. Students, parents, and school officials feel free to utilize the services of the SRO, the Municipality, and its Police Department.
2. Students, school officials, parents, and other family members will contact the SRO or other law enforcement officers when situations require crime intervention or prevention.
3. Understanding and a cooperative spirit toward law enforcement increases and filters into the community.
4. SROs will be able to rely on the increased assistance and cooperation of citizens in preventing or reporting criminal activity in the community.
5. SROs may contribute input towards the further development of school policies that address crime and recommendations for possible procedural changes to enhance school safety.
6. SROs work with BCSO and other municipal SRO Programs/community outreach units to help network and keep all our schools as safe as possible.
7. The SRO Supervisor works in partnership with BCPS's Prevention and Support Services Director to help maintain and foster a cooperative effort by all parties and promote a uniform approach for safety.

PART III

EMPLOYMENT OF SCHOOL RESOURCE OFFICERS

A. The Municipality will employ one (1) SRO per public school within the Municipality as set forth in this MOU. The BCPS will pay up to Fifty Thousand and no/100 Dollars (\$50,000.00) per year for each SRO to the Municipality for SRO salaries, FICA, employer's contribution to retirement, health insurance, health benefits options or payments made in lieu thereof, unemployment, training related to SRO programs only, benefits, and insurance.

B. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the Municipality shall submit invoices to BCPS for the previous three (3) months of service provided by the Municipality pursuant to this MOU, and a copy of the invoices shall be submitted to the BCSO for approval, along with any other forms or documentation required by the BCSO.

C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality pursuant to this MOU.

D. The Municipality agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the Municipality, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. The SROs shall be subject to all other personnel policies and practices of the Municipality except as such policies or practices may have to be modified to comply with the terms of this MOU.

E. The SROs shall be the employees of the Municipality and shall be subject to the administration, supervision, and control of the Municipality. The Municipality, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisor shall be Jeffrey Spaller. The Municipality is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the Municipality, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement expertise and resources to assist school staff in maintaining safety, order, and discipline within their assigned school(s). To be an SRO, an officer must first meet all the

following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the Municipality's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the Municipality's Police Department will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the Municipality's Chief of Police, or his designee.
7. The SRO shall wear the uniform required by the Municipality and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of

the Municipality's Police Department to students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the Municipality's Police Department chain of command.
9. A patrol officer or officers from the Municipality's Police Department will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the Municipality will be accomplished using the SRO program. However, the SRO's chain of command and ultimate supervision is always within the Municipality's Police Department.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the Municipality. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the Municipality related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the Municipality.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The Municipality is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The Municipality is responsible for overseeing and ensuring compliance with such training.
14. The Municipality will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between the SRO and the school staff. The principal of the school shall meet regularly with the

assigned SRO. This meeting shall not be delegated to other administrative staff on a regular basis.

2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the Municipality's Police Department if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the Municipality's non-emergency Police Department number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in each matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the Municipality. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the Municipality to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to pay to the Baldwin County Clerk/Treasurer and the BCPS.
2. The BCSO shall have no responsibility for the implementation or operation of the SRO

Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted by the Municipality along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the Municipality as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the Municipality for the previous three (3) months services provided by the Municipality.
2. The funds will be paid to the Municipality in accordance with the terms of this MOU.

PART V

SRO INVESTIGATION AND QUESTIONING

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the Municipality's Police Department of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the Municipality's Police Department procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

PART VII

SEARCH AND SEIZURE

A. School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make

available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the Municipality, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the Municipality's Chief of Police regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the Municipality and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be

construed to create or substantiate any right or claim on the part of any person or entity which is not party hereto.

PART II

GOALS

The BCSO's goal is to assist in providing a safer and more secure environment while creating a more favorable perception of law enforcement by students, parents, faculty, and ancillary personnel within the schools. C. The BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the BCSO for the previous three (3) months services provided by the BCSO pursuant to this MOU.

D. The BCSO agrees to provide pay and employment benefits in accordance with the applicable salary schedules and employment practices of the BCSO, including but not necessarily limited to sick leave, annual leave, retirement compensation, and all other applicable employment benefits. E. The SROs shall be the employees of the BCSO and shall be subject to the administration, supervision, and control of the BCSO. The BCSO, in its sole discretion, shall have the power and authority to hire, discharge and discipline SROs.

F. For purposes of this MOU, the SRO's supervisor shall be _____. The BCSO is responsible for assigning and supervising the SRO's hours and schedule in compliance with all applicable state and federal laws. Specific SRO duty hours at a particular school shall be set by mutual agreement between the BCPS, at the direction of the principal of the school to which the officer is assigned, and the BCSO, by the supervisor in charge of the SRO program. Generally, the SRO's duty schedule will be arranged to provide coverage throughout the school day, including peak arrival and departure times before and after school, and, whenever possible, patrolling the exterior and interior grounds during the opening and closing of school and during lunch periods.

PART IV

DUTIES AND RESPONSIBILITIES

A. SRO

1. The SRO is a sworn law enforcement officer assigned to provide the law enforcement expertise and resources to assist school staff in maintaining safety, order, and discipline

within their assigned school(s). To be an SRO, an officer must first meet all the following basic qualifications:

- a. Shall be a commissioned officer, certified by the Alabama Peace Officers' Standards and Training Commissions as a law enforcement officer, whose certification is in good standing and who has successfully completed active shooter training approved by the Alabama State Law Enforcement Agency.
 - b. Shall possess a sufficient knowledge of the applicable federal and state laws, local, city and county ordinances and Board of Education policies and regulations.
 - c. Shall be capable of conducting in depth criminal investigations.
 - d. Shall possess an even temperament and set a good example for students; and
 - e. Shall possess communication skills which would enable the officer to function effectively within the school environment.
2. The SRO will maintain safety, order, and discipline within their assigned school(s). The SRO will be considered an active member of the administrative team in his/her assigned school(s).
3. The SRO will maintain office space as space becomes available at each school, will stay highly visible throughout the campus of each school, and will respond to law enforcement needs of each school.
4. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the BCSO's Police Department. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the BCSO's non-emergency Police Department number if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
5. The SRO will provide educational instruction and serve as mentor and role model in matters pertaining to behavioral issues and the criminal justice system.
6. The SRO's immediate supervisor and chain of command in the BCSO will be followed when the SRO has questions or needs advice. However, on the rare occasion that any member of that chain of command is unavailable, communication should filter to the supervisor left in charge by the BCSO's Sheriff, or his designee.
7. The SRO shall wear the uniform required by the BCSO and operate a marked cruiser while on duty, unless otherwise authorized by the supervisor for a specific purpose. The SRO provides a visible deterrent to crime and a positive representative of the BCSO to

students and staff.

8. The SRO will be responsible for the preparation of lesson plans to be presented to the immediate supervisor. The plans will be approved by the chain of command and the school administration before implementation. Topics of instruction will include crime prevention and safety, conflict resolution, restorative justice, and crime awareness, as well as other approved topics. Any brochures or other materials that will go out for dissemination to the public about the SRO program will be approved by the SRO supervisor and the BCSO chain of command.
9. A patrol officer or officers from the BCSO will respond to calls when the SRO is unavailable due to teaching a class or any other unavailability. Investigators should attempt to coordinate with the SRO before contact is made with suspect students.
10. The SRO will work closely with the administrative staff on the enforcement of criminal laws. This will be pursued in a fair and consistent manner. The teamwork approach between the schools and the SRO will be used, but the final decision to arrest is that of the SRO. Communication and cooperation between the schools and the BCSO will be accomplished through the use of the SRO program. However, the SRO's chain of command and ultimate supervision is always within the BCSO.
11. The SRO Supervisor shall ensure that open lines of communication are in place between the schools and the BCSO. The principals of each campus and the SRO supervisor should meet when issues arise with the SRO's performance, and the SRO Supervisor shall address any concerns regarding the performance of the SRO. Principals may provide information to the BCSO related to the selection of a new SRO to determine any special needs or concerns of the campus which the principal believes should be taken into consideration in the selection of a new SRO. However, the final selection of the SRO is the decision of the BCSO.
12. Each SRO is responsible for maintaining his or her law enforcement officer certification in good standing and annually completing and passing the firearm requalification required of all law enforcement officers by the Alabama Peace Officers' Standards and Training Commission. The BCSO is responsible for overseeing and ensuring compliance with the above.
13. Each SRO must carry a non-lethal weapon and must be trained in the appropriate use of that non-lethal weapon. The BCSO is responsible for overseeing and ensuring compliance with such training.
14. The BCSO will administer, supervise, and evaluate the SRO position with input from the Superintendent and the Administration of prescribed schools.

B. School Principal

1. It is the responsibility of the principal to facilitate effective communications between the SRO and the school staff. The principal of the school shall meet regularly with the assigned SRO. This meeting shall not be delegated to other administrative staff on a

regular basis.

2. The SRO's assigned school buildings, grounds, and surroundings will be the equivalent of the SRO's patrol area, and he or she assumes primary responsibility for handling all calls for service and coordinating the response of other police resources to the school. All criminal activity that comes to the attention of the principal or school staff shall be reported immediately to the SRO or the BCSO if the SRO is not available. In an emergency, the school shall call 911 and notify the SRO. In a non-emergency situation, the school should notify the SRO or call the BCSO's non-emergency number, if the SRO is not available. Information that is not of an emergency nature may be held for action by the SRO upon his or her return to duty.
3. Subject to applicable laws, rules and regulations, the principal and school employees should assist the SRO in gathering evidence related to a criminal enforcement action. A criminal enforcement action taken by the SRO which results in the charging of a student with a crime should be supported by the principal and/or school employees by their appearance in court, when necessary, to provide testimony essential to the case. If the principal or the school employees have a question or concerns regarding the actions to be taken by them in a given matter, they should contact their supervisors to address their questions or concerns and/or seek instruction from the BCPS.
4. The school shall provide a work area for the SRO that is equipped with a telephone. It is recommended that the area have a locked storage area for securing contraband recovered by school staff. The SRO shall be responsible for arranging for the destruction of any illegal substances that will not be used for prosecution.
5. The principal shall meet twice yearly with the SRO Supervisor, and at other times at the request of either party when needed, to ensure adequate communication between the school and the BCSO. Upon request, the school shall provide information to the SRO Supervisor to assist in preparing for the annual evaluation of the SRO's performance. Principals are also encouraged to consult with the SRO Supervisor prior to the selection of a new SRO to share any relevant information on the needs or concerns of the school.
6. The BCPS shall provide in-service training, when available, to the SROs in topical areas which will increase the effectiveness of the officers and their ability carry out their duties and responsibilities within the public-school system.

C. Baldwin County Sheriff's Office

1. The Baldwin County Sheriff, or his designee, shall review the invoices submitted by the BCSO to the BCPS on a quarterly basis pursuant to this MOU. Upon approval of the invoices, the Sheriff, or his designee, shall provide written approval and an order to pay to the Baldwin County Clerk/Treasurer and the BCPS.
2. The BCSO shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the BCSO is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

3. The BCSO shall have authority to prepare any forms deemed necessary which shall be completed and submitted along with the invoices.

D. Baldwin County Commission

1. Upon receipt by the Baldwin County Clerk/Treasurer of the written approval of the invoices and order to pay issued by the Sheriff, or his designee, and upon receipt of funds from the BCPS for the payment of the invoices, the Clerk/Treasurer shall issue a check to the BCSO as payment for the approved invoices.
2. The Commission shall have no responsibility for the implementation or operation of the SRO Program pursuant to this MOU, and the Commission is merely providing administrative assistance pursuant to this MOU and shall incur no liability to any party pursuant to this MOU.

E. Baldwin County Public Schools

1. On or before October 10, 2022, and on or before the tenth (10th) day of January, April, July, and October of each year thereafter, the BCPS shall transfer to the Commission an amount sufficient to pay all invoices submitted by the BCSO for the previous three (3) months services provided by the BCSO.
2. The funds will be paid to the BCSO in accordance with the terms of this MOU.

PART V

SRO INVESTIGATION AND QUESTIONING

A. The SRO, like any other law enforcement officer, has the authority to stop, question, interview, and take law enforcement action without the prior authorization of the principal or contacting parents.

B. The principal, or his/her designee, shall be notified as soon as practical of any significant enforcement events. SROs should coordinate activities so that action between the agencies is cooperative and in the best interest of the school and public safety.

C. The SRO shall inform the SRO Supervisor along with the Criminal Investigative Division of the BCSO's of any crime(s) or leads that come to the attention of the SRO. The SRO should be kept advised of all investigations that involve students from his/her assigned schools.

PART VI

ARREST PROCEDURES

SROs are expected to be familiar with the school rules and their application within school. Routinely, rule infractions will not be handled as violations of law, but instead referred to the principal for action. Any questions related to the enforcement of rules versus violations of the law within the school should be discussed with the principal. This specifically applies to general

standards of conduct.

The following procedures will be followed when arrest of students or staff becomes necessary:

A. Persons whose presence on school grounds has been restricted or forbidden or whose presence is in violation of the law may be arrested for trespassing. If the trespass is not witnessed by the SRO or other law enforcement officer, then the SRO will follow the BCSO's procedures to address the matter.

B. The arrest of a student or member of the staff during school hours or on school grounds shall be reported to the school principal as soon as practical.

C. After an arrest, the SRO will be responsible for the arrest paperwork and transporting the arrestee, juvenile or adult).

PART VII

SEARCH AND SEIZURE

A. School officials may conduct searches of a student's property and person under their jurisdiction when reasonable suspicion exists that the search will reveal evidence that the student has violated or is violating either the law or the rules of the school. The standard for the search is reasonable suspicion, which is less than probable cause. (*New Jersey v. T.L.O.*, 469 U.S. 325 (1985)).

B. The SRO shall not become involved in administrative (school related) searches unless specifically requested by the school to provide security, protection, or for handling of contraband. These searches must be at the direction and control of the school official. At no time shall the SRO request that an administrative search be conducted for law enforcement purposes or have the school administration act as his or her agent unless exigent circumstances exist.

C. Any search by an SRO or deputy shall be based upon probable cause, and when required, a search warrant should be obtained. Stop and frisk will remain an option when there is reasonable suspicion that a criminal act has been committed or may be committed or the suspect may be armed.

PART VIII

ADMINISTRATIVE HEARINGS

A. The SRO shall attend suspension and/or expulsion hearings upon request of the school principal. The officer shall be prepared to provide testimony on any actions that were taken by the SRO and any personally observed conduct witnessed by the SRO. The SRO shall make available any physical evidence. Unless otherwise arranged, it will be the responsibility of the SRO to transport and safeguard any physical evidence, such as weapons that are needed at the disciplinary hearing.

B. The SRO shall not provide any official law enforcement document or juvenile record to the school or expulsion officer. As a general rule, release of such information is prohibited by law unless such documents are subpoenaed by the school through the appropriate court.

C. When a subpoena for official records, reports, or documents for an administrative school hearing are received by the BCSO, any action will be coordinated by the SRO Supervisor who will be prepared to brief the chain of command and the BCSO's Sheriff regarding the case.

PART IX

RELEASE OF STUDENT INFORMATION

SROs will be provided access to records concerning any pupil enrolled in a school in accordance with all applicable State and Federal laws and regulations including, but not limited to, the Family Educational Rights and Privacy Act ("FERPA").

PART X

RELEASE OF LAW ENFORCEMENT INFORMATION

Consistent with the basic tenets of relationship between the school principal and the SRO, open communication is essential for an effective SRO Program. Subject to applicable law, SROs should exchange information with the school principal regarding students' involvement in criminal activity in and around the school. This exchange of information shall be limited to that which directly relates to and contributes to the safety of the school environment. SROs shall not make any official documents, reports, or records available to the school or its staff. In accordance with applicable law, the Juvenile Court notifies the School Superintendents of any petitions against school students for selected offenses. The Administration, in turn, notifies the appropriate school principal in each case.

PART XI

ADDITIONAL TERMS

A. Regular meetings shall be conducted between the BCSO and the BCPS's Office of Prevention and Support Services to support this program.

B. This MOU shall be effective as of August 12, 2022 and shall remain in effect for a period of one (1) year from the effective date, unless any party elects to terminate the MOU by giving one hundred eighty (180) days written notice of such termination to the other parties. This MOU shall be reviewed annually and may be amended by the written agreement of the parties.

C. There are no third-party beneficiaries of this MOU, and this MOU shall not be construed to create or substantiate any right or claim on the part of any person or entity which is not party hereto.

STATE OF ALABAMA)

COUNTY OF BALDWIN)

CONTRACT FOR LAW ENFORCEMENT SERVICES

THIS AGREEMENT is made and entered into by the Town of Magnolia Springs, Alabama, a municipal corporation organized under the laws of the State of Alabama, hereinafter referred to as "Municipality"; Huey Hoss Mack as Sheriff of Baldwin County, Alabama, solely in his official capacity as Sheriff, hereinafter referred to as "Sheriff"; and the Baldwin County Commission, the governing body of Baldwin County, Alabama, a political subdivision of the State of Alabama, hereinafter referred to as "County", and is effective the date last executed below:

WHEREAS, Act 07-256 of the 2007 Alabama Legislature provides that the County may contract to provide law enforcement services to a municipality within its boundaries; and such Act also allows the Sheriff and his duly commissioned deputies to enforce laws within the corporate limits and police jurisdiction of the municipality including, without limitation, municipal ordinances, and the arrest or citation of any offenders as if the Sheriff and his deputies were duly constituted police officers of the municipality; and

WHEREAS, Municipality is a municipality within the boundaries of Baldwin County, Alabama, and wishes to enhance law enforcement services within its entire lawful jurisdiction, including without limitation, that area of land within the municipal boundaries of Municipality in addition to an area outside of the limits of Municipality and within the municipal police jurisdiction; and

WHEREAS, Municipality desires to provide an enhanced level of competent law enforcement service in conjunction and in harmony with its fiscal policies of sound, economical management; and

WHEREAS, Municipality desires and has requested that the Sheriff furnish law enforcement protection to Municipality and its inhabitants and citizens and perform any and all necessary and appropriate functions, actions, and responsibilities for law enforcement within Municipality to the extent herein provided; and

WHEREAS, Act 07-256 of the 2007 Alabama Legislature provides to the Baldwin County Commission, as the governing body of Baldwin County, the authority to both agree upon the sufficiency of the sums provided by the Municipality, for the subject police services, and to consent and approve of this Agreement; and

WHEREAS, the Baldwin County Commission, as the governing body of Baldwin County, concurs with and supports the plan and program set out in this Agreement; and

WHEREAS, in seeking this support from the County, the Municipality agrees to protect the County from any liability associated with or assumed by the County as a result of the subject support and approval; and

WHEREAS, the Sheriff is an independent, constitutional officer of the State of Alabama; and

WHEREAS, it is further the desire of Municipality that responsibility for law enforcement within Municipality be performed by the Sheriff under the terms of this Agreement, and to the extent such activity is consistent with law.

NOW, THEREFORE, in consideration of the mutual promises contained herein and given by each party to the Agreement, the parties hereto do hereby covenant, contract, and agree as follows:

1. **Recitals Included:** The recitations set forth above are incorporated herein by reference in their entirety.

2. **Authority to Act:** Municipality does hereby vest in the Sheriff of Baldwin County, including each sworn officer and deputy of the Sheriff, who from time to time may be assigned under this Agreement, the police powers of Municipality which are necessary to implement and carry forth the services, duties, and responsibilities hereby imposed upon the Sheriff. The Sheriff and any officers of the Sheriff are hereby vested, without limitation, with the power to enforce the ordinances of Municipality, to make arrests incident to the enforcement thereof, and to do such other things and perform such other acts as are necessary with respect thereto.

3. **Enforcement of Laws:** The Sheriff shall, to the extent allowed by law, enforce Federal, State and local laws applicable within the jurisdiction of the Municipality. The deputies provided under this Agreement by the Sheriff will have a general familiarity with the code of ordinances of Municipality, and Municipality will provide adequate copies of books of ordinances of Municipality for this purpose at no cost to the Sheriff.

4. **Purpose:** The purpose of this Agreement shall be to provide Municipality and the citizens represented by Municipality with enhanced law enforcement by and through the Sheriff.

5. **Term:** This Agreement shall take effect on October 1, 2022 and extend until September 30, 2023. Any party may terminate this Agreement without cause or further liability to the other, except as to the indemnification provided herein, upon ninety (90) days written notice to the other parties to this Agreement. Said notice shall be deemed delivered when a copy is delivered to the other parties and receipt therefore signed by the other parties. Notwithstanding this provision, nothing herein written shall bind the Office of Sheriff or the County beyond the current term of office of the currently elected Sheriff. In the event that the terms herein written in any way conflict with the dates associated with the Sheriff's term of office, then this Agreement

shall become void, without any liability therefore, immediately upon the request of either the Sheriff or the County.

6. **Notice:** Notices required to be given hereunder shall be given to the following persons:

- (a) Sheriff of Baldwin County, AL
320 North Hoyle Ave.
Bay Minette, AL 36507;
- (b) Baldwin County Commission
c/o Chairman
312 Courthouse Square
Bay Minette, AL 36507
- (c) Kim Koniar, Mayor
Town of Magnolia Springs
PO Box 890
Magnolia Springs, AL 36555

7. **Payment by Municipality:** In consideration of the agreements made herein, Municipality shall pay to the Baldwin County Sheriff's Office \$5,875.00 per month for the duration of this Agreement. This amount shall be due by the 10th day of each month. These amounts reflect the complete cost to the County and the Sheriff for the anticipated services of one Deputy Sheriff including, but not limited to, any reasonable overtime necessary for the deputy to perform law enforcement services. Said overtime must be with the Sheriff's consent unless the existing circumstances make consent impractical or unreasonable. The Sheriff may provide extra personnel, assuming availability, upon the request by Municipality at an hourly rate of \$32.00, billable and payable as of time of regular billing period. Nothing in this section shall prevent the Sheriff and Municipality from agreeing to overtime compensation for the deputy for special events, occasions or other circumstances deemed appropriate by both parties; however, any such agreement shall not bind the County in any way and specifically not to any additional costs or liabilities, therefore. In the event that any costs or compensation are agreed upon between the Sheriff and Municipality, which are not specifically listed within this Agreement, then such costs and liabilities will be considered as extraordinary events and not deemed to create any ongoing or expansion of liability; furthermore, the Municipality agrees to indemnify and hold the County harmless for any such added costs and liabilities related to the same.

8. **Provision of Services by the County:** The County is hereby acting in approval and agreement of the sufficiency of the funds as provided by the Municipality for the anticipated services. Notwithstanding this approval, however, the County in no way guarantees that said sum will continue to be sufficient for services rendered by the Sheriff. The Parties further agree that this Agreement in no way binds the County to provide, without limitation, any additional

funds, equipment, facilities, resources, as to include but not limited to, patrol vehicles, insurance, benefits, necessary or unnecessary equipment for safety, investigative, management, supervisory, and dispatching needs. In the event that the funds provided by the Municipality are determined by the Sheriff to no longer be sufficient to fund the service levels provided or to fulfill the expected duties described herein, the County shall in no way be bound to provide or make up any such shortfalls associated therewith.

9. **Provision of Services by the Sheriff:** The Sheriff agrees to enhance law enforcement services within the jurisdiction of the Municipality. The Sheriff anticipates providing one deputy with patrol vehicle and necessary equipment for a total of forty (40) hours during each full calendar week during which this Agreement is in effect. Each week must conform to the Sheriff's Office established shift schedule that now exists or as established by the Sheriff's Office from time-to-time hereafter. The Sheriff anticipates, without guarantee, that the Deputy will be present within the municipal jurisdiction in shifts of eight (8) consecutive hours; provided, however, the Sheriff, in his best judgment, after consultation with the Mayor and the Municipal Council, may approve any combination of hours or shifts as he determines to be appropriate. In addition, during an emergency situation, as determined by the Sheriff, and when such determined emergency situation is located outside the jurisdiction of Municipality, the Sheriff may reassign any particular deputy, from the municipal jurisdiction to a different location, and for the amount of time necessary, concerning such determined emergency. Municipality will either receive a financial credit or an in-kind credit for the deputy's time if his reassignment to said emergency overlaps with his shift for the Municipality.

The Sheriff will maintain the right to review, evaluate, and require changes to service charges and rates provided for herein, on an annual basis. In the event that such requirements are not agreed upon by the Municipality and the County, then the Sheriff has the option to adjust or terminate all or part of the provided services as provided for herein, but any change in service levels must first be noticed to both the Municipality and the County.

10. **Station:** The Municipality may provide, at no cost to the Sheriff, a mutually agreed upon suitable space for a sheriff's station located within the Municipality. If said station is provided, the Municipality shall be responsible for the payment of utilities, excluding telephone services, and any and all maintenance and cleaning services. The purpose of said station space is to provide assigned deputies a central and/or suitable location for effective law enforcement services to the Municipality and its citizens therein.

11. **Personnel:** Notwithstanding anything herein to the contrary, the Sheriff retains the complete and sole authority concerning, without limitation, the direction, hiring, training, assignment, discipline, and dismissal of any Deputy Sheriff, including any other officer acting on behalf of the Sheriff, in the performance of services under this Agreement. Any deputy or officer performing services under this Agreement shall do so in accordance with his duties as an employee of the Sheriff and consistent with all training and direction from the Sheriff. The Municipality does hereby reserve the right and the Sheriff does hereby acquiesce in Municipality's right to request that the Sheriff transfer such personnel who, in the determination

of Municipality, fail to perform in a manner consistent with the standards contemplated herein. Such determination to transfer personnel shall, however, be made at the sole discretion of the Sheriff.

12. **Arrests, Crimes, Fines and Forfeitures:** Arrests and criminal charges for violation of municipal ordinances are to include, without limitation, uniform traffic citations and all prosecutions, therefore. Such arrests and criminal charges shall be returnable to and in the jurisdiction of the Magnolia Springs Municipal Court, if the Municipality staffs and maintains such a court system and the Municipality elects to have such actions prosecuted therein; otherwise, such charges will be returnable to and prosecuted in the District Court of Baldwin County. All fines and forfeitures rendered in any court as a result of such charges made by the contract deputy within the municipal limits and its police jurisdiction shall be distributed to the Municipality as provided by the laws of the State of Alabama and the rules of the District and Circuit Courts of Baldwin County.

13. **Municipal Law Enforcement Policy:** The Sheriff may confer with the Municipality regarding law enforcement problems within the Municipality and may consider general policy direction from the Municipality. Such consideration may include direction concerning how its services are delivered, and to what geographic area of the Municipality a particular type or level of service should be delivered in order to counteract law enforcement problems within the Municipality. In the event that a concern arises over the general policy direction of the Municipality, the Sheriff may meet and confer with the Municipality on policy matters regarding the delivery of such services and attempt to resolve any dispute or misunderstanding between them. The deputy or deputies assigned under this Agreement, however, shall, at all times, remain under the singular and exclusive control of the Sheriff. They shall not be controlled by, nor shall they be under the authority of, the Municipality, and nothing in this Agreement shall be construed to give Municipality the right of control over the deputy or the deputy's time. At no time shall the Sheriff or any of his deputies be deemed to hold any municipal office of the Municipality; however, nothing in this Agreement shall preclude the Municipality, if it ever so deems necessary, from appointing its own Chief of Police and police officers.

14. **Sheriff's Status:** Nothing in this Agreement shall be deemed to make the Sheriff or any of his deputies an agent, servant, or employee of Municipality, or to otherwise diminish the power and authority vested in the Sheriff and his sworn officers, as officials of the State of Alabama. The Sheriff, for the purposes of this Agreement, is and shall remain an independent contractor; provided, however, such independent contractor status shall not diminish the power and authority vested in the Sheriff and his sworn officers.

15. **Liability of Municipality and Sheriff:** Neither the Sheriff nor the County will defend or pay any judgment against the Municipality arising out of any act or omission or alleged act or omission of the Sheriff or any deputy, law enforcement personnel, or any other employees of the Sheriff performing services under this Agreement. The Municipality shall maintain separate liability insurance which names the Baldwin County Commission, as the

governing body of Baldwin County, Alabama and the Sheriff of Baldwin County as additionally insured parties. All suits and claims against deputies and the Sheriff that may be filed from time to time hereunder shall be handled by the Sheriff in accordance with normal procedures. The Sheriff may defend such lawsuits or claims against the deputies. Nothing contained herein shall be construed to limit or modify the laws of Alabama as the same may apply to the County, the Municipality and the Sheriff or in any way diminish any immunity, absolute or qualified, to which the County, the Sheriff and Municipality are otherwise entitled by law.

16. **Indemnification:** To the fullest extent allowed by law, Municipality shall indemnify, defend and hold County and its Commissioners, affiliates, employees, agents, and representatives (for purposes of this Section 16 referred to collectively as "COUNTY") and the Baldwin County Sheriff's Office, the Sheriff and their affiliates, employees, agents, officers, deputies and representative's (for purposes of this Section 16 referred to collectively as "Sheriff") harmless from and against any and all claims, demands, liabilities, damages, losses, judgments, costs, and expenses including, without limitation, attorneys' fees, and costs, for any and all personal injury (including death) and property damage of any kind or nature whatsoever, incurred by, asserted against, or imposed upon the County or Sheriff, as a result of any acts or omissions by the Municipality, Sheriff or County within the scope and under the terms of this Agreement. This indemnification shall survive the expiration or termination of this Agreement. Nothing in this Agreement shall be construed as waiving the limitations on municipal liability under Alabama law.

17. **Severability:** If any term or provision of this Agreement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the same shall be severed from this Agreement, and the remainder of this Agreement shall continue in full force and effect.

18. **Entire Agreement:** This Agreement reflects the full and complete understanding of the parties to it and may be modified or amended only by a document in writing executed by all the parties hereto and executed with the same formality of this Agreement.

19. **State Law Applicable:** This Contract shall be construed under and in accordance with the laws of the State of Alabama, and venue shall lie in Baldwin County, Alabama.

IN WITNESS WHEREOF, the parties to this Agreement have caused the same to be signed by their duly authorized representatives.

ITEM TITLE

Letter of Intent - DR-4632 (Severe Storms and Flooding) Hazard Mitigation Grant Program

STAFF RECOMMENDATION

Approve and authorize the Chairman to execute the Letter of Intent (LOI) to the Alabama Emergency Management Agency (AEMA) for Baldwin County Emergency Management Agency (BCEMA) to apply for DR-4632 Hazard Mitigation Grant Program (HMGP) funds, and to sign any related documents. The LOI will summarize the project types for which the Baldwin County Commission, through its department and staff, intend to apply.

BACKGROUND INFORMATION

Background: FEMA's Hazard Mitigation Grant Program provides funding to state, local, tribal and territorial governments so they can rebuild in a way that reduces or mitigates future disaster losses in their communities. This grant funding is available after a presidentially declared disaster and is authorized under Section 404 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, as amended (FEMA P-592), May 2019.

In this program, homeowners and businesses cannot apply for a grant. However, a local community may apply for funding on their behalf for safe room and flood or wind mitigation projects for residential structures (e.g., home elevations to eliminate the flooding of flood prone properties).

The Baldwin County Hazard Mitigation Planning Committee met on August 11, 2022, to discuss and prioritize projects county-wide for the Master LOI and ensure these projects align with the current Baldwin County Multi-Jurisdiction Hazard Mitigation Plan. This Master LOI will be submitted by the EMA Planning and Grants Division Manager to the Alabama Emergency Management Agency (AEMA). Each respective eligible applicant will complete their own individual documentation and applications in the AEMA Grants Portal (MB3).

If awarded, these funds provide up to 90% of federal cost share for eligible applicants and projects to reduce the threat to life, safety, and future damages and losses to property and infrastructure.

Projects which have been requested and compiled on the Master LOI List include two (2) Magnolia

Springs Street Drainage Improvements projects, one (1) Gulf Shore Homeowner House Elevation project, (1) Baldwin County unincorporated homeowner Elevation/Reconstruction project, and five (5) potential residential flood mitigation projects.

Although the projects are still in the development stage, we must submit the LOI to AEMA to notify them of our intent to apply for HMGP funds. Future agenda items will be presented to the Baldwin County Commission for approval prior to commitment by the county to proceed with any project, if applications are awarded.

Commission Departments coordinate with the EMA Planning and Grants Division Manager, to ensure potential projects are captured in the LOI

Additional information is available on the Mitigation section of the Baldwin County EMA webpage at <https://baldwincounty.gov/departments/EMA/ema-hazard-mitigation>.

Revision of Baldwin County Commission Policy 7.6 - Solid Waste Residential Garbage Service Rates and Late Fees

STAFF RECOMMENDATION

Adopt Resolution #2022-159, which approves the revision of Baldwin County Commission Policy 7.6 - Solid Waste Residential Garbage Service Rates and Late Fees.

The updated policy increases the monthly residential service fee from \$16.00/month to \$17.00/month effective January 1, 2023.

BACKGROUND INFORMATION

Previous Commission action/date:

08/06/2019 - Last revision to this policy which eliminated the requirement for a residential garbage deposit fee of \$30.00.

01/19/2016 - Policy revision which changed service fee of \$18.70/month (\$14.95/service fee plus \$3.75/cart rental fee) to \$16.00/monthly (which includes use of a mandatory Baldwin County cart).

Background: BCC Policy 7.6 - Solid Waste Residential Service Rates, Solid Waste Residential Garbage Account Late Fees provides for the establishment of Solid Waste Residential Garbage Services Rates and Late Fees for the Solid Waste Residential Accounts. The policy revision increases the monthly residential garbage service fee from \$16.00/month to \$17.00/month effective January 1, 2023. The quarterly and seasonally billed customers will see a comparable change to their rate based on the monthly increase. The delay in implementing the rate increase will provide the department necessary time to notify its customers by including rate change notices/correspondence with the billing processes beginning with the October 2022 billing cycle and continuing through the December 2022 billing cycle. Staff will also post the rate change on the departmental website beginning October 1, 2022. The rate increase is necessary due to increase garbage collection operational expenses resulting from negative impacts on heavy duty trucks' supply chain. Rates will be evaluated every 2 (two) years during the budget cycle to ensure a balanced

operational budget.

FINANCIAL IMPACT

Total cost of recommendation: Additional revenue of \$43,333.00 per month for an approx. total of \$390,000.00, January 1, 2023 - September 30, 2023.

Funding Request Letter to ALDOT for Promoting Resilient Operations for Transformative, Efficient, and Cost-saving Transportation Formula Program

STAFF RECOMMENDATION

Approve and authorize the Chairman to execute the submission of funding request letter to the Alabama Department of Transportation (ALDOT) requesting the utilization of Promoting Resilient Operations For Transformative, Efficient, And Cost-saving Transportation (PROTECT) Formula Program funds for the proposed interchange modification at Baldwin Beach Express (BBE) and Interstate 10 (I-10)

BACKGROUND INFORMATION

Background:

The Bipartisan Infrastructure Law (BIL) establishes the PROTECT Formula Program to help make surface transportation more resilient to natural hazards, including climate change, sea level rise, flooding, extreme weather events, and other natural disasters through support of planning activities, resilience improvements, community resilience and evacuation routes, and at-risk coastal infrastructure. ALDOT has received \$28 million as a direct component of the PROTECT Formula Program.

This proposed project could provide a new northbound to westbound loop, two (2) northbound overpass bridges, and traffic signal modifications. This will improve safety and efficiency of the existing evacuation route. Also, this proposed project is the first of six phases of the Baldwin Beach Express II (BBE II) extension to I-65. Once BBE II is extended it will provide an alternate option to State Route 59 further strengthening the region's evacuation routes.

**Re: Promoting Resilient Operations For Transformative, Efficient, And Cost-Saving
Transportation (Protect) Formula Program – Baldwin Beach Express at Interstate 10**

Dear Mr. Cooper,

The Baldwin County Commission is requesting ALDOT to utilize Promoting Resilient Operations for Transformative, Efficient, And Cost-Saving Transportation (PROTECT) Formula Program funds for the proposed interchange modification at Baldwin Beach Express (BBE) at Interstate 10 (I-10). BBE provides critical access to I-10 in order to evacuate south Baldwin County. The project will provide community resilience and strengthen evacuation routes that are essential for providing and supporting evacuations caused by emergency events.

This proposed project could provide a new northbound to westbound loop, two (2) northbound overpass bridges, and traffic signal modifications. This will improve safety and efficiency of the existing evacuation route. Also, this proposed project is the first of six phases of the Baldwin Beach Express II (BBE II) extension to I-65. Once BBE II is extended it will provide an alternate option to State Route 59 further strengthening the region's evacuation routes.

Baldwin County is the fastest growing county by population in the state of Alabama according to the 2020 Census Data. Baldwin County also leads Alabama with the number of visitors. Last year over 7 million tourists and visitors visited Baldwin County. Public access to evacuation routes is critical to the residents of Baldwin County and citizens of the State of Alabama.

Thank you in advance for your consideration of this request. We look forward to working with you to improve resiliency for the Baldwin Beach Express and Interstate 10.

Sincerely,

JAMES E. BALL, Chairman
Baldwin County Commission

ITEM TITLE

Project No. 0220919 / HW19209000 - Sonnie Lynn Lane - Quitclaim Deed

STAFF RECOMMENDATION

Take the following actions:

1) **RESCIND** the portion of the action taken by the Baldwin County Commission, during its July 19, 2022, regular meeting related to Agenda Item BN6 which authorized the Chairman to execute Quitclaim Deeds conveying any and all right and title to certain portions of right-of-way owned by Baldwin County on Sonnie Lynn Lane to the following property owners:

Tracts 3 & 3A - H. Leslie Taylor Properties, LTD, and Emanuel Holdings, LLC.; and

2) **AUTHORIZE** the Chairman to execute a Quitclaim Deed conveying any and all right and title to certain portions of right-of-way owned by Baldwin County on Sonnie Lynn Lane to the following property owner:

Tracts 3 & 3A - Belle Fountain Land Company, LLC

BACKGROUND INFORMATION

Background: The owners of Tracts 3 and 3A, H. Leslie Taylor Properties, LTD, and Emanuel Holdings, LLC, transferred ownership of their remnant property on July 18, 2022. The previous Commission action on July 19, 2022, authorized the Chairman to execute a Quitclaim Deed to H. Leslie Taylor Properties, LTD, and Emanuel Holdings, LLC. This agenda item will rescind that portion of the previous action and authorize the Chairman to execute a new Quitclaim Deed to the new property owner, Belle Fountain Land Company, LLC. Due to survey correction, deed descriptions were revised for the Sonnie Lynn Lane project. This required the Commission to quitclaim land that was inadvertently acquired from adjacent landowners.

Previous Commission action/date: July 19, 2022 - Authorized the Chairman to execute Quitclaim Deeds conveying any and all right and title to certain portions of right-of-way owned by Baldwin County on Sonnie Lynn Lane to the following previous property owners: Tracts 3 & 3A - H. Leslie Taylor Properties, LTD, and Emanuel Holdings, LLC.

BALDWIN COUNTY COMMISSION

POLICY #9.10	
Subject	Engineering, Environmental Monitoring and Surveying Services
Date Adopted	January 19, 2016
Agenda Item	BD1
Obsolete Versions	March 7, 2002 Minutes Book 29, pg. 254 February 19, 2008 Minutes Page 26

POLICY STATEMENT

This policy establishes a uniform method for the acquisition of engineering and related services (environmental monitoring, surveying, geotechnical, etc.) for all Highway and Solid Waste Department projects. This policy will allow the County Engineer or the Development and Environmental Director to negotiate and initiate contracts and services in a more timely and efficient manner to expedite needed County engineering or environmental projects.

PROCEDURAL REQUIREMENT

In order to carry out this policy, the following steps must be taken:

1. Estimated and budgeted services costs are less than or equal to \$100,000.00 (as estimated by County Engineer or Development and Environmental Director, and as budgeted in the current fiscal-year budget).
 - a) County Engineer or Development and Environmental Director selects a qualified consultant from an established list of “On-Call” contract consultants approved by the Commission. The consultant list and the “On-Call” contracts may be approved annually by the Commission or as desired. The County Engineer or Development and Environmental Director executes necessary work orders and notices to proceed, as provided by the terms of the approved contract.
2. Estimated services costs are greater than \$100,000.00 (as estimated by County Engineer or Development and Environmental Director).

- a) County Engineer or Development and Environmental Director causes advertisement of Request for Qualifications (RFQ) for required services. Commission authority to advertise RFQ is not required.
- b) County Engineer or Development and Environmental Director reviews responses to RFQs and ranks the three (3) most qualified firms.
- c) County Commission approves the most highly qualified firm and a contract with that firm to be negotiated by the County Engineer or Development and Environmental Director with a budgeted “not-to-exceed” fee amount. Upon County Engineer’s or Development and Environmental Director’s completion of the contract and fee negotiations, the County Commission executes the contract. Additional agenda action is not required as the Commission previously approved the contract subject to maximum fee and consulting firm.

ITEM TITLE

Resolution #2022-163 Amending Resolutions #2022-102 and #2022-158 by Eliminating and Terminating Temporary Premium Pay Payments From County Funds for Certain Exempt Employees

STAFF RECOMMENDATION

Adopt Resolution #2022-163 amending Resolutions #2022-102 and #2022-158 to eliminate and terminate Temporary Premium Pay (TPP) Payments for certain eligible exempt employees whose total wages and remuneration are greater than, or would become greater than as a result of TPP payments, 150% of the higher of Alabama's or Baldwin County's (i.e., Daphne-Fairhope-Foley MSA) average annual wage for all occupations as defined by the most recent Bureau of Labor Statistics' (BLS) Occupational Employment and Wage Statistics (BLS Threshold), which at the time of Resolutions #2022-102 and #2022-158 was \$72,165.00, to be effective immediately.

BACKGROUND INFORMATION

Background: The County Commission, during its regular meeting on August 16, 2022, approved terminating the appropriation of ARPA funds, as provided by Resolution #2022-158, for a TPP Program, effective as of December 31, 2022. As provided herein, the County Commission is terminating the appropriation of County Funds for TPP Payments for certain eligible exempt employees (as defined above), effective immediately.

Previous Commission action/date: December 7, 2021 - Approved a one-time TPP Program (subject to the ARPA Interim Final Rule) for employees working due to the COVID-19 pandemic to provide premium pay to eligible Baldwin County Commission and Baldwin County Sheriff's Office workers in response to their performing essential work during the COVID-19 pandemic as was a necessary and reasonable use of ARPA funds. Further, that TPP be paid according to the employee's corresponding county fund, should such TPP expenditure not be covered under the provisions of ARPA.

January 27, 2022 - Issuance of the ARPA Final Rule for Coronavirus State and Local Fiscal Recovery Funds, which allows for the provision of premium pay to eligible workers pursuant to 31 CFR 35.6(c), as follows:

A recipient may use funds to provide premium pay to eligible workers of the recipient who perform essential work or to provide grants to eligible employers that have eligible workers who perform essential work, provided that any premium pay or grants provided under this paragraph (c) must respond to eligible workers performing essential work during the COVID-19 public health emergency. A recipient uses premium pay or grants provided under this paragraph (c) to respond to eligible workers performing essential work during the COVID-19 public health emergency if:

(1) The eligible worker's total wages and remuneration, including the premium pay, is less than or equal to 150 percent of the greater of such eligible worker's residing State's or county's average annual wage for all occupations as defined by the Bureau of Labor Statistics' Occupational Employment and Wage Statistics;

(2) The eligible worker is not exempt from the Fair Labor Standards Act overtime provisions (29 U.S.C. 207); or

(3) The recipient has submitted to the Secretary a written justification that explains how providing premium pay to the eligible worker is responsive to the eligible worker performing essential work during the COVID-19 public health emergency (such as a description of the eligible workers' duties, health, or financial risks faced due to COVID-19, and why the recipient determined that the premium pay was responsive despite the worker's higher income).

June 7, 2022 - Approved an extension of the TPP Program to provide additional TPP compensation in the amount of \$8.66 per regular hour and \$12.99 per overtime hour, up to a maximum total amount of \$700.00 for full-time employees and up to a maximum total amount of \$500.00 for part-time employees, contingent on the continued need to perform essential work during the COVID-19 public health emergency and continued appropriation and availability of ARPA funds for this purpose. Further, eligible exempt County employees for whom annual wages currently exceed the BLS threshold identified herein or for those who would otherwise exceed this threshold with TPP considered, provide such pay from other County funds.

August 16, 2022 - Approved termination of ARPA TPP Program effective December 31, 2022.

6. County vehicles may not be used to transport family members. Except when attending official County business.
7. County employees who may be required to perform duties before or after normal working hours may be authorized to drive a vehicle home on those nights when the employee is performing such duties.
8. County vehicles are not to be taken out of the County except on official County business. Employees or elected officials who live outside the County will not be allowed to drive a vehicle to his or her residence unless authorized in writing by their department head.

10. Employees must notify their Department Head if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair.
11. County vehicles are to have no decals, bumper stickers, or markings of any kind other than an approved County emblem.
12. County vehicles are not to be used for personal errands. Employees or elected officials may stop to purchase meals or other necessities for health, welfare, or sustenance if those stops are along a point-to-point route and are without interference with official business. Employees or elected officials may not stop to purchase alcoholic beverages or transport alcoholic beverages in a County vehicle.
13. Any accident must be reported immediately to the employee's supervisor, or in the case of a Department Head to the County Administrator.
14. An employee must immediately report for a drug and/or alcohol screening when an accident results in any injury or any damage to any property. An employee may wait to be screened the next business day following accidents that occur after hours that result in property damage only. The employee's direct supervisor themselves bears the burden of ensuring the screening is completed. Failure to complete the drug and/or alcohol screening process will result in disciplinary action, up to and including

termination for both the employee and supervisor.

Employees or elected officials operating a County vehicle or equipment must have a valid driver's license for the class of the vehicle. Obtaining the proper license is a personal expense. An employee will not qualify to operate a County vehicle if during the last three years the employee had any of the following:

1. Conviction of a felony

~~Personnel who drive a County vehicle home and commute to and from work using a County vehicle shall be authorized by the County Commission.~~ The following personnel can be considered by the County Commission to be authorized to commute to and from work from their home using a county vehicle:

1. Department Directors
2. Supervisory personnel (if requested by their Director)
3. Other staff (if recommended by the County Administrator or a Department Director)

Personnel that are authorized expressly by this policy and need no additional authorization include;

1. Personnel designated as "on call" provided that they drive the vehicle home only on days in which they are "on call".
2. Personnel activated in times of emergency.
3. Personnel that utilize a county vehicle for their job during normal business hours, and their physical location at the conclusion of the business day is closer to their home than their personal vehicle, then in such instances and on an occasional basis only, the employee may drive the County vehicle home with prior approval of their supervisor.
4. Pool cars ~~assigned to B.C.C. Administration~~, may be driven home on an occasional basis with prior approval from ~~their department director~~ ~~County Administrator~~. In the case where the County Administrator needs to drive a pool car home, approval shall be provided by the Chairman.

Only personnel that meet the above requirements will be authorized to drive a vehicle home.

The County Commission, reserves the right to require a County employee to use a county vehicle, if, in their opinion, the use of the County vehicle would be less expensive for the County than the mileage charges for the employees personal vehicle.

PROCEDURAL REQUIREMENT

In order to carry out this policy, the following steps must be taken:

1. A request to regularly drive a County vehicle home must be made to the County Commission as an agenda item in the Commission meeting.
 - a) Department Directors shall make the request for themselves or any supervisor in their department.
 - b) Individual staff member requests shall be made by the Department Director.
2. Should the Commission approve the request, the employee may begin to drive the vehicle to and from their home and his or her name shall be added to the approved list by the County Administrator. It is the responsibility of each Director to notify the County Administrator if an individual approved to drive a vehicle home, stops doing so, in order to update the Approved List.
3. The Commission will annually charge the employee for the taxable fringe benefit of commuting to and from home in a County vehicle.
4. Each December, the County Administrator shall present the current list of employees that drive County vehicles home, to the County Commission for review.

ADVISORY OPINION NO. 2018-05

Mr. John A. Tinney
Attorney for Ashland Water Board
739 Main Street
Post Office Box 1430
Roanoke, AL 36274

Personal Use of Equipment/Water Board
employee taking children to school.

An employee of the Ashland Water Board may drop his children off at daycare on his way to work in his official vehicle if the use requested is allowed "pursuant to a lawful employment agreement regulated by agency policy."

Dear Mr. Tinney:

The Alabama Ethics Commission is in receipt of your request for a formal Advisory Opinion of this Commission, and this opinion is rendered pursuant to that request.

FACTS

The facts as have been presented to this Commission are as follows:

“The Ashland Water Board has a vehicle which it provides to an employee which the employee keeps for transportation for matters relating to the Water Board. He is allowed by agreement with the Water Board to have possession of this vehicle at all times and utilizes the vehicle in traveling to and from work.

There are times when he might be called out at night should there be a water main break, etc. when he would be required to attend to Water Board business after hours.

This employee has children still in school in Ashland. He occasionally will drop the children off on his way to work in the Water Board vehicle. The dropping off of the children is not out of the way on his way to work and I am sure that the additional gas used in dropping off the children is minimal.

The question has arisen as to whether it is a violation of Alabama Ethics statutes for this individual to drop off the children on his way to work in the company vehicle.”

QUESTION PRESENTED

Is it a violation of Alabama Ethics statutes for an employee of the Ashland Water Board to drop off the children on his way to work in the vehicle supplied to him for his official use?

ANALYSIS

The primary issues which the question raises involve the application of Ala. Code § 36-25-5(a) and (c), which state:

(a) No public official or public employee shall use or cause to be used his or her official position or office to obtain personal gain for himself or herself, or family member of the public employee or family member of the public official, or any business with which the person is associated unless the use and gain are otherwise specifically authorized by law. Personal gain is achieved when the public official, public employee, or a family member thereof receives, obtains, exerts control over, or otherwise converts to personal use the object constituting such personal gain.

(c) No public official or public employee shall use or cause to be used equipment, facilities, time, materials, human labor, or other public property under his or her

discretion or control for the private benefit or business benefit of the public official, public employee, any other person, or principal campaign committee as defined in Section 17-22A-2, which would materially affect his or her financial interest, except as otherwise provided by law or as provided pursuant to a lawful employment agreement regulated by agency policy.

The Commission previously addressed this issue under similar facts. In Advisory Opinion 2011-08 (Pettaway), the Commission held, "The Perry County Commission may, by policy, allow the Perry County Coroner to use a County vehicle for personal, as well as business use, so he may be accessible when needed." In that Opinion, the Commission recognized the practical implications of prohibiting someone who is on-call from being able to conduct errands, etc., while in an official vehicle but only when it is allowed pursuant to a lawful employment agreement regulated by agency policy. That conclusion equally applies to the question and facts presented, and the use requested herein is allowed if "provided pursuant to a lawful employment agreement regulated by agency policy."

CONCLUSION

An employee of the Ashland Water Board may take his children to school on his way to work in his official vehicle if the use requested is "provided pursuant to a lawful employment agreement regulated by agency policy."

Full-time RPR services are based on an eight-hour workday Monday through Friday for the period of time established in the Construction Contract for a **180**-calendar day construction schedule, or Substantial Completion, whichever time frame is shorter.
 - b. Make visits to the Site at intervals appropriate to the various stages of construction, as Engineer deems necessary, to observe the progress of Contractor's executed Work. Such visits and observations by Engineer, and the Resident Project Representative, if any, are not intended to be exhaustive or to extend to every aspect of the Work or to involve detailed inspections of the Work beyond the responsibilities specifically assigned to Engineer in this Agreement and the Construction Contract Documents, but rather are to be limited to spot checking, selective sampling, and similar methods of general observation of the Work based on Engineer's exercise of professional judgment, as assisted by the Resident Project Representative, if any. Based on information obtained during such visits and observations, Engineer will determine in general if the Work is proceeding in accordance with the Construction Contract Documents, and Engineer shall keep Owner informed of the progress of the Work.
 - c. Perform construction materials testing for earthwork, geosynthetics, and leachate systems as required by specification to determine compliance with the Facility's Construction Quality Assurance requirements.
 - d. Reject Work if, on the basis of Engineer's observations, Engineer believes that such Work is defective under the terms and standards set forth in the Construction Contract Documents.
 - e. Provide recommendations to Owner regarding whether Contractor should correct such Work or remove and replace such Work, or whether Owner should consider accepting such Work as provided in the Construction Contract Documents.
 - f. Review and respond to Change Proposals, Recommend Change Orders and Work Change Directives to Owner, as appropriate, and prepare Change Orders and Work Change Directives as required.
 - g. Receive and review all certificates of inspections, tests, and approvals required by Laws and Regulations or the Construction Contract Documents. Engineer shall be entitled to rely on the results of such inspections and tests.

- h. As deemed reasonably necessary, request that Contractor uncover Work that is to be inspected, tested, or approved.
6. Review Applications for Payment and accompanying supporting documentation.
 - a. Determine the amounts that Engineer recommends Contractor be paid. Engineer's recommendations of payment will include final determinations of quantities and classifications of the Work (subject to any subsequent adjustments allowed by the Construction Contract Documents).
7. After receiving notice from Contractor that Contractor considers the entire Work ready for its intended use, in company with Owner and Contractor, visit the Site to review the Work and determine the status of completion.
8. Together with Owner, visit the Project to observe any apparent defects in the Work, make recommendations as to replacement or correction of defective Work, if any, or the need to repair of any damage to the Project or adjacent areas, and assist Owner in consultations and discussions with Contractor concerning correction of any such defective Work and any needed repairs.
9. Conduct a final visit to the Project to determine if the Work is complete and acceptable so that Engineer may recommend, in writing, final payment to Contractor.
10. At various stages throughout the Project, CDG will perform an as-built survey of the locations of constructed improvements. This shall include the elevation certification surveys of the subgrade, compacted clay liner, Geosynthetic Panels and Seams, and sand drainage layers.
11. Prepare and submit a Construction Quality Assurance Manual and Engineer's certification to ADEM for approval to dispose in the constructed Cell.

The Construction Phase will commence with the execution of the first Construction Contract for the Project or any part thereof and will terminate upon written recommendation by Engineer for final payment to Contractors. Engineer shall be entitled to an equitable increase in compensation if Construction Phase services (including Resident Project Representative services, if any) are required after the original date for completion and readiness for final payment of Contractor as set forth in the Construction Contract.

FEE/TERMS:

CDG is proposing to perform the scope of work for the Construction Phase on a Lump Sum basis for **\$285,300**. The anticipated budget will not be exceeded without your prior authorization.

ITEM TITLE

Funding for Pedestrian Bridge Connecting Bicentennial Park and Live Oak Landing

STAFF RECOMMENDATION

Discussion Item only at this time - The probable cost estimate returned higher than originally funded and because this project is being funded with federal dollars, Davis Bacon Wage rates will apply to include fringe benefits for workers being hired. This will increase the cost greater than the probable cost of the project. Additional funding will be required to complete the project.

BACKGROUND INFORMATION

Previous Commission action/date:

01/19/2021 - Approved Gulf of Mexico Energy Security Act (GOMESA) Funding for County Projects to include \$1,200,000.00 for Live Oak Landing.

Background: The initial plan was to build this boardwalk top down, using the deck of the boardwalk to construct the boardwalk. The first task of surveying and then collecting geotechnical information took nearly 9 months to complete due to the area being inundated with water.

Below are some of the critical details provided by the Engineers:

1) There are approximately 10 feet of muck that we have to get through to sink piles into a sand layer, the current recommendation is 5 feet into that layer. This is causing pile lengths to be much longer than previous boardwalks using this technique. There is equipment that can set piles from the top, but the issue is the equipment is so heavy (50,000 lbs.+) that it influences the cost of the boardwalk, and also creates a stability issue in locations where the boardwalk is 10+ feet of the ground. Ultimately for safety and budget reasons, it is our opinion that the safest scenario for this project would be to set piles from the ground and, not the deck of the boardwalk.

2) The site is inundated for portions of the year. This has hindered our design as the survey and geotechnical work were both delayed for an extended period of time to allow for the site to be mostly dry so that field crews could get in. The reason this is an issue is we have to remove 400+ trees in the corridor we are proposing work. The roots are not being removed as that is more of a permanent impact and triggers a more stringent permitting scenario. The roots being in place have required that

we have some pile spacings that are not typical but what we have is workable. When the water is up this becomes a non-workable scenario for setting piles. Therefore, getting all the piles set at one time would allow for the boardwalk to progress regardless of water below.

The change that we are proposing is to clear from the ground and set piles from the ground. We can still have the deck and structure built from the top, which does still fit the definition; the issue is we will have temporary impacts with clearing and pile driving.

Request from Mobile Bay National Estuary Program - Letter of Support for NOAA Grant Proposal - Catalyzing a Multi-Communal Approach for Transformative Restoration of the Perdido Watershed

STAFF RECOMMENDATION

Authorize the Chairman to sign a letter of support to the Mobile Bay National Estuary Program (MBNEP) for its NOAA Transformational Habitat Restoration and Coastal Resilience Grant Proposal - Catalyzing a Multi-Communal Approach for Transformative Restoration of the Perdido Watershed.

BACKGROUND INFORMATION

Previous Commission action/date: N/A

Background: The MBNEP requests a letter of support from the Baldwin County Commission for NOAA Grant Proposal - Catalyzing a Multi-Communal Approach for Transformative Restoration of the Perdido Watershed. The proposal includes the development of a comprehensive watershed plan for the Perdido Watershed and will provide site-specific management recommendations to help property owners, municipalities, and communities better protect critical habitats to increase overall community and environmental resilience.

Additionally, streambank erosion and downstream sedimentation have been significant challenges facing coastal communities throughout Baldwin County. This project will provide a comprehensive strategy to restore degraded streams and riparian corridors specifically within Wolf Bay Watershed that have been negatively impacted by stormwater, invasive species, and a changing climate. This effort will also result in increased coordination among local governments managing stormwater in areas challenged by over five feet of hard rain annually, erodible soils, and significant urban development.

Coastal Alabama residents, the State, Baldwin County, and the City of Foley depend on stable shorelines, beautiful waters, and the productive fisheries that come from healthy coastal habitats including intertidal marsh and sea grass. These are the intended outcomes of the holistic watershed restoration this project proposes. The MBNEP has a consistent record of sound stewardship of environmental restoration and protection funding and, if funded, staff is confident in

the organization's ability to succeed in what it sets out to accomplish.

Baldwin County along with the City of Foley and others will be listed as project partners. The County's Natural Resource Planner will work with the MBNEP and the City of Foley in project implementation. The proposal does not commit the County to any financial obligations.

RE: Letter of Support - MBNEP's NOAA Grant Proposal - Catalyzing a Multi-Communal Approach for Transformative Restoration of the Perdido Watershed

Dear Ms. Swann,

As Chairman of the Baldwin County Commission, I am writing to express support for your 2022 NOAA Transformational Habitat Restoration and Coastal Resilience Grants proposal: *Catalyzing a Multi-Communal Approach for Transformative Restoration of the Perdido Watershed*.

The Perdido Bay Watershed provides important wetland and riparian habitats contributing to Alabama's exceptional species diversity and environmental health. However, the region is experiencing unprecedented residential and commercial growth, putting pressure on habitats facing climate change impacts. Development of a comprehensive watershed plan for this area will provide site-specific management recommendations to help property owners, municipalities, and communities better protect critical habitats to increase overall community and environmental resilience.

Additionally, streambank erosion and downstream sedimentation are significant challenges facing communities in the Wolf Bay Watershed. This project will provide a comprehensive strategy to restore degraded streams and riparian corridors that have been negatively impacted by stormwater, invasive species, and a changing climate. Furthermore, we strongly support the development of hydrologic models for the Perdido Watershed. Similar models for other watersheds throughout the County are regularly utilized and have proven a valuable tool as Baldwin County engineers, planners, and resource managers work to proactively manage stormwater, increase the resilience of our coastal communities, and ensure growth and development occurs in sustainable manner. This effort will also result in increased coordination among local governments managing stormwater in areas challenged by hard rain in excess of five feet annually, erodible soils, and significant urban development.

Ms. Roberta Swann, Director

September 6, 2022

Page 2 of 2

Coastal Alabama residents, the State, Baldwin County, and the City of Foley depend on stable shorelines, beautiful waters, and the productive fisheries that develop from healthy coastal habitats including intertidal marsh and sea grass. These are the intended outcomes of the holistic watershed restoration this project proposes. The MBNEP has a consistent record of sound stewardship of environmental restoration and protection funding and I have full confidence in the organization's ability to create a plan that addresses the complex issues of the watershed.

We hope that your proposal is considered favorably, and we look forward to a plan that improves coastal health and supports those things valued most by residents of and visitors to coastal Alabama.

If you wish to discuss any aspects of the proposal further, please do not hesitate to contact me or Ashley Campbell, Natural Resource Planner, at (251) 937-0264.

Sincerely,

JAMES E. BALL, Chairman

- Docu-series following around peoples' lives in Fairhope, Alabama

We understand that you all follow around the cast to see the different stages of love they are in, but what exactly does that mean? What are the goals and objectives of the show?

- We have cast members from ages 20-75 (16cast) all different stages of love. From finding new love to losing a spouse and starting over, to couples getting married. To couples getting divorced and starting over with their new love. It's all about finding your true love at any age and what that is like living in the beautiful Fairhope, Alabama. There is no fighting or displays of that (this is not a dramatic fight filled reality tv show)

We will need to know what filming on the property entails in more detail

- The gang's back together for more summer fun. Staying true to their promise of enjoying what could be their last summer together, the twentysomethings are together at Bohemian Park to enjoy the rope swing. Nick and Caris, Kai and Meredith, Mya Jo, Faith and Amiah. THERE IS NO ALCOHOL AS ALL OF THESE CAST MEMBERS ARE UNDER 21

- We will have 3 camera (fx9s) and our video village equipment which entails iPad monitors and the box they hook up to so we can see live feed that is 2ft x 3ft. We have a small Honda generator for our use that we bring everywhere with us. We don't need any type of electricity from the park.
